

Atlantic Provinces Numismatic Association

JUNE 1965 NEWSLETTER

PRESIDENT FERN ALLEN
SECRETARY BERNARD KLINE
EDITOR NELSON BOLTZ

CREATION Everything must have a beginning, giant oaks from little acorns grow, the creation of the Atlantic Provinces Association can be likened to a small acorn in size, lets hope it grows into the giant sturdy oak we would have it.

The A.P.N.A. was formed during a weekend Coin Rally sponsored by the Halifax Coin Club at the Nova Scotian Hotel in Halifax, N.S. on Saturday May 8th 1965.

Delegates from the coin clubs in the Atlantic Provinces attended a luncheon and elected officers and a few basic resolutions and by-laws were passed. More by-laws and other matters including an Association crest are being considered by the Executive.

The A.P.N.A. will assist in the formation of new clubs in the Provinces and help existing clubs that are losing ground. It is hoped that eventually form a library of Numismatic books, films and slides to be used by participating clubs.

All Atlantic Provinces coin clubs are asked to join, club dues are \$5. per year. Membership dues per person are \$1. per year.

Elections will be held every eighteen months, to coincide with the rallies held, one in the spring around May and one in the fall around October. The purpose of the eighteen months elections is so that it will be more possible that they be held in a different geographical part of the Provinces each time. At the present time it is considered best to have the spring rally in Halifax and the fall rally in Moncton, perhaps at some future date other clubs in the provinces can see their way clear to sponsor a rally.

The A.P.N.A. has already joined the Canadian Numismatic Association and will give the association its support.

Membership cards are not yet ready and will be sent out when ready. The association newsletter will be sent out quarterly until some time in the future when perhaps an increase in membership and funds warrant a monthly letter.

CLUB INFORMATION Each coin club that joins the A.P.N.A. is asked to send a copy of their newsletters each issue to the editor and also the mailing address of the club, the meeting dates of the club and the names of their officers. A listing of this information will be placed in each of the A.P.N.A. newsletters. Many collectors wish this information when they are traveling so they can either look up other collectors when they are in town or perhaps arrange to be at a club meeting when in town.

MARITIME PROVINCES BANKS

For many years the coin collectors have ignored the field of paper money and bank notes, but because of better communication amongst collectors, catalogues, conventions and coin club meetings the collector is beginning to take an interest in and collect bank notes.

The Maritime collector is indeed very fortunate in having a very rich area of banking history, not surpassed by any other area of Canada. Bank notes of all the Provincial Banks in many sterling and decimal denominations exist and are being found daily by those willing to look.

Bank notes are educational in much the same way that coins are, the collector wants to know why they were printed, where, when, how, etc. Bank note collecting takes in the history of the banks concerned in issuing the many beautiful, varied hued and many sizes and denominations of notes that abound in the Maritimes.

Of the thirty-seven banks and their 456 branches that were operating in Canada during 1897 thirteen of these banks with 102 of these branches were Maritime owned institutions.

The following Maritime bank particulars will be of interest to collectors and help give them an idea of the amount of business that these banks carried on. Their capital and business would naturally determine the amount of notes that they would issue.

FALL COIN RALLY

The Moncton Coin Club has announced that it will host the A.P.N.A. at a Fall Coin Rally to be held in the Fundy Room of the Brunswick Hotel, Moncton, New Brunswick. The date is not yet positive but will in all probability be held October 2nd, more on the date will be published later.

The Moncton Club will sponsor a luncheon for A.P.N.A. members at which time a business meeting of the A.P.N.A. will be held.

There will be bourse and exhibit space available to all A.P.N.A. members, bourse tables will be \$10. to members and \$11. to non members, the extra \$1. will be their membership dues for the A.P.N.A. Interested persons are asked to contact

CANADIAN NUMISMATIC ASSOCIATION ELECTIONS The Halifax Coin Club and the Atlantic Provinces Numismatic Association have been pleased to hear that Mr. A. Mitchel MacDonald of Armdale Nova Scotia has been declared President of the C.N.A. by acclamation, there were not any other nominations for president.

Mr. J. Pittman of U.S.A. and Mr. V. Snell of Ontario are both contesting for 1st Vice President.

Mr. Nelson C. Boltz of Spryfield Nova Scotia is running against Mr. M. Lorraine of Quebec and Mr. R. Neuparth of Alberta for the position of Second Vice President.

Mr. B. Brace, Mr. W. Griggs, and Mr. W. Lambert all of Ontario are running for Director of Ontario.

Mr. Fernald Allen and Mr. Charlie Longley both of Halifax Nova Scotia are running for the position of Maritimes Director. It certainly will be hard for A.P.N.A. members that are C.N.A. members to decide which of these two fine men to select as Maritimes Director.

Ballots will be mailed around the 1st of July to all C.N.A. members and should be returned before August 1st.

C.N.A. members can and should vote for all the positions that are contested.

All other positions not listed were filled by acclamation.

SEPTEMBER 1965 NEWSLETTER

PRESIDENT FERN ALLEN
SECRETARY BERNARD KLINE
EDITOR NELSON BOLTZ

PROGRESS The A.P.N.A. is showing a steady growth, in the June Newsletter there were listed 28 members and now there are 53 members. It had been decided to issue a quarterly bulletin because of low membership and funds but if the growth continues to hold and the funds are sufficient then the newsletters will increase, perhaps to a monthly. A start has been made on a library and the secretary Mr. Bernard Aline is acting as librarian until a volunteer or appointment shows up for the position of librarian, any volunteers? Some books have already been donated to the library by members and it is suggested that all members consider doing so, do not forget to bring or send some material for the donation auction to be held at the Fall Coin Rally in Moncton on October 2nd. There are three clubs that have joined and it is hoped that more will join shortly, get after your club executive to send in their membership. Be sure and get to the meeting of the A.P.N.A. at a luncheon at the Moncton Rally, many things are to be decided, letterhead designs, membership cards, future dues, librarian, ways of funds raising, and perhaps forming a Medal Committee to design and decide on issuing a medal each year with different Atlantic designs on one side and a crest of the A.P.N.A. always on the other side, come and present your ideas and lend your support.

C.N.A. Convention The editor was most pleased to see about two dozen collectors from the Atlantic Provinces at the Montreal Convention. There certainly is a growing interest in the Provinces, have been told that just a few years ago there was only one person usually attending from down here. Two A.P.N.A. members have been elected to serve on the C.N.A. Exec., Mr. A.M. MacDonald was elected as President and Mr. C.F. Longley was elected to serve as Maritimes Director, two well known numismatists that the A.P.N.A. are proud of.

THANKS The editor would like to thank all those that gave him their support in the recent C.N.A. election. Many friends from across the U.S.A. and Canada have pledged their support and suggested that he run again in the 1967 elections. If circumstances permit and he is again nominated he will run and will again be very pleased to have the support of the Maritime Provinces.

DO NOT FORGET TO WRITE AND SAY YOU ARE GOING TO THE
A.P.N.A. LUNCHEON

NOTICE

GRAND FALLS COIN CLUB

An organizational meeting will be held to form a coin club at Grand Falls, New Brunswick, Canada on September 20th at 7-30 pm. Yvon Cyr is trying to get together all coin collectors in the area to meet at the Knights of Columbus Hall in Grand Falls and anyone interested is asked to come, if more information is required please write to Yvon Cyr, P.O.Box 448, Grand Falls, N.B. Yvon has announced that charter members will be accepted until September 30th, no dues have as yet been determined and will be announced after the first meeting. All help and advice will be gratefully acknowledged.

ATLANTIC PROVINCES NUMISMATIC ASSOCIATION FALL COIN RALLY

October 2/65

The Moncton Coin Club is sponsoring the Fall Coin Rally on Saturday October 2nd and will run from 10am to 10pm.

Bourse tables and exhibit space is available to all A.P.N.A. members. Wooden nickels made by R.K.Mabee of the Moncton Coin Club will be given to those attending the luncheon for A.P.N.A. members. The nickels were made of pine taken from a building being demolished on Waterloo St. Moncton. The structure was one of the cities oldest schools and was built in 1890. Monctons 75th Anniversary Crest is on one side of the nickels and a steam locomotive and the number five is on the other side. Only five hundred were minted and they are not for sale but are to be given to those attending the Fall Coin Rally. Bourse tables will cost \$10., if interested write to the President of the Moncton Coin Club Mr. Dale Garland.

The Moncton club is underwriting part of the cost of a luncheon to be held for members of the A.P.N.A. at which time the A.P.N.A. will hold a meeting and there will be a Donation Auction with proceeds going to the general funds of the A.P.N.A. Anyone wishing to donate material are asked to either bring it to the Rally or send it to Mr. Garland. The luncheon will consist of Roast Stuffed 1/2 Chicken with cranberry sauce, tickets are \$2. per person.

The Rally will be held at the Brunswick Hotel in Moncton and registration will cost 50¢ per person.

Membership dues in the A.P.N.A. are \$1. per year.

Any member of the A.P.N.A. wishing to attend the dinner meeting at 6.00 pm in the Brunswick Hotel in Moncton on October 2 is asked to either fill in the form below or write the information required and mail to Mr. Dale Garland. Tickets will be \$2.(part of cost fo meal absorbed by Moncton club) and you may either remit by mail or pay at the time of registration at the October 2nd Rally.

DONATIONS

The A.P.N.A. would like to thank those that have donated material to the library. It is hoped that many more will follow suit, this is the only way that a library can be formed in a young organization that has very limited funds. The aim of the association is to have a big book library and eventually slides, films, pictures and studies all on numismatic subjects. These items are to be made available to any A.P.N.A. member or club. At the present time the associations secretary is acting as librarian until as such time as a permanent librarian can be had. Any donations or requests for the borrowing of material should be sent either to the A.P.N.A. Box 243 Armdale, N.S. or Mr. Bernard Kline 1635 Edward St. Halifax, N.S.

MERRY CHRISTMAS

Atlantic Provinces

Numismatic Association

DECEMBER NEWSLETTER

PRESIDENT FERNALD ALLEN
SECRETARY BERNARD KLINE
EDITOR NELSON BOLTZ

MERRY CHRISTMAS The editor would like to wish all the members a very Merry Xmas and a happy holiday season and hopes that Santa is good to you and brings you many numismatic parcels.

MONCTON FALL RALLY The A.P.N.A. Fall Rally held in Moncton on Oct. 2nd past was a big success and the Moncton Coin Club is to be congratulated on the fine show that they provided. Around 300 attended this one day show and delegates regestered from all over the Provinces of Prince Edward Island, New Brunswick, Nova Scotia, Ontario, Quebec and from the U.S.A. The bpurse dealers were well satisfied with sales, one dealer from the U.S.A. whom I met just this week in Halifax told that he did better at Moncton than at the recent Torex show just held recently in Toronto. The President of the Moncton Coin Club, Dale Garland made the opening remarks at the combined A.P.N.A. Luncheon and Business Meeting. Dale asked Nelson Boltz to say Grace and then turned the meeting over to Fernald Allen, President of the A.P.N.A. After the luncheon Fern conducted a donation auction and \$46. was realized and placed in the General Funds. A Constitution Committee was set up under Charles Longley with Mich MacDonald, Bernie Kline and Fern Allen being appointed to work together and draft a constitution to be presented at the next rally. The next two rallys were decided upon, the next Spring Rally to be held in Halifax, Nova Scotia on May 7th and the next Fall Rally to be held in St. John, New Brunswick, sometime in October. A Medal Committee was set up with Mitchel MacDonald, Fernald Allen, Nelson Boltz, and Pat Wetmore as chairman to bring about a medal policy for the A.P.N.A. and perhaps start with an issue of a medal at the next rally. There was not a large number of exhibits but the calibre of exhibits was very high. Cale Jarvis of Toronto was the judge of exhibits and awarded 1st place to Pat Wetmore of Halifax, 2nd place to Don Kelly of Moncton and 3rd place to Dave Carson of Moncton. Allvisitors to the show were presented with a wooden nickel made of wood from the Old Waterloo St. School built in 1890 and just demolished this summer.

RALLY cont. The school had been used as a home for many years by a Mr. Constable and his daughter now a Mrs. Watson Wilbur who also was a visitor to the coin show. Moncton's 75th anniversary crest is on one side of the nickel and a locomotive is on the other side, signifying that Moncton is a train town. Mr. R. Mabee made these nickels by hand and is to be congratulated on the fine work turned out. A special proof set, all in a presentation with one square nail from the school was presented to Cale Jarvis of Canada Coin News by the Mayor of Moncton.

1966 DUES A.P.N.A. membership dues for 1966 are now being accepted, still \$1. per year for members and \$5. for clubs. Due to a crest being designed, lack of funds and communication between distant officials our membership cards have not been sent out for 1965 but your cards will be ready by the time you have sent in your 1966 dues. Send to Mr. Bernard Kline, 1635 Edward St., Halifax, Nova Scotia.

ANNOUNCEMENT Fernald Allen, President of THISTLE COINS LTD. has announced the opening of a new coin shop on 1514 Queen St. Halifax Nova Scotia. Two other A.P.N.A. members are also associated with the store, Mr. Parker Regan of Halifax is Vice President and Mrs. F. Allen of Halifax is the Manager of this new store. All types of numismatic and philatelic supplies as well as stamps and coins are to be handled. Mr. Allen has announced that all A.P.N.A. members will be allowed a 10% discount on supplies until further notice.
Best of luck Fern and Parker.

PROOF LIKE SETS The Royal Canadian Mint has announced that orders for 1966 sets will not be accepted before January 6th 1966, any orders received before this date will be returned. They evidently are trying to prevent the debacle of last year's holiday weekend from repeating itself this year. The sets are to cost \$4. per set and be sold only in ones, threes and fives with a limit of five, the same as last year. Send orders to Coins Unlimited, Box 470, Ottawa 2. Ont.

PERSONAL We were shocked to hear that one of our members has suffered a robbery of a coin collection from his home on a recent vacation. Charles Longley, C.N.A. Maritimes Director has not been able to get back his coins as the thieves had already disposed of the coins piecemeal throughout the city before their apprehension. It was fortunate that the police have been able to lodge a conviction against the three young thieves, perhaps they have now learned their lesson and we need have no more fear of them.

1966 FALL RALLY The 1966 A.P.N.A. Fall Rally will be sponsored by the St. John Coin Club and will be held sometime in October in St. John, New Brunswick. Further details and exact date will be announced later, if interested write to
Arnold Fairbrother, 537 Tilton Ave., Lancaster, New Brunswick.

PERSONAL See where Mr. Jack Stevens, of Iron City Coins, Sydney, N.S. one of A.P.N.A.'s directors was a recent guest speaker at the Sydney Rotary Club. We trust there will be many new coin collectors in Sydney after this.

WOODEN NICKELS

Two wooden nickels have turned up recently in Nova Scotia, this type of items is increasing in the Maritimes lately. One has been issued in New Glasgow, N.S. and is $1\frac{1}{2}$ inch in diameter by $\frac{1}{8}$ thick and is printed with a copper color ink on both sides. On one side it states- WOODEN NICKEL Dont Take Any Wooden Nickels Unless Theyre Ours 5¢ Value On Any Food Purchases. The other side states- CELEBRATING OUR 20th ANNIVERSARY With Our New Second Location McRAES COPPER KETTLE RESTAURANT STELLARTON RD. NEW GLASGOW, N.S.

A wooden nickel has been issued in Cape Breton and is $1\frac{1}{2}$ inch in diam. and $\frac{1}{8}$ thick and is printed on both sides with black ink. On one side is a bison and in large letters above is WACKY/WOODEN-NICKEL and below is GOOD FOR 5¢ with a star to each side of the bottom ledgend.

On the otherside is GOOD FOR 5¢ ON YOUR NEXT ORDER, One Per Garment. VOGUE DRIV-IN CLEANERS. Sydney River.

This dry cleaning plant in Cape Breton, N.S. issued one thousand of these nickels hoping and expecting repeat business to bring them back but not one of these nickels has come back to be redeemed and so the manager has decided to give up the idea and not issue any more. It seems like everybody wants to keep them for a souvenir or a conservation piece and collectors are having a hard time to aquire any. Nobody believes that old statement, "Dont accept any wooden nickels".

A.P.N.A. SPRING RALLY

Saturday May the 7th 1966 will be a big day at the Nova Scotian Hotel in Halifax, N.S., all day from 10am to 10pm there will be exhibits, bourse and auction sessions. Those interested in having a biurse table or entering an exhibit are asked to contact the Rally Chairman Fernald Allen, 1027 Lucknow St., Halifax, N.S. Bourse tables are priced at \$10. for A.P.N.A. members, membership dues for the association are \$1. per year. It is expected that the first of the Atlantic Provinces Commemorative Medals will be on sale at this event. At least once a year and perhaps at each rally of the association there will be issued a medal to commemorate the event and some Atlantic event or place will be featured on one side. Fernald Allen, President of the A.P.N.A. has named Mitchel MacDonald as Chairman of the Medal Committee and Pat Wetmore and Nelson Boltz as his Committee; Michel reports that the permanent side design is ready and contains the Coats of Arms of each of the Atlantic Provinces, New Brunswick, Prince Edward Island, Newfoundland, and Nova Scotia; this will be the emblem of the A.P.N.A.. Each medal struck every year will have this emblem on one side and the commemorative theae each time will be on the other side. The commemorarive side only will change each issue.

Personal It is with deep regret that we have learned of the sudden death of George L. Andrews of Middleton, Nova Scotia. Mr. Andrews was member #30 of the A.P.N.A. and a very active and conscienceous coin collector and will be missed by his many collector friends.

MATHEW 2; 1-13 And when he (Herod) had gathered all the chief priests and scribes of the people together he demanded of them where Christ should be born. And they said unto him, In Bethlehem of Judea for thus it is written by the prophet..... Then Herod.... called the wise men, and inquired of them diligently what time the star appeared. And he sent them to Bethlehem, and said, go and search diligently for the young child, and when ye have found him, bring me word again, that I may come and worship him also.

The wise men followed the star and reached the manger. They fell down and worshiped him, and when they opened their treasures, they presented unto him gifts, gold, frankincense and myrrh. And when they were departed, behold the angel of the Lord appeared to Joseph in a dream saying, Arise, and take the young child and his mother, and flee into Egypt for Herod will seek the young child to destroy him.

HEROD 1 The Great was a cruel, jealous and passionet man. When he heard about the birth of Jesus he ordered the death of all the children of two years and under, he wanted no one else to be king. He murdered one of his wives, two of his sons and many council members when he became king. Herod ruled from 37 to 4 B.C. and two coins are well known of his reign, the Lepton of Herod with an anchor on the obverse and the one with a Macadonian helmet on the obverse. Many of his coins were copied from the Greeks and pomegranets, corn, eagles, wreaths, cornucopia, and snakes are found on his coins. Ancient coins are interesting and those connected with Christ, and the Bible much more so, especialy to Christian coin collectors. This story of Herod and Christ and many more interesting facts are available to collectors today in the many books on the market. One good book on this subject written by R.S.Yoeman and published by Whitmans is very reasonable in price and deals with all money of the Bible.

JANUARY 1966 NEWSLETTER

PRESIDENT FERNALD ALLEN
SECRETARY BERNARD KLINE
EDITOR NELSON BOLTZ

HAPPY NEW YEAR

The editor would like to wish you all a happy and prosperous new year, numismatically that is.

1965 has been a very active, significant year in numismatics and this year will be even more so.

Last year saw the formation of the A.P.N.A. and this year we can expect to see a steady growth of this fine organization.

1966 DUES

The A.P.N.A. membership dues are now being accepted. Dues are still \$1. per year for membership and \$5. for clubs. Send to the Secretary Bernard Kline
1635 Edward St., Halifax, Nova Scotia

A.P.N.A. CREST

The crest design has been finished, membership cards have been ordered and will be sent on receipt of your dues. The crest will be on the cards and will also be used on the letterheads of correspondence and also on the monthly newsletters, we expect by the next issue.

The crest contains the legend (ATLANTIC PROVINCES NUMISMATIC ASSOCIATION) around the top outer edge and around the bottom outer edge is (EST. MAY, 1965)

The design has the shield and flower of each of the four Atlantic Provinces on a very artistic pleasant looking arrangement.

Starting at the top and going clockwise around the design there is the Provincial Shield of Nova Scotia, the Nova Scotian Mayflower, the Provincial Shield of New Brunswick, the New Brunswick Violet, the Provincial Shield of Newfoundland, the Newfoundland Pitcher Plant, the Provincial Shield of Prince Edward Island, and the P.E.I. Lady Slipper.

This will be the reverse and permanent side of the medals to be issued for the A.P.N.A. rallies expected to be held every spring and fall in some important Atlantic Region centre, sponsored by its local coin club.

A.P.N.A. SPRING RALLY

Saturday, May the 7th will be a big day at the Nova Scotian Hotel in Halifax Nova Scotia. All day from 10am to 10pm there will be exhibits, bourse and auction sessions. Those interested in setting up an exhibit, offering material for the auction or setting up a bourse table are asked to contact Fernald Allen, 1027 Lucknow St., Halifax, Nova Scotia.

GRAND FALLS CLUB The Grand Falls Coin Club of New Brunswick have a group of active collectors, seems one meeting a month was not enough and now they meet twice, on the first Tuesday and on the third Monday of each month. They still meet at the K.of C. hall at 8pm. Elby Stevens was a recent speaker on wooden money and showed part of his wooden collection, there is a growing interest in this field in the Maritimes as well as a greater amount of Maritime issues.

HALIFAX COIN CLUB At the December meeting a new slate of officers was elected to serve for 1966. The new officers are -

President - - - Albert G. Parsons
 Vice Pres. - - Parker Regan
 Secretary - - Mrs. Doris Sleigh
 Treasurer - - - Clark Mullock
 Editor - - - - Nelson C. Boltz
 Directors - -- Mrs.A.MacAulay
 Mrs.V.MacMillan
 Roger Martin
 Bernard Kline
 Louis Collins.

CLUB NEWS The editor of this journal will use news items of the A.P.N.A. member clubs if available. Member clubs are asked to send their news bulletins each month to the editor, and if a newsletter is not published to at least send in any news as it is available. Send to Box 243 Armdale, Nova Scotia.

N.S. TOKEN A new token has just been issued, a cardboard 25¢ token was mailed recently to friends by the Thistle Coins Co. of Halifax Nova Scotia. This trade token is worth 25¢ in trade. On one side is ' GOOD FOR 25¢ IN TRADE ' and on the other side is a large thistle in the middle surrounded by ' THISTLE COINS LTD. HALIFAX. N.S. ' This 1½ inch token is printed with black ink. (round)

FUTURE RALLYS A.P.N.A. member clubs are asked to consider future dates and sponsor a rally next year or even the year after. Remember the sponsor club and local A.P.N.A. members have the choice of design for the obverse of the A.P.N.A. medal that will be issued for each event. Get some local historic place on a medal. The Fall Rally will be held in St. John, New Brunswick, hope the St. John Club and New Brunswick members are considering the design to be on the medal for their event, perhaps a view of the famous reversing falls would make a fine medal.

OAK ISLAND Robert Dunfield, the American geologist who has been digging for the famous treasure on Oak Island has filled in his tremendous hole approximately fifty feet across by one hundred and twenty feet deep and is trying a new approach. He has moved a drilling rig onto the island and will make test borings at different locations and depths before he does any more deep excavations. If he can locate the proper place to dig he then will attempt a more serious blockage of the flooding tunnels that he feels he has found.

NOVA SCOTIA HALF CENTS by Maurice M. Gould

A coin which has proved to be extremely popular during the past couple of years is the Half-Cent of Nova Scotia. Only issued for two years, in 1861 and 1864, the number minted was 400,000 each year. The only comparable piece is the half-cent of New Brunswick dated 1961, and this piece is quite rare and eagerly sought after.

With the great interest and emphasis which is placed on foreign coin collecting, the Nova Scotia Half-Cent now becomes a Type coin to collectors all over the world and in addition, these pieces are collected in the Canadian series, so that the demand has increased year by year.

At one time, these were easily obtainable in the New England area, but after checking dealers stocks, I now find that they do have an occasional piece or possibly a few in their stock.

As more and more of these go into collections, the number available continues to decrease and I have noticed over the years that a great many of these pieces have been mutilated for one reason or other, with holes, dents, etc., making them unattractive to the collector. Small coins of this sort disappear easily, some are lost and never recovered.

Both dates catalogue equally, from \$4. in Good condition, to \$35. in B.U. condition. I consider a B.U. Half-Cent a rare item today, as one can see fifty or more of Part Red or Dull Unc. to one in B.U. condition.

I look for these Half-Cents, not only to increase in value, but to become more difficult to obtain.

Maurice Gould, Member # 60 is one of our U.S.A. members very much interested in the Canadian series and is the only American to have been elected a Fellow of the Canadian Numismatic Research Society. Canadian Numismatics have long been a favorite of his.

CAPE BRETON COIN CLUB President E. A. Curtis; Secretary Miss T. Curry. P.O. Box 12 Sydney, Nova Scotia
At the last meeting two films were shown, The Story of Coinage in Canada, and The North Country of the Yukon.

CAPE BRETON COIN CLUB The club plans to hold public displays during the week of April 18th- 23rd, with some of the members appearing on T.V. to explain the displays and coin collecting in general.

GREENWOOD COIN CLUB Mr James Deyotte, a director of the club writes that the club is becoming more active and that many members are expected to be at the Coin Rally in May and some will be setting up displays.

Anyone wanting to contact the club can write to
Box 665 R.C.A.F., Greenwood, Nova Scotia.

Halifax Coin Club The Halifax club plans their Annual Banquet for April 19th at 6-30 pm and tickets cost \$3.50 each. Tickets can be purchased at the door but reservations must be made, contact the secretary Mrs D. Sleigh at Box 243 Armdale, Nova Scotia.

A.P.N.A. FAMOUS? The editor received a letter from a collector in Czechoslovakia asking that I put a notice in the A.P.N.A. News - This collector wishes to trade coins from North and South America for coins of his country and will use Yoemans Catalogue, 6th edition as the basis for trading and says that he will give large deductions from Yoemans prices.

If you want Czechoslovakian coins write to and send lists to

Jan Rafaj , P.S. Box 54 , Olomouc , Czechoslovakia.

MILK TOKEN During a recent trip to Cape Breton the editor discovered another milk token.

It was known that the Rock Loaf Dairy of Arichat used a heart shaped aluminum token with ' Good for 1 Quart of Homo Milk ' on the one side and ' Rock Loaf Dairy Arichat Phone 120 ' on the other side. These are still being used.

Not being used any longer and now very scarce is another token also in aluminum but in a triangular shape with rounded corners.

The address side is the same as the 1 quart token but on the other side is ' Good for 1 Pint of Homo Milk '.

The day I was there the manager could only find one token, enough for me, but good luck to other token collectors, hope you can locate others.

CONFEDERATION We have not as yet heard of any tokens, medals or other numismatic items being issued in the Atlantic Provinces for the 1967 Centennial celebrations.

It might be a good idea for the provinces collectors to get after their clubs, cities, provinces, banks or businesses and suggest to them to put out some numismatic item to have for postarity issued here in the maritimes. There are many slated for issue right across Canada but we have not heard of any in the east.

The Confederation series will be most popular in later years.

ST. JOHN COIN CLUB The newly elected officers of the Saint John club for 1966 are Mr. Kelly President and Mr. H.Brittain Secretary.

A.P.N.A. FALL RALLY The Saint John Coin Club has announced that they will host the Fall Rally, date to be announced later. Two rooms at the Admiral Beatty Hotel are booked, one to hold 20 bourse tables and the other for auction sessions and exhibits. A medal will probably be issued and the opposite side to the A.P.N.A. crest will possibly feature the famous Reversing Falls of ST.John.

WOODEN MONEY Two new issues for Nova Scotia are now in circulation. A one inch diameter wooden penny printed in black has been made by A. Mitchel MacDonald and given to those at the Halifax Coin Club Banquet on April 19th.

On one side is - A.M.MACDONALD . C.N.A. A.N.A. HALIFAX N.S.
On the other is - a thistle surrounded by (ONE WOODEN PENNY 1966)

The other piece is a wooden nickel made by Nelson Boltz for the Halifax Coin Club and also given out at the banquet.

This is also a one inch nickel printed in black and has on one side a Kingfisher surrounded by (HALIFAX COIN CLUB) and the other side says (GOOD FOR 5 CENTS IN TRADE)

WOODEN MONEY WOOPS • Nearly forgot, there is another wooden nickel to mention. The one given out at the A.P.N.A. Rally on May 7th at Halifax N.S.

This is a one inch diameter red printed nickel made by Nelson Boltz for the Halifax Coin Club to give out at the Rally.

One side has a Kingfisher surrounded by (HALIFAX COIN CLUB)

The other side has a large (5 CENT) surrounded by (A.P.N.A. COIN RALLY MAY 7th 1966)

Wooden money collectors will be pleased to hear that a ' History of Wooden Money ' is in preparation by an American friend of the editor and the Maritimes wooden monies will all be listed . Publication date and price will be announced when available, probably August.

MONCTON COIN CLUB Officers for 1966 are - President Dave Garland; Vice President Dave Carson; Secretary Jack MacDonald;

The Annual Banquet was held on April 23rd at the Magnetic Hill Inn with Victor Lotherington as guest speaker .

The Moncton Coin Club and the Medicine Hat Coin Club have decided to be 'Twin Cities Coin Clubs' for the Centennial year 1967 and are exchanging material.

The Moncton club has announced that they are willing to host the A.P.N.A. Fall Rally in 1967 and have already made reservations with the hotel for October.

HALIFAX COIN CLUB Fifty members and guests attended the Annual Banquet on April 19th . Many favors were given out, a wooden nickel from the club made by Nelson Boltz, a wooden penny made by A. Mitchell MacDonald, an aluminum token by Nelson Boltz good for one drink, as well as other non numismatic favors. Both The Tartan House and Thistle Coins donated prizes. The Guest Speaker was Capt. C. Holt who spoke on the History of Medals.

PUBLICITY As part of Coin Week celebrations and advertizing the A.P.N.A. Rally just held, Mrs A. MacAulay appeared on the T.V. program Dateline on channel 5 ,Thurs. April 14th; Albert Parsons appeared on the T.V. program Gazzett on channel 3 Friday April 15th and Nelson Boltz appeared on the radio program Talk of the City C.H.N.S. on Tues. April 12th. All three programs were the interview and question type giving good publicity to the A.P.N.A. as well as coins and collecting.

NOVA SCOTIA TOKEN A new token has just been released, issued by Nelson Boltz and minted in Ontario. These tokens were given to all present at the Halifax Coin Club banquet on April 19th and to all those present at the A.P.N.A. banquet on May 7th,. It is a fine way to break the ice ~~at~~ in meeting collector friends at coin shows, it is also expected to be given out at the C.N.A. show in August. Struck in two metals, aluminum is the one being given away , and two hundred only struck in brass for sale to serious collectors, at \$2. per set of one of each. Collectors not expecting to meet at shows can also buy the aluminum at 35¢ , both prices plus postage. Struck in 7/8 inch diameter, one side is enscribed ' NELSON C. BOLTZ ' in a curve around top edge, under this is a large asterix, and below this in three lines is ' HALIFAX NOVA SCOTIA ' . The other side has across the top curve ' GOOD FOR ' and at the bottom curve ' DRINK ' in the top middle is a large 1 and below this a glass or tumbler.

A.P.N.A. SPRING RALLY Another rally has past and considered a success, numismatically, if not financially, big speculative sales are past and the collectors are buying, their material and more at their price May 7th was a busy day at the Nova Scotian Hotel as bourse dealers from the three Atlantic Provinces set up their wares and over 200 visitors from the Provinces and the U.S.A. came to browse and renew old friendships with other collectors. A wooden nickel was given to all. There were not many exhibits but those shown were of a very fine calibre. First prize went to Ray Mabee of Moncton N.B. for a fine collection of Maritimes Tokens and was given a silver medal. Second prize went to Nelson Boltz of Spryfield N.S. for his Love Tokens; Third prize went to Charles Longly of Halifax N.S. for his Nevada Gaming Tokens; and fourth place went to Mrs. V. MacMillin for her Hawaiian Tokens, she is from Princes Lodge N.S., each of these received a bronze medal. The A.P.N.A. medals were on sale and close to half of each metal were sold, better buy yours before they are all gone.

Medals Only 200 bronze and 100 silver medals were struck, the silver are serially numbered and an attempt will be made to sell these to A.P.N.A. members so they can match the medal number to that of their membership number, if they are bought before the end of June, after that all numbers will be sold. The cost is \$2.50 for the bronze and \$8. for the silver, and can be bought at the Halifax Coin Club meetings, from the A.P.N.A. secretary from Thistle Coins, Queen St. Halifax N.S. or from the Medals Chairman Pat Wetmore, Wetmore Jewellery 21 Granville St. Halifax N.S. The A.P.N.A. has donated a bronze medal to all member coin clubs and would like them to show these to their members and perhaps take orders for the medals.

HALIFAX COIN CLUB The next meeting of the Halifax club will be held on June 1st at the Nova Scotian Hotel at 8pm. Auction material donated at the A.P.N.A. Rally will be auctioned off at this meeting, proceeds for the A.P.N.A.. There was not sufficient time at the rally to auction off all the material that was donated.

DONATIONS We wish to thank the following who kindly donated material for the donation auction - Albert Galbraith, Dale Garland, Iron City Coins, Elliott Fineberg, Mrs MacLean, Wendal Oliver, John Tolson, Don Selig, Bliss Leslie, Vic Lotherington, Harry Williams, Thistle Coins, Doug Ferguson, Browne & Lilley, Bud Winchester, Al Parsons, Clarke Mullock, and Nelson Boltz. Hope nobody was missed.

LOUISBURG TREASURE One of our members, Jack Stephens of Iron City Coins in Sydney N.S. was consulted by the men finding the treasure. Jack viewed and appraised the coins and has mentioned that much of the silver is not in a state suitable for collectors and will possibly be encased in plastic and sold as souvenirs. High values in the press were given for coins values had they not been destroyed by the actions of salt water and by people not seeing the coins.

JULY NEWSLETTER

PRESIDENT F.C. ALLEN

SECRETARY B.G. KLINE

EDITOR NELSON C. BOLTZ. 25 HONEYDALE CR. SPRYFIELD NOVA SCOTIA

P.E.I.N.A. The next meeting of the Prince Edward Island Numismatic Association will be held at the Y.M.C.A. in Charlottetown on Wednesday evening September 7th at 8 pm. Members and friends are asked to bring some numismatic item acquired during the summer and perhaps be prepared to tell some interesting feature about it or finding same. Members of the club express the opinion that a good design for the 1967 dollar would be a relief map of Canada.

PERSONAL Mrs Rosamund Allen, manager of Thistle Coins Ltd., Halifax and wife of A.P.N.A. President Fernald Allen has returned back to work after having undergone surgery at the V.G. Hospital.

DONATION AUCTION At the A.P.N.A. Rally in May there was not enough time to auction off all the material donated for the Donation Auction so the balance was sold by auction at the June meeting of the Halifax Coin Club and the total realized from both sales for the A.P.N.A. general funds was \$34. In the last newsletter the names of Roger Martin and Charles Longley were inadvertently omitted from the list of donors, please excuse.

HALIFAX COIN CLUB Members and guests at the July 6th meeting of the Halifax Coin Club enjoyed a new type of Numismatic game. Nelson Boltz conducted a charade type of program similar to 'Its Your Move' of T.V. fame. All the subjects to act out were of numismatic items or terms. Imagine the fun of acting out - Love Tokens, Flying Eagle Cent, Sweating Coins, Milk Tokens and many others. After a short intermission an auction was conducted by Fern Allen. The door prize of a B.U. 1966 Canadian Silver Dollar was won by Pat Wetmore. The club has decided to issue a Centennial Medal for 1967 and a competition will be held, all Halifax Coin Club members are eligible to submit designs for either or both sides and there will be suitable prizes awarded for those selected.

CLUB PROGRAMS Clubs that are having a problem to arrange programs for their meetings are advised that if their club is a member of either the Canadian Numismatic Society or the American Numismatic Society they can borrow movies, slides and film strips on coins.

DRINK TOKENS

The Good for One Drink tokens of Nelson Boltz listed in the last newsletter have been eagerly sought after by American collectors as a result of the publicity given in Coin World. A typographical error in the last newsletter listed the set at \$2. and this should have said \$1. per set. Seems like there are more token collectors of Canadian material ~~0000~~ in the U.S.A. than there are in Canada.

Wooden Nickel

Another wooden nickel has been discovered in Nova Scotia. This is a 1½ inch diameter round nickel and printed in black. One side has a large bison in the middle facing left, surrounded by a circle and around this in large letters ' ONE WOODEN NICKEL 5¢ ' The other side has seven small lines ' Good For 5¢ in Trade At BLIGH RADIO Quinpool Road Halifax, N.S. Made in U.S.A. ' There have been 3000 of these issued in the past ten years, but collectors here have not noticed them until now, it really shows that we have to be more on the ball. Maybe us collectors locally are not hepcats or possibly we would have seen them sooner, the nickels are given out mainly to the younger set on record purchases and are redeemed on future record sales.

A.P.N.A. MEDALS

There are still a few of the Spring Rally Medals left, if you do not soon order yours it will be too late, there were only 100 silver and 200 bronze minted and so are going to be eagerly sought after. Bronze are \$2.50 and the silver are \$8. order from Mr. C.F. Wetmore, 21 Granville St. Halifax, Nova Scotia Wetmore Jewelry.

DONATIONS

The A.P.N.A. would like to thank Mr. Somer James, President of Regency Coin and Stamp Co. of Winnipeg, Manitoba for his donation to the Association. Mr. James has sent a copy of ' The Canadian Coin Cabinet ' reprint, by Joseph Leroux, as well as eight copies of the ' Guide Book of Canadian Coins, Paper Currency, and Tokens ' by H.C. Taylor and Somer James. These books are to be awarded as prizes at the next rally.

EDWARD C. BLACK
VICE PRESIDENT A.P.N.A.

It is with deep regret that we announce the death of Edward C. Black. Mr. Black was member #2 and Vice President of the Atlantic Provinces Numismatic Association.

A collector of very fine coins and rare paper money and was not content just to collect but devoted much time in research, particularly on Prince Edward Island banks, history and bank notes. Photography was also a serious hobby and was combined with numismatics to produce many fine slides and photographs of coins, medals and bank notes. The coin clubs in Summerside and Charlottetown will surely miss the guidance of Edward C. Black.

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel and with the trump of God; and the dead in Christ shall rise first; Then we which remain shall be caught up together with them in the clouds to meet the Lord in the air; and so shall we ever be with the Lord. 1 Thessalonians 4/ 16-17 .

The death of Mr. Black was brought to the attention of your editor after the newsletter had been printed and ready to mail, so please disregard the first item on page one about ordering the slides and photos.

The editor would appreciate hearing all Maritime news on time, please help.

COLOR SLIDES Edward Black has donated a set of color slides of the recent A.P.N.A. medals to the association archives. Mr. Black advises that a pair of these slides, one obverse and one reverse are available from him at \$1.00 per set, plus postage. He also has black and white glossy photo prints of these also, the reverse and obverse both being on the same print at 25¢ plus postage. Send to Edward C.Black 5 Windsor St., Charlottetown, Prince Edward Island.

FALL RALLY INVITES The New Brunswick Travel Bureau is sending out tourist publicity packets along with a personal invitational letter from Stephen Weyman, Mayor of St. John, welcoming delegates and coin collectors to attend the Fall Rally of the A.P.N.A. to be held in Saint John on October 1st 1966 .

A.P.N.A. MEDALS Pat Wetmore informs that there are still a few of the Spring Rally Medals left. Silver are \$8. and bronze \$2.50 each. send to C.F.Wetmore, Wetmore Jewelry, 21 Granville St., Halifax, N.S.

HALIFAX COIN CLUB The next meeting of the Halifax club will be held on Wednesday August 3rd at 8 pm. Some sort of coin quiz or game will be held and a table auction will be conducted instead of the usual coin auction. The September meeting will be held on Wednesday September the 14th at eight pm and will consist of reports on the C.N.A. Convention in Winnipeg and probably some souvenirs, coins and pictures from the event will be shown. Both meetings are to be held at the Nova Scotian Hotel in Halifax.

FALL RALLY The Saint John Coin Club is sponsoring the Fall Rally of the A.P.N.A. to be held in the Admiral Beatty Hotel, St. John, N.B. The doors open at 10 am and close at 10 pm, bourse dealers and those with exhibits can set up at 9 am.

The club regrets that it cannot provide cases for dealers or those exhibiting.

Admission is 50¢ and a wooden nickel will be given .
Send in your application blanks provided in last newsletter.

HEADLINES

The Suburban Mirror, a Nova Scotian weekly newspaper recently gave a front page spread to your truly about his wooden money activities and has brought new items for my collection as well as information not previously known to collectors.

NOMA SCOTIAN MEDAL

One of the items brought to light as a result of the wooden money article mentioned above is a commemorative medal or token or numismatic calling card.

This is a one inch aluminum round token issued to commemorate the birthday, the fourth anniversary of the opening of the British - American service station on Herring Cove Road in Spryfield, Nova Scotia. The manager Mr Clyde Chambers said he became interested in this sort of thing when a traveler gave him a Daisy Dollar, a large token, advertizing the well known air guns and rifles.

He had 500 of these tokens made in 1961 and gave them away to good customers shortly after, is it not strange that these things sometimes take years for collectors to hear about, sometimes too late to even see or aquire any.

Only one side used, the other being blank except for a raised edge.

In an outer circle is CLYDE CHAMBERS B/A STATION SPRYFIELD, N.S. and in the inner circle is 4th ANNIVERSARY 1957 - 1961

There is a small loop at the top.

BOURSE DEALERS

Two A.P.N.A. members, Albert Galbraith of Moncton, N.B. and Jack Stephens of Sydney, N.S. have already reserved bourse tables for the Canadian Numismatic Association Convention to be held in Winnipeg August 25 to 27th and will be taking along their families for a complete vacation. Both issue a welcome to all Maritimers to call at their tables and exchange pleasantries and look over their wares.

THANKS

Fernald C. Allen, A.P.N.A. President would like to officialy thank all those members that helped to make the third rally at Halifax such a great success.

CENTENIAL PROJECT

An American member of the C.N.A., a serious collector of Canadian material, Mr. Richard Becker has appealed to Maritime collectors to help him in his Centennial Project.

Mr Becker is attempting to assemble as much data as possible concerning Decimal coinage and that period of history concerning some of the four Atlantic Provinces. All information about the need, conception, minting and all relevant data about the decimal coinage will be welcome and personal correspondence with Maritimers will be greatly appreciated.

Write Mr. Richard Becker. 150 Westminster Rd., Rochester 14607, N.Y.

DONATION AUCTION

There will be a donation auction with all funds going to the A.P.N.A. at the Fall Rally in St. John in October. Members wishing to donate material for this event are asked to send same to the Secretary Mr. Bernard Kline

1635 Edward St. Halifax, N.S.

Do not forget the Fall Rally in St. John on October 1st at the Admiral Beatty Hotel, send in your reservations early.

CENTENIAL COINAGE

Maritimers and particularly Maritimes collectors are very proud that a Maritimer, Alex Colville of Amherst, N.S. and Sackville N.B. was commissioned to design the six coins to be used for the 1967 Centennial year, but on the other hand we are very much disappointed that the government never stuck to its original plan to select designs submitted by the public in the competition that was announced with awards to be given for each design selected. They felt that none of the designs submitted were good enough and so then commissioned Mr. Colville to design all six coins. We wish to say that the six designs certainly have merit, for a coinage in perhaps 1968 and onwards but that a more representative design of Confederation could have been used to celebrate our countries birthday.

COUNTERFEITING

As the coin collecting hobby became more famous, as coin dealers became more prevalent, as coin speculation grew, so also did the coin thieves and other undesirable elements creep into and prospered in this fine hobby of ours.

Counterfeiters took an interest in the coin boom and have created many coins good enough to fool many collectors and even dealers. As rare coins were found to be counterfeit, expert numismatists were able to detect and publish details to inform the average collector. Now it has been noticed that the counterfeiter has turned to making mint errors, varieties and oddities. The average error collector is being bilked and not many serious numismatists are interested enough in errors to bother and uncover these fakes in the same respect that they do with rare coins.

Counterfeit double struck coins, coins struck outside the collar, flip coins, and clipped planchet coins are only a few of the items being passed onto the unsuspecting fido collector, remember the old saying, buyer beware.

The mint is a large metal producing machine shop and there are thousands of machine shops across the country that can imitate the items that come from the mint. Many of the errors, flips, double struck and clipped planchets around lately are very clearly seen to be fakes, some do not even need a glass to be detected.

Coins are not alone in this, paper money errors are also easily faked; Off color notes are done with various chemicals, detergents and gases, and notes without serial numbers or other missing parts are easily done by the same and other methods.

These items are perhaps collectors items, some consider anything collectable but one should not pay enormous prices for these things and if known should not be passed or displayed as the real thing. But remember, that if no-one bought the counterfeiters wares he would soon have to seek other fields.

SCRIPT

The White Rose Service Station, Herring Cove Rd at Sussex St in Spryfield N.S. has issued two values of script. These notes are given at 5¢ on a dollars purchase at the station and are redeemed on a car wash. The notes are printed in black on a pinkish cheque paper and are 2 $\frac{3}{4}$ inches by 5 inches with values of 5¢ and 10¢.

The value of each note is in circles at the four corners connected by a fancy border. The legend in five lines states 'CAR -TRUCK WASH COUPON THIS COUPON WILL BE REDEEMED AT FACE VALUE ON A WASH JOB AT 25¢ CAR - TRUCK WASH 385 HERRING COVE ROAD - SPRYFIELD, N.S.'

TRADES An American friend has written a request for Canadian collectors to trade coins. A collector of World Type Sets, American coins, and Canadian coins, is seeking mainly Canadian material and has plenty U.S.A. trading material to trade.

ADDRESS CHANGE

Mrs. Joan Garland 195 Purdy Ave. Moncton, N.B.

AUCTION An auction will be held at the Rally in St. John between 3 and 4 pm and one in the evening if time and material permit.

COIN BATTERY

In the event that you are captured by the enemy in any future war and are a coin collector and know a little about electronics you will be able to communicate with the home lines.

Most radios and transmitters require direct current which your captors might not be willing to provide. If you have a few radio parts, (perhaps these can also be improvised), and a few coins you are all ready to transmit.

Silver coins will provide a suitable source of D.C. power, a silver 10¢ piece will provide approximately .5 of a volt at 50ua, a silver 25¢ piece will deliver around .6 of a volt at 100ua, and a silver 50¢ piece will provide .7 of a volt at 125ua. Coins (cells) placed in series will produce higher voltages and if connected in parallel will give the higher current required.

To make the battery, first clean the coin, (heaven forbid if you want it for your collection when you return home), then hold a piece of thin absorbant cardboard or heavy paper soaked in salt water against one side of the coin. A wire touching the wet paper and another touching the other side of the coin will provide the two terminals of your battery. An elastic band can be placed around the lot to hold the paper and wires in place against the coin, of course there are many conductive cements that will also do the job.

The battery will operate and remain charged as long as the paper is kept wet with the saline solution.

In this modern electronic age there are many transistor oscillators available that can be operated from a silver coin as the only source of power.

P.E.I.N.A.

The next meeting of the Prince Edward Island Numismatic Association will be held at the Y.M.C.A. in Charlottetown on Wednesday evening September 7th at eight pm.

MONCTON COIN CLUB

At a recent meeting of the Moncton Coin Club Albert Galbraith was presented with a Canadian Numismatic Association plaque for his outstanding guidance and contributions to the club. A gold coin was awarded to Ray Mabee for his winning display of Atlantic Provinces Tokens.

Meetings are held on the first Thursday of each month.

HALIFAX COIN CLUB

The last meeting of the Halifax Coin Club was held on August 3rd at the Nova Scotian Hotel.

A coin identification game was held and Mrs. V. McMillin won a 1964 BU Canadian silver dollar as first prize for identifying 14 out of the 20 coins passed around.

A fair size auction was conducted by Fern Allen, all items had been required to have a reserve marked on them and it was felt by the members that this was not desirable so it was moved to drop the compulsory reserve that was tried for this one night and revert to the old method of optional reserves.

The door prize of a 1966 BU Canadian Silver dollar was won by Max Rafuse.

NAME CHANGE

Owing to an error somewhere along the line one of our members was listed as a Miss Carrol H. Snell. This should be changed to Mr. Carrol H. Snell.

KEITH TOKEN

The brewery firm of Keith and Sons Ltd. was formed in 1821 by the Honorable Alexander Keith. The firm relied on local farmers to provide the grain to make their brew and each farmer was given tokens as part payment for his grain. All farmers raised pigs at that time and the wet grain mash (residue of brewing) made excellent pig feed. At that time the wet mash would have had to have been carted away as garbage so the policy of the firm to give tokens good for wet mash served two purposes, it provided part payment for the grain bought and also served as an outlet for the residue scrap wet mash. To-day there are other manufacturing methods of by-products for getting rid of this residue wet grain. Each token was good for one barrel of wet grain and there were two issues of tokens, each made of brass with incuse lettering. The first issue reads 'ONE BBL. GRAINS. A. KEITH & SON', there is a large blank field in the centre with a dot in it. The second issue has the same legend although not spaced the same and in the middle is a number instead of a dot, each token having a different number. The number system was used as an aid in accounting, keeping track of who received and redeemed the tokens. These tokens are about 1 5/8 inch in diameter but the first issue is around 1/32 larger than the second and is only about 1/32 thick whereas the second issue is about 1/16 thick.

The Keith brewery was bought out by the Oland and Son Ltd. brewery firm in 1927 from the executors of the Honorable Alexander Keith estate.

The old stone brewery on Lower Water St. Halifax is much the same as it was over 100 years ago although the inside has been modernized. The fine old residence built by Hon. A. Keith on Hollis St. adjoining the brewery is also much the same as when built in 1830, a small addition having been made since the Head Offices of the Oland company have been located there.

The use of the wet grain tokens were discontinued when the firm was bought out by Olands and most of them were redeemed then lost or destroyed, although the Oland firm has a few stes left among their historical artifats.

HALIFAX COIN CLUB

The next meeting of the Halifax Coin Club will be held at the Nova Scotian Hotel September 14th at eight pm. The program will consist of reports of the Canadian Numismatic Association convention by members that will be attending. A table auction will be tried for a change instead of the ordinary type of auction. Members are asked to bring a display and there will be a prize awarded for the best display.

A.P.N.A. RALLY

Remember to send in your reservation to attend the dinner, reserve your bourse table, reserve your exhibit space. The place, The Admiral Beatty Hotel in St. John, New Brunswick. The time October 1st fom 10 am to 10 pm. Admission is 50¢ and a wooden nickel will be given. Prizes will be awarded for exhibits. An auction from 3 to 4 pm. GOSPEL TRUTH

We are told in the scriptures that if we hear anyone preach in the name of God or Christ that we should not accept their word as truth but 'should try their word with this word', and if it is not so to reject it'. In other words we are told to search the book (scripture) to verify the facts given.

This same method should be used by collectors and numismatists, sometimes a mistake can be produced by the slip of a pen in writing or type in printing, a mistake in copying, these and other reasons can produce a serious error and might be accepted by generations of collectors. A library of related books is a must for collectors if they wish to be correctly informed.

To illustrate a point - In the August 29th 1966 issue of Numismatic News there is a rather glaring error that might possibly be accepted by many collectors, particularly the American collectors as they are the principal readers of this publication.

On page 20 is an article entitled 'Canadian Commentary; What are coins made of, Part 2.' Under the sub heading Steel, this statement appears, 'To-day in Canada the five cent piece stay bright and shiny as they are made of steel with a chromium finish'.

On checking with the Standard Catalogue of Canadian Coins by J.E. Charlton and also the Royal Canadian Mint Reports of various years we find that the Canadian five cent coins were made of nickel from 1922 until 1942. In 1942 and 1943 an alloy called tombac was used and then the first steel 5¢ piece to be struck was in 1944 and again in 1945. Nickel was used in 1946 until 1951 when both a nickel and a steel 5¢ piece were struck. Steel was then used until 1954 but in 1955 pure nickel was again utilized and has remained until the present day.

In the 45 years that the mint has made the large 5¢ piece, there were 37 years that a nickel 5¢ piece was issued, one year of a tombac 5¢ piece, one year of both a tombac and a nickel 5¢ piece, one year of both a steel and a nickel 5¢ piece, and only five years of a steel 5¢ piece alone being issued.

Nickel has been in continuous use the last twelve years but the previously mentioned article leads us to believe that the Canadian 5¢ piece is made of steel to-day.

MARITIME NEWS

Members from some of the Maritime clubs have asked why there is not much or perhaps no news about their club in the A.P.N.A. Newsletter. It is very simple, their club officers or the members themselves do not send any in to publish.

Club members should remind their officers to send in news or do it yourself, if your club has a newsletter send a copy along to the A.P.N.A. Editor.

If your club does not have a newsletter, think about using one, there are many advantages. The newsletter keeps the club informed, holds the club together, the members know what future meetings hold in store, those that miss a meeting know what happened, and most of all it will increase membership.

The Halifax Coin Club has found that as members move away they still keep up their membership in order to receive the newsletter.

The Halifax club has also many members across the continent that have joined just to get the newsletter. The extra time, effort and expense really pay dividends, if the press is on your mailing list it will also give the club lots of free publicity which will help increase membership. If the club is well known people will join.

A.P.N.A. FALL RALLY

Have you sent in your reservations for the luncheon to be held at the rally in St. John on October 1st.

The St. John Coin Club, your hosts, have all in readiness to receive you at the Admiral Beatty Hotel. Do not forget to send or bring some item for the Donation Auction, proceeds for the A.P.N.A. kitty.

HALIFAX COIN CLUB

The next meeting of the Halifax Club will be held October 5th in the Nova Scotian Hotel at 8pm. The program will consist of a table auction and social evening, a prize will also be given for the best token display of the evening.

A.P.N.A. MEDALS

Those that have yet to purchase the Spring Rally medals had best hop before it is too late, there are only a few left. Silver medals are \$8. each and bronze at \$2.50 each.

FALL RALLY The Saint John Coin Club is to be congratulated on the fine show that they put on at the Admiral Beatty Hotel in Saint John New Brunswick on October 1st.

Thirteen dealers were there at 9 am to set up their tables and they all reported exceptional sales, better than at previous rallies, evidently coins are on the upward trend again in the Maritimes. Close to two hundred and fifty registered for the all day event and a wooden nickel struck especially for the event was given to all. Door prizes, coin encased plastic pendants for the fair sex, and coin encased plastic letter openers for the men were given out at different times of the day to those present and holding the winning tickets drawn.

At six oclock a luncheon was held in conjunction with a business meeting of the A.P.N.A. and an election of officers for the next eighteen months took place as well.

The displays were of an exceptionally fine nature and gave the judges a hard time to select the winners.

A donation auction was held during the luncheon with proceeds going to the A.P.N.A. and \$40.00 was realized through the generosity of the donors, bidders and the auctioneer President Fern Allen.

A minutes silence was observed for Ed Black (former Vice-President) and George Andrews, two members who passed away within the past year. Two Saint John stores donated award cups for displays, Calps Ltd. Clothing Store, Charlotte St. doated the Best of Show Award which was won by Nelson Boltz of Halifax for his display of Love Tokens; Manchester Robertson Allison Ltd. Depatment Store on King St. donated the Second Best of Show Award and won by Albert Galbraith of Moncton for his display of paper money.

Peter Classen did a fine job in his production of the wooden nickels given out as souvenirs and many a wooden money collector has been created as a result of these fine nickels. It is believed that these are the first ever issued with a reeded or milled edge, the reeding being achieved by planing the edges of the boards with a tooth plane before they were sliced into slugs to be printed, only 250 were made so this will be a very scarce issue sought after by woodnics.

One side of the nickel has on the New Brunswick Crest, the date 1966 and the words COIN SHOW; the other side has the top half of a Loyalist man holding a sign saying ' ROYALIST CITY SAINT JOHN N.B.' and beside this is a large 5¢ WOODEN NICKEL. After printing in black ink these pieces were soaked in hippo oil in order that the pure white native maple would not become stained or dirty looking from handling. Measurements are one inch by one and five eights inchs by one quarter

HOBBY SHOW

It has been announced by the Dartmouth Business and Professional Womens Club that they will sponsor an exhibit of hobbies as a Centennial project for 1967.

Mrs. Verna Gentles, program convener, will be chairman of the project, being assisted by Mrs. Helen Bennett, Miss Alice Baker, Miss Teresa O'Regan, Mrs. Agnes Strum, Mrs. Ruth Poirier, and Mrs. Veda McSweeney.

Dates and details will be announced when finalized, all hobbies are welcome and it is hoped that Dartmouth coin collectors will start planning now to make a good showing, perhaps this will get coin collectors together and start a coin club in Dartmouth.

DARTMOUTH CENTENIAL MEDAL

The Dartmouth Museum Society have been investigating the possibility of issuing a Centennial Medal for 1967 and dates and details will be published as they are available.

HALIFAX CENTENIAL MEDAL

The Halifax Coin Club will issue a medal to celebrate the Centennial in 1967 and have announced a competition to select designs. The competition is open only for club members and there will be an artist judge, an archivist judge and the club itself will help decide the best designs.

The medals are to be struck in both bronze and silver.

The designs are to be submitted to the Medal Chairman A. Mitchel MacDonald and must be a six inch diameter drawing and be of such a nature as to be able to be reduced in size to the 1½ inch medal size. First prize will be the Centennial Proof Like Set containing the \$20. gold piece, second prize is the Centennial Proof Like Set containing the silver medal.

HALIFAX COIN CLUB

The Halifax Coin Club will hold their election of officers to serve in 1967 at the December 7th meeting at the Nova Scotian Hotel. The Annual Donation Auction with proceeds for the Red Feather campaign will also be conducted at this meeting.

TRAVELLERS

Four of our members attended the New England Numismatic Association in Auburn Mass. U.S.A. on October 14th - 16th.

Maurice Gould of Boston, noted numismatic lecturer and author, Al Galbraith of Moncton, bourse dealer; A. Mitchel MacDonald, President of the C.N.A.; and Nelson Boltz of Spryfield N.S. all reported a good time and that coins were moving very well. Nelson Boltz won a first prize ribbon for a display of tokens.

IRON CITY COINS

Coins are on the upward trend so much in the Maritimes that members Jack and Ameta Stephens of Sydney N.S. have had to expand their business. Mrs Stephens had been manager of a small coin and stamp shop with Jack giving a hand when necessary. Business has been so good that they have been compelled to move to larger quarters and Jack has resigned from his building supply business and has moved in with Ameta full time.

The Stephens welcome mail trade at Box 131 Sydney, N.S.

Jack appeared recently on the 1 hour TV program 'Talk Back' on Station CJCB Sydney N.S. The station reported a greater listener reaction than for any previous show it has ever had, evidently coin collecting is again on the upward trend in Sydney.

FUTURE RALLIES

First choice for the spring rally of the A.P.N.A. has been given to the Sydney Coin Club. They are at present investigating whether it is possible and feasible to be held there and will possibly give us their answer by next month. If not, then the Halifax Coin Club will have second chance, the rally will probably be held in May regardless of where. Will let you know soon.

The fall rally will be held in Moncton sometime in October and the Moncton Coin Club are well along with their planning. More on this also when we have all the details.

These are 1967 rallies, should be good centennial projects.

Moncton Coin Club

The Moncton club meets the first Thursday of each month at 8pm in the Y.M.C.A., Highfield St. The club is seriously considering issuing a centennial medal, perhaps in partnership with the city of Moncton, more on this later.

CPE BRETON COIN CLUB

The Cape Breton Coin Club meets every third Wednesday at 8pm in the Y.M.C.A. in Sydney. At the Sept. meeting Jack Stephens, A.P.N.A. Vice-President, gave a report on his trip to the C.N.A. Convention in Winnipeg. Iron City Coins turned their shop over to the club for next May so that members may set up a large coin display for the public, this might tie in with the possible A.P.N.A. May Rally.

Mr. Harold Hannigan recently found a Nova Scotia penny while picking berries in an old overgrown field in the country, maybe there is more buried nearby.

T.V. SHOW

One of our members from Halifax, Cecil Dickinson was recently on the C.B.C. channel 5 Gazette show with Don Tremaine and gave a good deal of information on South American and ancient coins.

HALIFAX COIN CLUB

At the September 7th meeting of the Halifax club A. Mitchel MacDonald gave a report of the C.N.A. convention in Winnipeg. Mitch noticed that the sales of medals tokens and paper money were very active and prices rising but that decimals were still not moving very good. He also mentioned that the Ottawa club is very much active in their preparations for the 1967 C.N.A. convention and that plans include a tour through the mint. Mitchel was presented with a scroll from the Mayor of Winnipeg and named an Honorary Citizen of Winnipeg.

Secretary Doris Sleight won the coin book prize for best display of the night with her display of Irish coinage.

The silver dollar door prize was won by R.G. Powell. The door prizes and displays with prizes are now a regular feature of all meetings.

Pat Wetmore, Medal Chairman of the A.P.N.A. Spring Rally Medal was given a vote of appreciation for his personal efforts in disposing of the medals so that the A.P.N.A. would be able to repay the loan back to the Halifax club for the financing of the medals.

The A.P.N.A. funds were not sufficient to have the medals struck so the Halifax club offered the loan at no interest and they have now been repayed, largely due to the efforts of Pat.

Roger Martin, Halifax club member and A.P.N.A. member has recovered from a recent serious operation and is now back in circulation.

HALIFAX COIN CLUB

There were 30 present at the October 5th meeting of the Halifax Coin Club held at the Nova Scotian Hotel. A table auction was held instead of the usual type of auction and members indicated a desire to repeat this type again in the near future. The display prize was taken by Valerie McMillin for her display of Nova Scotian and British Columbia Milk Tokens. The club would like to see more members take part in the displays. The silver dollar door prize was won by Roger Martin. Near the end of the program coffee and cookies were served to all present.

CAPE BRETON COIN CLUB

The coin club in Sydney N.S. meets the third Wednesday of each month at the Y.M.C.A. at 8pm. At a recent meeting Donald MacLeod related how he acquired a key American coin. Donald works at the local steel plant and while working at the steel docks he boarded a Greek ship hoping to purchase some Greek coins. After making his purchases from a crew member he had some change coming back and the seaman asked him if he would take some U.S.A. money and then gave him a U.S. half dollar which turned out to be a 1938 D, one of the keys in the series. Who needs a metal or treasure locator with that luck.

CANADIAN COIN SPECS.

On the first page of the October newsletter in the article headed 'Gospel Truth' your editor gave some facts about Canadian five cent pieces. Dr. C. A. Herbin, a member from Arichat N.S. has written and offered further information on all coins of Canada saying that the members would probably like to have all this in one table. The next page contains all the specs.

CANADIAN COINAGE SPECIFICATIONS

This coinage information is hard to find assembled together in one publication.

The inaccuracies pointed out by your editor has prompted Dr. Herbin to offer this further information on Canadian coins besides the 5¢ data previously listed.

DARTMOUTH MEDAL On Monday November 7th, the Dartmouth Centennial Committee authorized the sum of \$225. for the Dartmouth Museum Society to purchase a set of two dies to produce a series of centennial medals. Hugh Conrod, of the Museum Society has announced that the purpose of the medals was to raise funds in order to re-establish the old Quaker home in the city park.

DR. C. A. HERBIN The editor would like to thank Dr. Herbin for the Canadian coin information listed on the second page of this newsletter. We had heard that he was ill but presume that he is feeling well again as he has not mentioned any bad health in the last two letters received by the editor.

CAPE BRETON COIN CLUB The Sydney club has considered the suggestion from the A.P.N.A. that it hold a Spring Rally in May of 1967 but feels that it is too soon for them to work out details. The Secretary, Miss Theresa Currie has informed us that they would be prepared to hold the Fall Rally of October 1968. This request will be considered by the executive and perhaps cannot be decided upon for sure until the next general meeting which will be at the Spring Rally of 1967. The Sydney club meets each third Wednesday of the month at 8pm in the Sydney Y.M.C.A. building.

GOLD COIN There has been a gold coin advertized for sale in the newspapers of the Maritimes provinces. Members are to be reminded that this is an English gold sovereign minted in England and not to confuse this coin with the Canadian Centennial Gold coin to be made and issued with the 1967 Proof Like Sets. The Canadian gold coin will not be issued separately but some persons might be misled into buying the advertized coin because the address to order the coin from contains the word Centennial.

HALIFAX COIN CLUB The Halifax club as part of each meetings has a part of the program set aside for displays and gives an award each night. Starting with the November meeting the prize is a \$5.00 credit note for books or supplies at Thistle Coins Ltd. These credit notes are being sold to the club at cost, certainly a generous gesture on the part of Thistle Coins.

COIN ROBBERY Members are reminded that it is good numismatic manners to report any suspicious offers of coins to the proper authorities. Most persons believe that the coins stolen from Leon Neima Jewellers have been spirited out of the province but in the event that you see or hear of any shady deals or offerings it is for the best of the hobby that you do your duty and report it to the police.

DARTMOUTH MEDAL We have learned more about the Centennial Medal that the Dartmouth Museum Society is to issue for 1967. There will be only 200 serially numbered silver medals sold at \$10. each and 2000 antique bronze sold at \$2. each. A small brochure will go with each and will describe the significance of the city's coat of arms which is on one side of the medal and of the old town crest which is on the other side.

TOP PC OFFICE The Presidency of the Progressive Conservative Womens Association came to Nova Scotia for the first time and was won by Mrs. Isobel MacAulay.

A very active grandmother of six boys and a girl, Isobel is active in nearly anything you can name. Mrs MacAulay has been in business about 20 years and is President of Tartan House Ltd. of Halifax, Yarmouth and Cape Breton. She is a member of the Halifax Board of Trade, the Nova Scotia Centenary Committee, a member of the Atlantic Province's Economic Council and the Voluntary Economic Planning Committee of Nova Scotia, has been very active in the St. John Ambulance work and holds the Order of Dame of Grace.

Isobel was President of the Nova Scotia Progressive Conservative Womens Association for 1964-66, president of the Halifax Downtown Businessmens Association, president of the Soroptomist Club of Halifax, executive office on many other organizations, and chairman of the provincial Council of Womens Trade and Professions Committee.

Besides being so busy, Isobel has a hobby, you guessed it, coin collecting.

She is a long time member of the Halifax Coin Club, a director for many years and was Chairman of Hospitality for the C.N.A. Convention held at Halifax in 1964. She is a member of the C.N.A. and most important of all she is a member of the Atlantic Provinces Numismatic Association.

We wish the best of all to Isobel in her new position.

CAPE BRETON COIN CLUB Over 75% of the members of the Sydney club attended the October 19th meeting at the Y.M.C.A. After the business session a donation auction was held and was very successful and it was decided to hold a donation auction as well as the regular auction at every meeting.

After the auction, Jacj Stephens told an amusing story about a 1937 Canadian cent that he had donated for the auction. It turned out that the successful bidder had admired the same coin at Jack's coin store and felt that the price of \$1.95 was too much but ended up buying the coin for \$3.50 at the donation auction.

Jack Stephens announced that Iron City Coins will give a 10% discount on all coin supplies to members of the club.

MONCTON COIN CLUB The Moncton club meets on the first Thursday of each month at 8pm in the Y.M.C.A. on Highfield St. The president Dale Garland reports that discussions are still going on about issuing a centennial medal but that nothing has as yet been finalized. Dale also says the club is proceeding with plans for the A.P.N.A. Fall Rally in October 1967.

KINSMAN WOODEN NICKEL

The Kinsmen of Moncton issued a 1@ $\frac{1}{2}$ inch round wooden token in June of this year. This token is $\frac{3}{16}$ inch in diameter and printed in red ink. The value is not marked but they sold at 50¢ each, they were used as bar checks worth 50¢ each, seems there is some liquor law in New Brunswick that made some sort of token necessary to sell drinks legally at their convention in June 1966. On one side is a large 7 and a devils fork above some flames and it says " be in 7th heaven. GOOD FOR. 1 jab Devils Brew". On the other side is a laughing devils face and it says " have a good time ha ha ha ha" and also " District 7 Kinsmen Convention Moncton N.B. June/1966".

HALIFAX COIN CLUB

Forty-five members and guests attended the Nov.7th meeting of the Halifax club held at the Nova Scotian Hotel. Preliminary judging of the clubs centennial medal was conducted and the designs submitted showed that we have many fine artists in the Halifax club.

This was Foreign Coin Display Night and the winner was Mr. A.C. MacDonald with his Coins From A to Z.

The silver dollar attendance prize was won by Max Rafuse, it pays Max to attend the meetings, this is second win this year.

MEMBERSHIP DUES

1967 membership dues are now being accepted and are due on January 1st.

Dues are \$1. per member and are \$5. per club.

Mail now to the Secretary Mr. Bernard Kline

MONCTON TOKEN

One of our Monton members will shortly issue a token. Will let you know all about it when finalized.

A.P.N.A. SPRING RALLY

The Halifax Coin Club will host the Spring Rally to be held May 6th at the Nova Scotian Hotel.

This will be an all day affair from 10am to 10pm, all day Saturday. Make your plans now to attend, further details will be published as they become available.

CAPE BRETON COIN CLUB

At a recent meeting of the Sydney club Mr.H.C. Larsen of Millville related how he came to be a collector.

He moved to Cape Breton in 1957 to start in the egg business and one of his customers had been saving cents for 15 years and had gathered 49 rolls, he purchased these rolls to use in his business.

Noticing some Newfoundland and some Canadian George V cents amongst them he decided to check to find out their value. After finding out the values he decided to begin collecting and shortly found his 1926 far Can. nickel, and three 1947 maple leaf half dollars in his business change. Mr. Larsen says there are still coins to be found in circulation if you look for them.

Mrs.I.A. MacDougal from Sydney also related how she started collecting coins. Her husband operates a soda pop factory and while helping her husband make up the daily receipts she began to notice unusual and old coins so she started to remove them and eventually became a hardened coin collector. She also says there are still coins to be found in circulation.

HAPPY NEW YEAR

The editor would like to wish a happy and prosperous new year to all A.P.N.A. members.

1966 has seen a steady growth of the A.P.N.A. and the new Executive are hopeful that 1967 will see the same growth.

Plans are proceeding for the Rallies, the Spring Rally will be held in Halifax during May and the Fall Rally will be held in Moncton during October.

1966 has seen a decline in the speculative aspect of coin collecting but the collector interest in the Maritimes has not slackened and we expect to see it expand during 1967.

Canada's Birthday, Centennial Coins and Medals will no doubt help create an interest to bring more beginners into the collecting fold. Let us take up the Centennial slogan, make your Centennial plans now, and let each collector do something this year that you will always remember, numismatically that is.

DEBORAH JANE GOULD MEMORIAL AWARD

is an award to be given each year for the best exhibit by a Junior member at the annual New England Numismatic Association convention.

The man setting up this award in memory of his daughter is Maurice M. Gould, numismatist, author and lecturer, and one of the Atlantic Provinces Numismatic Association's active American members.

Maurice has recently moved from Boston to California and friends wishing to contact him are asked to note his new address.

Box 2407, Sepulveda, California, 91343, U.S.A.

CAPE BRETON COIN CLUB

At the November 16th meeting of the Sydney club \$12. was realized from the monthly donation auction.

The door prize, a set of Guernsey coins, donated by Jack Stephens was won by Peter MacLean.

Jack Stephens spoke on the A.P.N.A. Fall Rally recently held in Saint John, N.B. and gave a report on details of the last two rallies pertinent to the holding of a rally in Sydney.

The club feels that it could be in a position to host a rally in the fall of 1968 and are making preliminary plans.

BLUENOSE ARTICLE

Your editor has been most fortunate in having the Canadian Numismatic Association accept a story written by him about the Bluenose and has been published in the January edition of the C.N.A. Journal. The story covers the numismatic connection and gives the details of many Bluenose coins and medals.

HALIFAX COIN CLUB The Annual Meeting for the Election of Officers was held on December 7th at the Nova Scotian Hotel, Halifax, N.S. Mr. A. Cook, Chairman of the Nominating Committee read the committees recommendations of Officers for 1967.

For the first time in the clubs history nominations were made from the floor, one for President, one for Vice-President and two for Directors. This made an election necessary but the members voted in the entire slate that the Nominating Committee had recommended.

The 1967 Officers elected were as follows

Honorary President	A. Mitchel MacDonald
Past President	Albert Parsons
President	Clark Mullock
Vice President	Dr. Anthony Lamplugh
Secretary	Doris Sleigh
Treasurer	Douglas Ferguson
Directors	Donald Simpson
	R. O. Balcom
	A. R. MacCullum
	C. H. Pe lly
	Nelson C. Boltz

After the election, Dr. Bruce Ferguson, Archivist of the Nova Scotia Provincial Archives presented the prize for the design competition held by the club for their Centennial Medal. The competition was won by Andrew McMillin and the first prize was a Centennial Proof-Like Set with the Gold Coin.

They say turn about is fair play so the 1966 President Albert Parsons and the Honorary President Mitchel MacDonald jointly presented Dr. Ferguson with the complete set of dies used to strike the Decimal Centenary Medals of 1961. These will be placed on display at the Provincial Archives on Studley Campus at Dalhousie University. This was a night of presentations.

It was also Past Presidents Night.

Each President of the Halifax Coin Club was presented with a Past Presidents Silver Medal. These medals are supplied by the A.N.A. to member clubs of the A.N.A. As each presentation was made each of the recipients gave a short talk on the achievements of the club during his term of office.

Those present to receive their medals were

A. Mitchel MacDonald	1959	Founding President
Nelson C. Boltz	1960	
Alfred Cook	1962	
Fernald Allen	1964	
Charles Longley	1965	
Albert Parsons	1966	

Absent and medals sent to

Sheldon S. Carroll	1961	
George Anderson	1963	First half
Bruce Irwin	1963	Last half

December is also the Annual Donation Auction and \$40. was realized and donated to the Red Feather United Appeal.

Besides all the interesting events there was time for an auction.

A.P.N.A. SPRING RALLY The Halifax Coin Club is making preparations to give us an interesting time at the spring rally on May 6, 1967. The club has not as yet announced all details and they will be published as released by the club. The club has announced that Thistle Coins Ltd. of Halifax has been awarded the Auction Tender that was called for in the January letter. The Rally will run all day Saturday from 10 am to 10 pm and is to be held at the Nova Scotian Hotel in Halifax. There will be Bourse tables, an Auction and Exhibits.
See you there.

CAPE BRETON COIN CLUB At the December meeting of the Sydney club Jack Stephens gave a short talk on one of his recent buys, a copy of Browns History of Cape Breton. After the talk and business session a lunch was served.

TOKEN COLLECTORS A new token struck for use in a school cafeteria has been struck by Artistic Dies of Sherbrooke Quebec. This aluminum token was designed by H. DON ALLEN and he offers one to each collector that writes to him and encloses a stamp.

A.P.N.A. FALL RALLY The fall rally will be hosted by the Moncton Coin Club and plans are progressing. Ray Mabee, Medal Committee Chairman has announced that the club is going ahead with the production of an A.P.N.A. 1967 Centennial Convention Medal. The reverse side will be the same as on the 1966 Halifax medal with the Crest of the A.P.N.A. The obverse will probably be General Monkton as the central theme.

THANKS The Secretary-Treasurer, on behalf of the Executive and members of the Association, wishes to thank all those who sent Christmas and New Year Greetings and also those who have sent in their 1967 dues so promptly. James Russell, our Newfoundland Director, has also written expressing the wish that 1967 would be a very successful and Happy year for the A.P.N.A. and its members. Some more of the far away greetings are from Yvon Cyr of Grand Falls

THANKS Cont. New Brunswick; from Maurice Gould in Sepulveda California; from Richard Becker of West Concord Mass. ; and the farthest is from Arnold Miller in Djursholm Sweden. We of course have heard from many others, perhaps too many to mention but we wanted to show the interest from all the four corners.

WOODEN NICKEL Member Norman Wright, Box 580, Digby, N.S. writes that he was unable to get to the Fall Rally in St. John last October and asks if any member has a Loyalist Wooden Token that they would sell to him.

Missionary Our Past President recently did some missionary work for the Association. Fernald Allen attended the January meeting of the Sydney club and spoke about the A.P.N.A., its aims, achievements and rallies and when he returned he had nine new memberships from the Sydney area. The Sydney club is also seriously considering hosting the 1968 Fall Rally.

RESEARCH One of our newer members, Richard Becker of 15 Central St. West Concord, Mass. 01781 U.S.A. writes that he is at present engaged in research on the decimal coinage of the Maritime Provinces and is looking for collectors with similar interests, will correspond. He also sends his best wishes for a centennial year to all.

1967 DUES Please send in your 1967 dues. \$1. per member per year.
To - Secretary, Bernard Kline, 1635 Edward St., Halifax, N.S.

BEST WISHES The President of the Moncton Club, Dale Garland and the Secretary Jack MacDonald send their best wishes to the A.P.N.A. and members as well as a number of dues from the Moncton club members. They inform us the club is looking forward to seeing us at the rally in October and that plans are progressing satisfactorily.

HALIFAX COIN CLUB The January meeting was on Wednesday evening the 4t at the Nova Scotian Hotel. Mrs. Dorothy Rickard, the club Librarian gave a fine talk on some of the fine numismatic books that are in the clubs library, and urged all members to make use of the great assortment that is available, free to all Halifax Club members. The monthly display award, a \$5. credit note at Thistle Coins, was won by Charles Longley for his very fine collection of Newfoundland Paper Money.

The door prize of a BU silver dollar was won by Mitchel MacDonald. Instead of the regular auction, a table auction was held, members seem to like to have this type of auction once in a while for a change.

The Halifax club usually meets the first Wednesday evening of the month at 8pm in the Nova Scotian Hotel.

Membership costs \$3. per year for regular members, and \$2. per year for Corresponding and Junior members.

To join write Mrs. Doris Sleigh, Secretary
2534 Oxford St. Halifax, N.S.

DARTMOUTH MUSEUM MEDAL The Dartmouth Centennial Medals are selling very well, reports the Medal Chairman Mrs Valerie McMillin. The medals sell for \$10. in silver and \$2. in bronze and may be ordered from Mrs McMillin at 5 Birchwood Terrace, Dartmouth, N.S.

CENTENNIAL DOLLAR BILLS Many collectors do not realize that there are two issues of the Centennial Bill. One is available from your local bank and in circulation with a regular serial number on it. There will be plenty of these available as it is the only \$1. note to be issued for the entire year. Also available is the same note but instead of a serial number there is the Centennial date 1867-1967 in place of the serial number. These notes are only available from the Bank of Canada in Ottawa. There is a 35¢ handling charge for each order.

Send to Secretary of the Bank of Canada
245 Spark St. Ottawa 4., Ont.

Make cheque or postal note payable to the Bank of Canada.

AUTHOR Member Carl Allenbaugh of West Newton Mass is presently writing an article on the Louisburg Treasure Find and it will soon appear in Coins Magazine. Watch for it.

SPEAKER Member Jack Stephens of Sydney, N.S. will speak at the Annual Banquet of the Halifax Coin Club to be held in April. The subject- The Louisburg Treasure Find.

MEDALS Member Mrs. Valerie McMillin who is Chairman of the Dartmouth Museum Medal Committee has recently been appointed Medal Chairman of the Halifax Coin Club Centennial Medal.

C.P.M.S. Member Charles Longley of Halifax has been recently elected as 1967 Maritime Director in the Canadian Paper Money Society.

HALIFAX COIN CLUB Forty one members and guests attended the last meeting of the Halifax Coin Club held at the Nova Scotian Hotel on Wednesday February 1st.

Mrs. Valerie McMillin, Medal Chairman gave a report on the Halifax Coin Club Centennial Medal and announced special prices for paid up members if they purchased their medals before April 15th. Within fifteen minutes of accepting orders Valerie reported 37 sets sold. Charles Longley, Banquet Chairman gave a report about the Annual Banquet to be held in April and announced that the Guest Speaker for the event would be Jack Stephens of Sydney, N.S. . The skin divers that raised the treasure from the French ship Chameaux have appointed Jack as Agent in disposing of the Treasure and Jack will be able to give the latest developments in the situation.

The silver dollar attendance prize was won by one of the newer Junior members, the senior members were glad to see this prize won by Grant MacAskill.

Elliott Fineberg won the monthly display prize of a \$5. credit note for coin supplies at Thistle Coins. The display theme was Decimal and so Elliott used the most popular of Canadian decimals. His collection of two complete sets of Canadian Silver Dollars really stood out in the fine cases that Elliot has made for them.

The main event of the evening was a talk given by Captain Harvey Mitchel about the proposed Centennial Coin and Stamp Show to be held in the Halifax North End Library Auditorium from June 21 to July 1st. The Halifax Centennial Committee is sponsoring and financing this show to be open to members of the Halifax Coin Club and the Nova Scotia Stamp Club to compete for prizes also supplied by the city.

OAK ISLAND TREASURE

A.P.N.A. member, Carl Allenbaugh of West Newton Penn. has been interested in the Oak Island mystery for many years and has done much research and writing about the island. Many of you have read his stories, October 1965, December 1965, June 1966 and February 1967, all in Coins Magazine and some in Numismatic News. When Carl read reports in the press that the Chester Municipal Council was pressing the Nova Scotian Provincial Government to take over the Island and declare it a Provincial Park and not allow any more treasure seekers to dig on the island, he was perturbed and sent the following comments to the A.P.N.A.

" I think you will agree that my favorite little isle is far from dull! By now Dunfield probably wishes he had never heard of the place. I don't see how the Tourist Council and the people of Chester, etc. can force the present owners to sell to the government even if the government should agree to buy the island for park purposes. Under our capitalistic society, private property is as sacred as mother, love and home. It would seem unlikely that the right of eminent domain would justifiably apply here. I can readily see how they would like to keep a steady parade of money laden fortune seekers and tourists coming to town. But I can't see why anyone would come any appreciable distance just to look at a spot where a fortune may be buried, but no searching is permitted. I wouldn't cross the street to look at it under those conditions. There may be a small treasure buried in my back yard, but I see no crowd gathering. Oak Island hasn't been a news story these past years because of any attraction peculiar to itself. It was the patient search and ultimate death of Restall, and the determined assault of Dunfield that brought the reporters and, in turn, the tourists.

I think that if the people of Chester, etc., have guts enough to face the truth, their unvoiced worry is that Dunfield won't find anything, and not the fact that he wants to dig a Big hole. It wouldn't require much effort on the part of a dozer to refill the hole, all the holes, and restore the island to its former quiet attitude. But should Dunfield prove that nothing is there, the fabled "money-pit" becomes an unglamorous wallow of muck and rotted timbers. But should he find a fortune and remove it, people would come for miles to see where Captain Kidd (or someone) stashed his ill-gotten loot and a determined young man retrieved it after 171 frustrating years. Let Dunfield buy the Island and dig his Gargantuan hole and pray that he strikes it rich. After that he would probably give the place to the people of Chester plus a substantial contribution toward restoring it to its former fabled condition. Spend some money, before refilling the hole - reconstruct the money pit with such substantial material as would permit it to remain open and in condition to be entered by tourists, by elevator. Open the south shore entrance. Reconstruct the lower treasure chamber. Build a small pirate museum on the site and display pirate items and coins or whatever else is recovered from the pit. Sell pamphlets containing the Oak Island Story and copies of the coins concealed there. This I would pay to see.

Im on Dunfields side. "

Mr Allenbaugh is at present preparing an article on the Louisburg Treasure find and will soon appear in Coins Magazine.

Since Carl's comments, Dunfield's lease has run out on Oak Island and other interests (reportedly from Toronto) are at present doing exploratory drilling and digging on the island.

The next meeting of the club will be at the Knights of Columbus Hall on April 17th at eight pm. All visitors are welcome.

The club has purchased a Canadian 1925 five cent piece and tickets will be sold only three at a meeting to any attending member in good standing. At the last meeting of the year (1967) a ticket will be drawn to determine the winner of the five cent piece.

Some of the members have already received their Mint Presentation sets (both the gold set and the silver medallion set) and brought them to the meeting for all members to see.

Members are asked to bring both auction and display material to the next meeting.

C.N.A. RULES COMMITTEE The President of the Canadian Numismatic Association, A. Mitchel MacDonald, has announced the appointment of a committee to establish a set of Convention Rules and Procedures so that the various responsibilities of the C.N.A. and the host club of a convention would be clearly defined.

The formation of this committee was approved at the 1966 C.N.A. Convention in Winnipeg and the president has now announced its formation. The committee will be expected to draft a complete set of rules, regulations and procedures which will be used by future convention chairmen. In addition they have been given the authority to review the display rules and basis of awards which were used for the first time at the 1966 convention.

The Chairman of the Convention Rules Committee is W.A. Wolley-Dod from Calgary Alberta; other members are N.W. Williams from Vancouver British Columbia; F.H. Graham from Sherbrooke Quebec; Nelson C. Boltz from Halifax Nova Scotia; and another member from Ottawa has yet to be named.

NATIONAL COIN WEEK The American Numismatic Association has set the date April 22 to 29 as National Coin Week for 1967. There is no official Canadian date but most clubs here use the same dates.

NEW MEMBER REQUEST

Our newest member, Mr.H.Purdy of 16 Victoria Court, Oromocto, N.B. has just arrived in Canada after spending the last three years in Europe. He would like to contact members of clubs in the Fredericton, Moncton and Saint John areas and collectors of foreign coins might find it interesting.

THANKS

The Secretary-Treasurer would like to thank Thistle Coins Ltd., A.P.N.A. member #128, for their help in providing a Saint John Loyalist Wooden Nickel to fill a request from Mr.Ken Freeze President of the Mahoning Coin Club of Union Hill, Penna.,U.S.A. who desired this for their club collection . Mr.Freeze is one of the early C.N.A. members, #167.

MONCTON COIN CLUB

Dale Garland informs us that plans are going ahead with the Fall Rally and also on the A.P.N.A. Medal. All the silver medals will be serially numbered and A.P.N.A. members will have advance information on the sale and the opportunity to reserve one for themselves with their own number on it. He also informs us that a set of the medals will be presented to Queen Mother Elizabeth when she visits Moncton this summer, and a set will also be presented to the Mayor of Moncton.

VARIETY COLLECTORS

A.P.N.A. member Mr.Malcom J.Correy of 91 Main St. Apt. 2B Nashwaaksis would like some member to help him with information about a Canadian 1952 cent he has in his collection. The "2" in the date is slightly raised and also higher than the rest of the date; the left hand tip of the left leaf is also raised more than the rest.

HELP WANTED

Harold Lyons of Box 659 St.Stephen, N.B. (C.N.A.5736) writes that because of failing eyesight he finds it necessary to dispose of his collection and would appreciate any help from Maritime collectors. Collectors can write for lists of coins available.

HOME NEWS

A.P.N.A. member Marvin Mitchel of Sidney British Columbia and formerly from Shearwater Nova Scotia writes that he appreciates reading about the Maritime news in the A.P.N.A. newsletter, he says " we dont hear very much east coast news out this way".

HALIFAX COIN CLUB There were 51 members and guests at the March 8th meeting of the Halifax Coin Club. The monthly display award of a \$5. certificate for coin supplies at Thistle Coins was won by Mrs. Doris Sleight for her very fine display about the Bluenose with coins and medals pertaining to it. Pat Wetmore was the lucky receiptient of the silver dollar door prize

The main event of the evening was to sit back and enjoy a fine talk on medals by Admiral Hugh Pullen.

A historian, author, and at present General Manager of the Nova Scotian Pavilion at Expo, a retired Admiral, and a medal collector since a friend gave him a small medal collection in 1957, these many qualifications certainly qualified him to speak on his favorite hobby of Naval General Service Medals.

Admiral Pullen remarked that as he studied and researched these medals, issued from 1793 to 1840, that the names inscribed on the edges gradually became people and he feels he knows them personally. His research takes him through history, around the world, as he studies the medals, the receiptients, their ships, captains and the campaigns concerned with each, much of his information comes from the actual muster rolls and medal rolls of each ship and campaign in naval history.

A large display case of medals was used in conjunction with the talk and each was described, as was the person, ship and campaign associated with each.

We traveled down through history and listened to battles at Egypt, Trafalgar, Scappa Flow and many other.

An interesting comment was about George VI of England when he went to Scappa Flow to review the fleet. The long service sailors were presented to the King, and as he came up to a Wm. Brown the King remarked "Why are you not wearing my medals?"

The Admiral remarked- that medals should be worn or displayed and not kept in drawers, he loves medals and collects commemoratives and other types as well, but his specialty is the Naval General Service Medals.

One of these medals in his collection was awarded to a sailor who served under Captain Bligh (of Mutiny on the Bounty fame) and Admiral Pullen regards Captain Bligh as a fine captain and hero and feels that the popular unsavory reputation accorded him by the press and movies is unfounded and unwarranted.

Counterfeits plague his specialty as well as any other field of numismatics and he has a few of these in his collection.

The Admiral refers to people having 'fiddled' with medals, in that they fake the edge inscriptions, by taking off some one else's name and then placing their own name on it.

Long Service and Good Conduct Medals were also discussed as was also a gold medal that had been presented to Broke for his victory in the Shannon and Chessapeake battle off Nova Scotia.

Medals are certainly much more interesting after having heard the Admiral speak about them.

1967 DUES Your A.P.N.A. 1967 dues should be paid by the Spring Rally in May if you want to qualify for the draw on the book 'The Coin Cabinet' by Leroux. Those unpaid at that time will also have their names removed from the mailing list and will no longer receive the monthly newsletter. Dues are still only \$1. per year. Send to Bernard Kline, Secty-Treas. 1635 Edward St., Halifax, Nova Scotia.

HOBBY SHOW The date of the Halifax Centennial Stamp and Coin Show has been changed to June 20-23rd. This is to be a combined stamp and coin display and it has been announced that Mr. Fred Bowman of Lachine Quebec will judge the coin displays. Mr. Bowman is Curator of the Chateau de Ramazay Museum in Montreal and very well qualified to judge the displays, in fact one of the best. Mr. Bowman was one of the judges for the C.N.A. Convention at Halifax in 1964, and is a member of the A.P.N.A.

FERRY TOKENS The Dartmouth Ferry Commission has announced that token machinery (turnstiles) are being made ready and that tokens will be used for their ferries sometime within the month. It is thought they will sell for 15¢ each or two for 25¢, the present fare now is 10¢. We will give you transportation token bugs further news later.

HALIFAX COIN CLUB The Halifax Coin Club Centennial Medals are sell-fast, you had best order before it is too late. The bronze sells for \$3. and the silver at \$8. Send your order to the Medals Chairman

Mrs. Valerie McMillin

MAY NEWSLETTER

PRESIDENT DALE GARLAND
SECRETARY BERNARD KLINE

EDITOR NELSON C. BOLTZ. 25 HONEYDALE CR. SPRYFIELD, N.S.

A.P.N.A. SPRING RALLY Bourse tables are still available, \$10. per table, contact Charles F. Longley at 5603 Point Pleasant Dr. Halifax Nova Scotia.

Anyone wishing to bring an exhibit is asked to contact Clarence Pelley 2349 Barrington St. Halifax, N.S.

Display cases will be available for displays and bourse dealers. The rally will be held all day, from 10am to 10pm on Saturday May 6th at the Nova Scotian Hotel in Halifax. Admission 50¢.

The cost of banquets has gone up so much since last year that it has been decided to let everybody make their own eating arrangements and not have a banquet.

There will be a business meeting sometime during the day in the Fundy Room, the exact time will be posted at the rally.

There will be a draw for the book "Coin Cabinet" by LeRoux with all A.P.N.A. paid up members only being eligible.

THANKS Dale Garland, the president, and your editor would like to thank the Halifax Coin Club for their kind co-operation in loaning their mimeograph machine to the A.P.N.A.

When the A.P.N.A. was formed in May of 1965 the Halifax Coin Club offered their mimeograph machine to the editor and the first issue of our newsletter went out in June of 1965. This kind offer was extended until last month when the Halifax club needed the return of their machine. We are at present looking for another machine and will have to invest some of our funds for one in order to keep on with the newsletter.

We feel sure that all members will agree that we buy a machine. At present it is not known how this newsletter will be published, we might have to rent or borrow another machine before we locate one as it is hoped to find a good used machine.

WOODEN PENNY A. Mitchel MacDonald has again issued another of his distinctive wooden pennies. Printed in black this token is one inch in diameter and $\frac{1}{4}$ of an inch thick.

On one side is a thistle surrounded by the legend " ONE WOODEN PENNY 1967 ".

On the other side it states " A.M.MACDONALD CNA ANA HALIFAX, N.S." Mitchel gave these out at the Halifax Coin Club Banquet on April 5th

COINAGE OF NOVA SCOTIA by DR. C. A. HERBIN

In 1817 Nova Scotia outlawed the use of private tokens and petitioned the British Government for permission to issue copper coins to fill the need created by the withdrawal of the old tokens. Permission was granted and the first coins (halfpennies) were issued in 1823, followed by the issue of halfpennies and pennies in 1824 and 1832. All these bear the bust of George IV on the obverse, although he died two years before the third issue came out. The reverse depicts a thistle, the badge of Scotland.

Two other issues with the thistle reverse but with the head of Queen Victoria on the obverse were struck in 1840 and 1843.

A further issue was released in 1856. These coins bear the diademed head of Queen Victoria on the obverse and a spray of trailing arbutus or mayflower, the official flower of Nova Scotia, on the reverse. Both the halfpenny and the penny of this issue exist with the initials LCW under the head.

Nova Scotia adopted the decimal system in 1860 and issued half cents and cents in 1861 and 1864, with an additional issue of cents in 1862.

Research on these coins and the early New Brunswick and Newfoundland issues revealed that in most dates the information re the official specifications was either not on file in the Royal Mint, London Eng. or was only partially listed, e.g. weight without diameter, diameter without weight. In these cases two specimens in the mint museum were weighed and measured and are listed as Specimen A and B. The noticeable variations in the specifications of two specimens attest to the comparatively crude methods of minting of a century ago as compared with our present day methods.

CAPE BRETON COIN CLUB At the February meeting of the Sydney club Jack Stephens urged the members to attend the A.P.N.A. Spring Rally in Halifax on May 6th.

The resignation of the bulletin editor Herb Fiander was accepted with regret and Jack Stephens volunteered to produce the bulletin until a permanent editor can again be found.

The guest speaker was introduced by Jack Stephens and was the successful finder of the Chameau treasure Mr Alex Storm. Mr Storm spoke at great length on the history of this ill fated ship and also the great amount of research that was conducted in order to locate the final resting place of Le Chameau (The Camel). Mr Storm was presented with a gold plate Centennial Medal as a token of the clubs appreciation for this fine talk.

FREE BOOKLET The Annual Report of the Bank of Canada for the year 1966 contained an eight page coloured section dealing with the Pre-Confederation Currency in Canada. This section has been reproduced in a separate booklet.

One copy of the booklet will be sent to any person who addresses his request to the Secretary, Bank of Canada, Ottawa 4, Canada.

The booklet is not for sale and bulk requests cannot be accepted. Specify if a French or an English edition is wanted.

Ask for the booklet "Pre-Confederation Currency in Canada".

CENTENNIAL SETS Many of the Maritime collectors have begun to receive their Centennial coin sets as issued by the Canadian mint. Seems like everyone is very pleased with the quality and many are reordering.

COUNTERFEIT BOOKLET An interesting booklet printed by the Queens Printer and distributed by the R.C.M.P. is available free to interested collectors.

"The Counterfeit Detector" is a small booklet on how to detect counterfeit paper money. Included in its pages are samples from the British American Bank Note Company Ltd. and the Canadian Bank Note Company Ltd., the two companies that print Canada's paper money. These booklets are available from your Royal Canadian Mounted Police office, free of cost.

If ordering from the Queen's Printer and Controller of Stationary the number is CAT. No. J63-3/8.

WOODEN HANDSHAKE There have been many wooden tokens issued in the past, wooden pennies, nickels, sous, dollars but leave it the president of the Halifax Coin Club, J.Clark Mullock to come up with a new one, one handshake.

cnnt. next page.

WOODEN HANDSHAKE Printed in purple ink this token is one inch in diameter and $\frac{1}{4}$ of an inch thick.

On one side it says " GOOD FOR ONE HANDSHAKE "
On the other side is " J. CLARK MULLOCK PRESIDENT 1967 HALIFAX COIN CLUB "

Clark gave these out at the Halifax Coin Club Annual Banquet on April 5th. Mintage 200.

HALIFAX COIN CLUB The 100th meeting of the Halifax Coin Club on April the 5th was also the Annual Banquet and held at the Brass Rail in the Halifax Shopping Centre.

After a steak dinner with all the trimmings, Charles Longley introduced the speaker for the evening.

The Vice President of the A.P.N.A. Jack Stephens flew down from Sydney for the express purpose of speaking at the club banquet. Jack is also Past President of the Cape Breton Coin Club, a member of the C.N.A. and President of Iron City Coins Ltd.

Jack first told of some of his collecting experiences, he said that he is still a collector even though he is in the coin business. He began collecting as a boy and when working around his fathers lumber yard he often went aboard the ships to trade and ask for coins. He recalled one coin he acquired and how puzzled he was about it, no one could tell him anything about it and finally he went to an antique store on Barrington St. in Halifax in the early forties. The proprietor said he could appraise the coin for \$20. and Jack remarked that times have really changed, that there is now no problem to identify coins what with all the coin books and magazines published today as well as the help one can get from belonging to a coin club.

Jack is sales agent for Alex Storm and appraised the coins that Storm found and so Jack was able to speak with authority about the treasure ship Le Chemeaux (The Camel).

There were many details that Jack could not give because of the impending court case over who owns the treasure, but he did give many interesting details. It seems the Chemeaux made regular round trips between France and Canada, Jack refers to these as "milk runs", taking lumber and furs to France and returning with clothing, food, guns ammunition and of course money at times. In 1725, July, she left France with a load of 2200 rifles, clothing uniforms, silverware and funds to build a new magazine in Quebec and five years back pay for the soldiers. The ship was wrecked off Louisburg with all lives lost and the exact location of the hull was not known. A unique fact about the 1726 salvage attempt by the French was the French name of one of the divers translated to Storm in English.

Another interesting story about the recent treasure find was in the reporting of the story. When the reporter of a large Ontario magazine arrived in Sydney all the treasure had been seized by the sherrif and so the reported had a bucket of 5¢ pieces sprayed with gold paint to photograph for his magazine, it fooled many a reader.

Jack also spoke about an unusual medal to be issued in Cape Breton. The Miners Museum, built over an actual mine shaft(visitors can descend) will issue a medal to raise funds for operating and expanding the museum. To be struck in a very irregular shape, to resemble a piece of coal, it will be issued in black nickel, also to resemble coal, and an issue of aluminum for children. One side will have on it a design by Judy Bartlett, the mine shaft of a coal mine and the other side will have a design by Tom Taylor of a kneeling miner at work in a mine.

HALIFAX COIN CLUB After the very fine talk by Jack the members got together and talked coins. In appreciation of Jack coming to Halifax, the President of the club Clark Mullock made a presentation to Jack and thanked him on behalf of the club members.

There were many favors distributed, among them were a wooden penny of A. Mitchel MacDonald, a wooden handshake by J. Clark Mullock, a wooden crown by the Halifax Coin Club, a wooden crown by Nelson C. Boltz and some pens, pencils and booklets.

WOODEN CROWN Printed in green ink this token is $1\frac{1}{4}$ inch in diameter and $\frac{1}{4}$ inch thick.

On one side is a crown, under this is a centennial emblem (maple leaf) and the legend WOODEN CROWN 1867 1967 .

On the other side is the old Halifax Coin Club Emblem , a Mayflower surrounded by the legend " Halifax Coin Club EST. 1958.

This was made by Nelson Boltz to give out at the Halifax Coin Club Annual Banquet April 5th.

VARIETY COLLECTORS Seems that there are so many different coin varieties and if it keeps on it may come to pass that a perfect coin will be rare and variety collectors will have to concentrate on finding a perfect coin to add to their collection.

WOODEN CROWN Printed in red ink this token is $1\frac{1}{4}$ inch in diameter and $\frac{1}{4}$ inch thick.

On oneside is a crown, under this is a centennial emblem (maple leaf) and the legend around this " WOODEN CROWN 1867 1967 ".

On the other side is the legend " NELSON C. BOLTZ C.N.A. C.P.M.S. HFX.C.C. A.P.N.A. A.N.S. SPRYFIELD, N.S. "

This was made by Nelson Boltz to give out at the Halifax Coin Club Annual Banquet on April 5th.

Both this token and the one mentioned above of the Halifax Coin Club have the same wooden crown design.

HALIFAX COIN CLUB Besides the auction to be held at the June 7th meeting it is planned to have a very interesting speaker.

The Halifax Police Department has consented to provide an officer qualified to speak on counterfeiting and security. Displays of counterfeit money and security problems will be used in the talk. How to detect counterfeits and how to help prevent burglaries will be the theme, a welcome subject for collectors.

HURRY HURRY Better get your A.P.N.A. dues paid up soon, this will be the last newsletter for delinquent members, also paid up members have a chance to win a draw at the Spring Rally on the book " Coin Cabinet by LeRoux .

SPRING RALLY The Halifax Coin Club has announced that there will be a door prize in the afternoon and one in the evening to someone in attendance when drawn for.

There will also be First, Second and Third Prizes for exhibits if enough entries warrant.

The auction will start at 2 pm and run until finished;

MOVING Thistle Coins Ltd. of Halifax, N.S. is preparing to move to newer and larger quarters on a much more busier thoroughfare. The new store is being completely remodeled and Fernald Allen tells us that he expects to move in around the end of April.

Thistle Coins have sent out a list of coins 280 lots, the material that is to be sold in their combined mail bid and floor auction to be held at the A.P.N.A. Spring Rally on May 6th at the Nova Scotian Hotel in Halifax. Anyone that would care to have a list is asked to write Thistle Coins and one will be sent to them.

Their new address is -- 5487 Spring Garden Road, Halifax, N.S.

NEW CLUB APPEAL One of our members John McKeigan has appealed for help and collectors, he would like to start a coin club in the Oromocto, New Brunswick area or Fredericton. Any interested collectors or anyone interested in helping is asked to contact Mr. McKeigan at 77 St. John Ave, Oromocto, N.B.

SPRING RALLY The General Meeting of the A.P.N.A. will be held at 12. oclock noon in the Fundy Room of the Nova Scotian Hotel on May 6th at the Spring Rally, hosted by the Halifax Coin Club. All members are asked to attend and bring their hints, ideas and support.

The Halifax club says they will be giving out a wooden token to each person registering for the one day show.

CENTENNIAL MEDALLIONS For those interested in collecting centennial material there are three medallions for sale on the second page of COIN STAMP ANTIQUE NEWS.

They are the Ontario Pavillion Medallion
 Quebec Pavillion Medallion
 Canada Pavillion Medallion

Another medallion to be issued at expo is a large aluminum one to be distributed at the Porpoise Tank Show.

This will be sponsored by the Kitimat Aluminum Co.

HALIFAX MEDAL The Halifax Coin Club expects that the Centennial Medals that they are having struck will be delivered in time to be sold at the rally. The club is providing a table in order that both the Halifax club medal and the Dartmouth Museum medal will be made available to all visitors. These are both a must if you are collecting either Maritime material or Centennial material.

HALIFAX BRIDGE TOKENS The tokens used on the present Halifax-Dartmouth Bridge are to be used on the new bridge that is to be erected at the Narrows, the spot where the first bridge was built in 1884-1885. Robert McAlpine Ltd. has been awarded the contract for the first stages of the new bridge. The same wight and price structure and same tokens will be used that are now in use on the present bridge. No tokens have been struck since the initial order in 1963 but additional tokens will be struck in 1969 to meet the demand for both bridges.

WOODEN DIME This wooden dime is one inch in diameter and $\frac{1}{4}$ of an inch thick and is printed in black. On one side is a large kingfisher and the legend around it is " HALIFAX COIN CLUB ". On the other side is " A.P.N.A. COIN RALLY 1967 10 CENTS ". These tokens were made by Nelson Boltz for the Halifax Coin Club to give out to all registering at the Spring Rally, May 6th, at the Nova Scotian Hotel in Halifax.

NENA SPEAKER William E. Elms, president of the New England Numismatic Association reports that A. Mitchel MacDonald will be one of the speakers at the NENA 23rd Annual Convention October 6-8, 1967. The three day event will be held at the Sheraton-Eastland Hotel in Portland Maine.

VACATIONING Clark Mullock, president of the Halifax Coin Club, and Mrs. Mullock have given themselves a 25th Wedding Anniversary present in the form of a trip. On April 27th they took off by International Airways for a three week trip through Ireland, Scotland and England. Clark will of course be watching for coins and coin shops, he says if he sees any that he will send his wife shopping. Congratulations Clark on your anniversary, we missed you at the A.P.N.A. Spring Rally, sure wish we were with you.

ROBBERY Collectors in the Halifax area were shocked to read in the April 29th Halifax Mail Star newspaper about the robbery at the Nova Scotia Museum on Citadel Hill. George MacLaren, Curator of the Museum reports that the thieves were very discriminating in their choice of material, there is a very large collection in the museum but that the thieves left most of the collections and removed only the choice material. \$1,000. was the value of the coins, medals and tokens stolen but this is a conservative estimate as most of the collection would not be recently priced and catalogued. The thieves evidently knew their way around as they were able to get passed two Commissionaires on duty at night and evidently wore gloves as no prints or other clues were left. They worked their way through four barriers, smashing a window after removing a heavy wire grating, then forcing through a masonite partition, cont.-

ROBBERY and another partition of plywood.

Among the items stolen were fifty Nova Scotian and Canadian coins and tokens as well as a 1446 Italian bronze medal and a copper medal marking the 1758 capture of Louisburg from the French. The police kept the news from the press and the public for eleven days much to the resentment of local collectors. Some collector might have been approached by the thieves and then unwittingly bought the stolen items. The only way to prevent resale of stolen coins and medals is to alert the collectors and dealers and watch for the material to be offered.

BLUENOSE DIME Some spokesmen for the Canadian Government have said there is no proof that the ship on the Canadian 10¢ is the Bluenose and have dared Maritimers to prove it. The government has been afraid of regional animosities and jealousies and so have feared to admit that it is the Bluenose dime. The same is true of Canadian paper currency, the locations of Canadian scenes on the backs of all paper money have not been publicly acknowledged by the government because of these same regional animosities and jealousies.

But now the truth has been finally acknowledged by the government.

An official statement from the Dominion Bureau of Statistics about the Bluenose Dime is contained in the Centennial book just released. This book "Canada One Hundred 1867-1967" was prepared in the Canada Year Book, Handbook and Library Division, Dominion Bureau of Statistics, and was published under the authority of the Hon. Robert H. Winters, Minister of Trade and Commerce.

On page 123 of this fine book is a lovely picture of Bluenose 11 under full sail and the caption beneath it reads - "The original Bluenose brought renown to Canada throughout the 1920s in international schooner races, and her likeness is on Canadian ten cent pieces. Bluenose 11, a replica of the original ship, was launched in 1963."

This book "Canada One Hundred 1867-1967" is available from the Queens Printer at \$2.

COINAGE OF PRINCE EDWARD ISLAND

by Dr. C.A. Herbin

In the early days Prince Edward Island depended totally for its currency on coins and tokens in circulation in the colonies plus tokens issued by local commercial firms and individuals.

Decimal coinage was introduced in 1871, the only coin issued being a bronze cent.

This coin is unique for two reasons

- 1 - It is the only coin issued anywhere in Canada with the Royal title in English.
- 2 - It is the only coin struck for any part of Canada at the Heaton Mint without the familiar H mint mark.

NEW CLUB ORGANIZING The Canadian Forces Bases, Halifax Area has recently conducted a hobby poll amongst the civilian employees and discovered that enough interest was shown in many hobbies to start up a few clubs.

The interest in stamps was very high and a new stamp club has been formed in the Halifax Dockyard.

Around 30 persons indicated an interest in coins and so Albert G. Parsons, immediate Past President of the Halifax Coin Club was asked to organize a coin club to meet in the dockyard.

The first meeting took place on May 15th with Albert Parsons in the chair. A. Mitchel MacDonald, C.N.A. President was asked to visit and speak to the club as was Bernard Kline, Secty-Treas. of the A.P.N.A. Anyone interested in this club is asked to contact

Albert G. Parsons, 6473 Vienna St., Halifax, N.S.

HALIFAX COIN CLUB The next meeting of the Halifax Coin Club will be held on June 7th at 7-30 to 10-30.

The meeting place for this month has been changed, the club will meet at Keith Hall, 1475 Hollis St. Halifax.

Superintendent Robinson of the Halifax Police Force will talk on counterfeiting and security.

There will be an auction and the display theme will be "Coins Other Than Round."

RADIO PERSONALITY Jack Stephens, A.P.N.A. Vice President, has been most active promoting numismatics in the Sydney area of Nova Scotia. Just recently he has appeared on the half hour TV show "Aunt Terry at Home Show", station CJCB, talking about numismatics and coins. Jack was also on the one hour program "Mr. and Mrs.", radio station CH ER as well as the one hour program "Talk Back" on radio station CJCB. Both these radio programs were the public participation type of phoning in and asking questions.

On the program "Talk Back" Jack answered 53 phone calls in 50 minutes.

The public response to the three programs was tremendous, the interest in coins is very high in Sydney, and shows what we might expect when the A.P.N.A. Rally is hosted by the Sydney group.

SPRING RALLY

Well, it's over. You should have been there. There were bourse dealers and visitors from New Brunswick, Prince Edward Island and Nova Scotia. According to Fernald Allen of Thistle Coins who had the combined Mail and Floor Auction, this was the best auction that any A.P.N.A. Rally ever had.

Visitors were presented with a souvenir wooden dime, free copies of Coin World and other small favors.

A door prize of a Halifax Coin Club Centennial Medal was won by Ed Watts of Halifax during the afternoon, and another door prize a Dartmouth Museum Centennial Medal was won by Doug Ferguson of Halifax during the evening.

The book "The Coin Cabinet" was drawn for and won by Victor Lotherington of Moncton.

Variety collectors were pleased to see Dr. C. A. Herbin of Arichat in attendance and as is usual he had a good many varieties and mules to show to those interested.

At the A.P.N.A. business meeting chaired by the Vice President Jack Stephens of Sydney, it was decided that more advertizing of future rallies must be initiated. The President Dale Garland was unable to attend because of illness in the family and sent along his regards and notes he had intended to present at the meeting.

Bernard Kline, Secty-Treas disclosed that the A.P.N.A. is steadily growing and that there are few delinquent members.

A letter was received from the Halifax Coin Club requesting that they be allowed to host the 1968 Spring Rally.

There were more and better displays at this rally than at any previous rally, seems members are getting more interested and more experienced in displays.

Three fine display awards (trophies) and accompanying ribbons were presented to the first three best exhibits.

First prize was won by Bernard Kline of Halifax for his "Study in Obverse" of Canadian Silver Dollars.

Second prize was won by Commander A. McMillin of Dartmouth for his display of "Battle of the Nile Medal".

Third prize was won by Bernard Kline for a display of Canadian Medals.

There was continuous armed security provided by the Halifax Police Force and there were no unfortunate incidents, losses or thefts.

Among those working on the committees were

Bernard Kline	--	General Chairman
Charles Longley	--	Bourse
Fernald Allen	--	Auction
Clary Pelly	--	Exhibits
Mrs V. McMillin	--	Medals Sales
Mrs D. Sleight	--	Registration
Nelson Boltz	--	Awards, Ribbons and wooden tokens

HALIFAX COIN CLUB The Medal Chairman, Mrs V. McMillin has announced that the Halifax Coin Club Centennial Medal in silver has all been sold but that a few of the bronze medals are still available at \$3. each postpaid. To order write

A.P.N.A. FALL RALLY

The Moncton Coin Club will host the Fall Rally of the A.P.N.A. on Saturday October 14th.

The all day show will be held in the Brunswick Hotel and a large crowd is being planned for and expected. It is their intention to have a well organized programme with adequate advertizing aimed at attracting a large crowd.

Bourse tables are selling fast at a nominal \$10. fee per table, if interested you had better reserve a table immediately.

There will be door prizes and exhibit prizes of Moncton silver and bronze medal sets as well as gold coins.

Dave Carson is in charge of the auction material and is inviting any good grade material to be sent to him at

35 West St., Apt 3, Moncton, New Brunswick.

A numismatic book display is planned in conjunction with an appraisal and identification booth and both will be advertized in the expectation of the public bringing in some interesting material.

Another feature will be an extensive stamp display loaned by the Federal Government, seems some of the collectors and dealers have a stamp interest as well as coins.

The Moncton Coin Club is planning to make this the largest A.P.N.A. Rally yet held.

CENTENNIAL STAMP AND COIN EXH.

The Halifax Centennial Stamp and Coin Exhibition was held on June 20th to 23rd at the Halifax Memorial Library and was a very interesting combined stamp and coin exhibition, only exhibits, no bourse or other activities.

The exhibits were all of a high calibre and those co-operating and displaying are to be commended.

The City of Halifax gave each participant a certificate and a silver tray was given to each winner of the five categories in stamps and in coins as well as a rose bowl to each Best of Show in both coins and stamps.

The Coin Exhibit winners were-

Best of Show	- - Charles Longley	Canadian Paper Money
Cat #1	- - Fernald Allen	Canadian Communion Tokens
Cat #2	-- Mrs Valerie McMillin	Can. Centennial Medals
Cat #3	-- Elliot Fineberg	Canadian Silver Dollars
Cat #4	-- Charles Longley	Canadian Paper Money
Cat #5	-- Mrs Fernald Allen	English Silver Coinage

MONCTON-A.P.N.A. MEDAL

The Moncton Coin Club Centennial Medal has been designed, ordered and is expected soon.

The medal is being struck to commemorate the Centennial Annual Fall Meeting of the A.P.N.A. in the City of Moncton, N.B.

The medal contains the A.P.N.A. crest on one side, the same die as used on the 1966 medal of Halifax; and the bust of Sir Robert Moncton will be on the other side. Also entitled General Robert Moncton and Governor Moncton (this will be spelled out 'Monckton') and the bust will represent the History of the City of Moncton; and with the medal there will be presented a brief history of Battle of Beauséjour, Expulsion of the Acadians etc.

The demand for the silver is fantastic, however, as the constitution of the Association reads that A.P.N.A. members may buy their silver medals with their own membership number engraved on the edge, this will be honored.

In the event that a member does not wish to buy his medal, the Moncton Club will offer them for sale to the general public.

The medals are expected in July and a deadline for reserving the silver medals for A.P.N.A. members has been set for July 31st.

If you wish medal to have the same number as your membership number please quote your number as you order medals.

A bank account in the Royal Bank Main St. has been opened up for the deposit of money from the sale of medals. Receipts will be mailed to all those ordering their medals, order now to make sure of getting yours.

The silver medal will sell for \$10.00

The bronze medal will sell for \$ 2.50

Make cheques and postal notes payable to the Moncton Coin Club and mail to

VISITOR

Member Fred Bowman of Lachine Quebec spent his vacation touring the Atlantic Provinces and spent three days in Halifax visiting with collector friends there.

The Halifax Coin Club was fortunate in being able to have him there at the time of the Halifax Centennial Stamp and Coin Exhibition, Fred had arranged his schedule to be there to judge the coin displays at the Exhibition.

C.N.A. DIRECTOR

Nelson C. Boltz has been elected to the office of Maritimes Director in the Canadian Numismatic Association and will take office at the August Convention in Ottawa.

C.N.A. JOURNAL There are two articles in the June issue of the C.N.A. Journal that discuss Maritimes numismatics. There is an article by member Dr. C.A. Herbin of Arichat, N.S. about the Coinage of Nova Scotia and there is an article by member Nelson C. Boltz of Spryfield, N.S. about the Halifax Dartmouth Bridge Tokens

SYDNEY NEWS Member Jack Stephens of Sydney, N.S. is a Major in the Nova Scotia Highlanders and accompanies the Lt. Governor of Nova Scotia at all official ceremonies conducted in the Cape Breton area, and serves as Aide de Camp to the Lt. Governor. Recently Lt. Governor J.C. McKeen officially opened the new Heavy Water Plant at Glace Bay, N.S. and officially started the Centennial Caravan off on its tour at Sydney, N.S. and Jack took part in the ceremonies as Aide de Camp to the Lt. Governor.

EXPO VISITORS We have heard that there are many things to see and many things to buy at Expo that interest coin collectors and no doubt our members will profit from the trip there. So far we have heard of the following members that have already attended Expo - Fernald Allen, Bernard Kline and A. Mitchel MacDonald. Most of those members from the Atlantic region that are going to the C.N.A. convention at Ottawa have indicated that they will also be stopping off at Expo either going or coming.

THE KOYN The Koy n is the monthly publication of the Manchester, N.H. Numismatic Society and in a recent issue was an article by member Maurice Gould from California.

"Oranges, Lemons and Numismatics from California", by Maurice Gould gives collectors some insight into club meetings and programs of the 75 clubs in the southern California area from Point Loma to the San Fernando Valley and the Gould travelog amazes one at the quality and amount of numismatic activities to be found in the area.

CENTENNIAL TROPHY Jack and Ameta Stephens of Iron City Coins have provided a Centennial Coin Trophy to be awarded for the best coin display at a Centennial Coin Show in Sydney, N.S. They have also provided the Stamp Trophy for the Stamp Exhibit.

DOCKYARD TOKEN A 1½ inch copper token has been issued by the Halifax H.M.C.S. Dockyard to celebrate the Centennial Naval Display. On one side is a ship, and the legend NAVAL ASSEMBLY HALIFAX, N.S. JUNE 1967. The other side has the Centennial Crest and then the legend CANADA CENTENNIAL 1867 1967. I will publish more on this token later.

FERRY TOKEN An aluminum token about 3/32 of an inch thick and 15/16 of an inch in diameter has been issued by the Dartmouth Ferry Commission to be used for the ferry operating between Dartmouth and Halifax Nova Scotia. Both sides have the same legend - CITY OF DARTMOUTH - FERRY - and in a circle in the middle ADULT FARE. We understand that there is only to be the one token issued and do not know why the word adult is mentioned on the token.

CENTENNIAL MEDALION The military personnel stationed at the Canadian Naval Base H.M.C.S. Shearwater have been issued a Centennial Medalion. The Non Public Funds Branch (Ships Canteen Funds) purchased the nickel-silver medals, struck at Wellings of Toronto, to give to all the military personnel stationed on the base on July 1st, Canada's Birthday, as a memento of being stationed at the base on that day. On one side is the Centennial design and on the other is the Crest of H.M.C.S. Shearwater. The medals are not for sale and collectors will have to wait for the military recipients to tire of them and purchase them privately.

HALIFAX COIN CLUB The June 7th meeting of the Halifax Coin Club was held at Keith Hall on Hollis St. and following the business session and talk the members retired to the old " Cellars " of the original brewery to enjoy both liquid and solid refreshments. All was free, coudesy of Olands.

The monthly display, this night of coins other than round, was won by Cecil Dickinson for his unusual display of Swedish Plate Money, Spanish Cobs, shoe money and other interesting items. The award was a \$5. credit note at Thistle Coins Ltd.

The highlight of the meeting was an interesting and informative talk given by Superintendent Oliver Robinson of the Halifax Police Force. The Supt. talk was in two parts, one dealing with security and the other with counterfeiting, and a collection of counterfeit Canadian \$10. and \$20. notes and some U.S.A. \$10. notes were passed around for inspection. These notes were very deceptive and would be able to foll most poeple. The speaker mentioned that the pushers of the bad money come down from Upper Canada and are Mafia or Cosa Nostra inspired and that it was impossible to hold or convict any of their suspects as someone from Upper Canada would come down and arrange their release. This statement was proven the following week at a trial in Halifax when the witnesses that testified at a preliminary trial suddenly lost their memory at the second trial and the note pusher was allowed to go free. The security talk was also most informative and many safety hints were presented to the members to keep their collections free from loss or theft.

COINAGE OF NEW BRUNSWICK

by Dr. C. A. Herbin

New Brunswick received the right to coin copper in 1843 when an issue of both halfpennies and pennies came out. These coins were disapproved by the Colonial Office in London because they showed a diademed head of the Queen which had not been used before on coinage. However, the coins remained in circulation, even though issued by the Provincial Government without official sanction. The reverse identifies them as ONE PENNY TOKEN and HALF PENNY TOKEN.

Another issue of halfpennies and pennies was released in 1854. These showed the head of the Queen as used on the English coinage. On the reverse the word TOKEN was replaced by the word CURRENCY.

New Brunswick adopted decimal currency in 1860, the first coins struck being cents in 1861. Although the New Brunswick Government had not ordered half cents, some were struck by the Royal Mint and sent out by mistake. A few of these did manage to get out into circulation. Cents were again issued in 1864.

Silver 5 cents, 10 cents and 20 cents pieces were issued in both 1862 and 1864.

Much of the official information on this coinage is missing from the files of the Royal Mint. Two specimens of each coin were weighed and measured where the information was not available from the files of the Mint.

ADDRESS CHANGE Arnold G. Miller really gets around. First we forwarded his mail to the U.S.A., then to an address in Sweden and now he informs us he is in France.

Arnold G. Miller 74 Rue Des Tennerolles, 92-St. Cloud, France.

How about some numismatic news from over there Arnold?

ROYAL VISIT The Hon. H.P. MacKeen, QC, Lieutenant-Governor of Nova Scotia was at Sydney to bid Her Majesty, Queen Elizabeth, The Queen Mother farewell as she left Sydney on Sunday July 16th. Her Majesty, members of her party and the Lieutenant-Governor attended service in St. Georges Anglican Church prior to the Royal departure. One of our members was amongst this important event and met the Queen first hand. Jack W. Stephens of Sydney is the Aide De Campe to the Lieutenant-Governor and accompanied him at all the events in the Sydney area.

MIMEOGRAPH The A.P.N.A. has recently purchased a small hand A.B. Dick mimeograph machine.

The Halifax Coin Club decided that their extra machine was no longer required and sold it to us for the modest sum of \$25.

A.P.N.A. MEDALS The Moncton Coin Club Centennial A.P.N.A. Medal is now being sold.

The silver medals are \$10. and the bronze are \$2.50

HALIFAX COIN CLUB The Halifax Coin Club's July 5th meeting was held at the Nova Scotian Hotel.

Cecil Dickinson spoke on the Coinage of the Americas, Columbia, Central America and Mexico. Cecil showed some interesting pattern coins of some of the areas that he spoke about.

The silver door prize was won by Neil Miller, and the monthly display prize was won by Clarence Pelly.

A short coin auction was conducted by Fernald Allen and after the business coffee and doughnuts were served.

SHEARWATER MEDAL More information on the Shearwater Medal mentioned on the first page has since come to my attention, have since acquired one also. They are approximately 1 and 3/8 inch in diameter and about 1/8 thick. The side with the Centennial Design is quite similar to the Mint issue medal but the design is much larger and the print much smaller than on the Mint medal. On either side is the date 1867 and 1967, with the legend " Centennial of Canadian Confederation " above the design and the legend " Le Centenaire de la Confederation Canadienne ". The other side has the Crest of Shearwater which is a large wreath or twisted rope encircling a seagull flying over the ocean and on top of the wreath is a crown with sails on top of the crown and the title " Shearwater " is on the rim of the crown. The Non Public Funds Branch purchased 2,500 of these medals through West Crest Maritimes and they were struck by Wellings Co. of Toronto. They paid .65¢ per each medal and the medals were given out at no cost to the personnel. No medals are for sale by the Canteen or Navy but some of the naval personnel have been known to sell theirs for \$2. each.

COINAGE OF NEWFOUNDLAND

by DR. C. A. HERBIN

In the early 19th century, Newfoundland used British coins for currency. These however, were in short supply and in the middle 1800s Rutherford Bros. of St. Johns issued halfpenny tokens in large quantities. During the 1840s Prince Edward Island tokens appeared in such large quantities that they became a nuisance and were outlawed by the government in 1851. However, they had acquired such a hold on the general public that later tokens issued by local merchants, particularly the 1858 Ship and the 1860 Fishing Rights, were made of the same weight and material.

Newfoundland issued its first coinage in 1865, consisting of 1 cent, 5 cents, 10 cents, and 20 cents. The 25 cents pieces were issued in 1917 and 1919 and were struck at the Canadian Mint in Ottawa. 50 cents pieces were first issued in 1870, \$2. coins were issued between 1865 and 1888. The last issue of Newfoundland coins was in 1947 two years before it joined Confederation in 1949.

As with the rest of Canada, the early Newfoundland coins were minted in either the Tower Mint in London or the Heaton Mint in Birmingham. These latter bear the "H" mint mark. Coinage for Newfoundland was struck at Ottawa in 1917, 1919, 1920 (Large cents); 1941, 1943, 1944, 1947, (Small cents); 1940, 1944, 1945, 1947 (5 cents and 10 cents); 1917, 1919 (25 cents and 50 cents). All these bear the " c " mint mark. No silver dollars have been issued by Newfoundland.

CANADIAN COIN COMMENTS by Bernard G. Kline

When word was received several months ago from the Canadian Mint that production had ceased, (except for proof and proof like sets) on Silver Dollars for good, many collectors were greatly disappointed at the prospect of this fine series of coins being brought to an abrupt end.

The series, begun in 1935 and continuing to date, except for five years during the second world war, has grown in recent years to be the prestige set of Canadian coinage.

It was good news indeed, for collectors, when the Mint announced several weeks ago that still another coin in this series will appear next year, despite the grave shortage and high price of silver, to mark the 60th anniversary of the establishment of the Royal Canadian Mint.

Due to lack of time, no new special design will be chosen. It will be very interesting to see if the Canada Goose design is continued, or a return made to the popular Voyager design of previous years.

Anyone think of a suitable event to commemorate in 1969 to ensure still another issue?

Donation The Association would like to thank Sheldon S. Carroll for sending a copy of the Booklet 'Pre-Confederation Currency in Canada' as an addition to the A.P.N.A. library. This booklet has been published as a reprint from the Annual Report of the Bank of Canada for the year 1966. Fully illustrated in color, it covers the period of card money in Canada through the period of early French coins and the British Army Bills issued in Quebec. It then goes on to record the issuance of Upper Canada Tokens and Atlantic Provinces semi-official tokens and merchants tokens. The British Columbia 1862 \$20. gold piece is illustrated along with the P.E.I. Holey Dollar. Inside the back cover is a beautiful reproduction of the 1967 Canadian Centennial coin set in the special presentation case.

Sheldon has contributed many books to the A.P.N.A. library in the past two years.

MONCTON / A.P.N.A. RALLY

The President of the Moncton Coin Club David Carson, has informed us that he will be in charge of the Coin Auction to be held at the show on October 14th in Moncton. OLD DESIGNS

The Bluenose is coming back. Those of us at the C.N.A. closing banquet were pleased to hear from Mr. N. Parker, Mintmaster, that the 1968 coin designs will be the same as was on the 1966 coins. Because of the silver price, the silver coins being struck for the balance of the year with the centennial designs (1967) will be of an alloy of 50% silver and 50% copper, this is the 10¢ and 25¢ coins the 50¢ and silver \$1. are still of the 80% silver but are not for circulation and are only being struck to be placed in the collectors sets.

The 1968 10¢ and 25¢ coins are being struck in pure nickel with the 1966 designs but will not be issued until the new coin rejection devices for the vending industry are ready and installed. These new rejection devices will accept the 80% silver coins, the 50% silver coins as well as the pure nickel coins but will reject all other spurious coins and slugs.

If the 50¢ piece is issued in 1968 the size will probably be reduced and it will be of pure nickel as well, for circulation as well as inclusion in the collector sets.

As yet there is no decision on the dollar coin or on the possible Mint Commemorative item.

The 50% silver coins will look the same as the 50% silver coins but in time they will turn color, possibly a pinkish or copper tint as the surface silver is worn away, the silver will wear faster than the copper, the coins are pickled to remove surface copper and expose silver but this will change with time and the copper will be exposed.

CENTENNIAL PROJECT As a Centennial Project, the Grand Falls Coin Club started to make a collection of Centennial Medals which was to be donated to the Grand Falls N.B. Library.
Due to a dwindling clubs funds the result of a large loss of members because of relocating, the club found it necessary to give up the project.

Yvon L.Cyr, secretary of the Grand Falls Coin Club, who had originated the idea, decided to take over the project as his personal centennial project and he reports in August that he already had 76 different medals and 10 different tokens. He still intends to donate the collection to the local library and would appreciate help and donations from other interested collectors. Write to

CANADIAN COIN COMMENTS by Bernard G. Kline

Many collectors claim that the most beautiful set of Canadian Coins, especially when in uncirculated condition, are the small 5¢ silver pieces issued from 1858 to 1921. Three different monarchs are shown in this fine series of coins. These miniature coins are exceptionally well engraved and make a very impressive display.

However, not many collectors are aware of the fact that these 5¢ silver coins came from the mint in sealed metal tubes and not loose in bags as other denominations are distributed. They are stamped with the date and the mint mark of the issuing mint, (London, Heaton and Canada) depending on where they were struck. These metal tubes are now interesting collectors items, but are not widely seen.

Don Simpson won the monthly display award of a Thistle Coins Ltd Credit Note for his fine presentation of a beautiful silver 1930 Commemorative 10 Kroner of Iceland. The attendance prize went to Mr J. Albracht. After the business and the talks the members adjourned to the "Cellars" for refreshments.

Display Prize Member Charles Longley of Halifax won second prize in the paper money category at the Ottawa C.N.A. Convention. Charles is a serious "Rag Picker" and has written articles on paper money and published in the Canadian Paper Money Society Journal. Charles is also Maritimes Director of the Canadian Paper Money Soc.

1959 DOCKYARD TOKEN

In doing numismatic research of the H.M.C.S. Dockyard in Halifax your editor came across some interesting items about the 1959 Dockyard Token. The general issue was in copper but I was shown silver specimens, twice as thick as the copper, they were beautiful. The exact number struck in silver is not known as no records were kept. Many other bootleg metals also exist such as in aluminum and the dies were seriously damaged by someone placing a stainless steel planchet in the press to be struck.

NEW WOODEN NICKEL

Peter Classen of the Saint John Coin Club designed and made the wooden nickel that was given to all those attending the combined Coin and Stamp Show in Saint John on September 30th. These nickels are 1 5/8 of an inch long, 1 inch wide and 1/4 of an inch thick and printed with black ink.

On one side is a large Centennial emblem in the middle, and the legend is " COIN SHOW " at the top, and " 1867 1967 " at the bottom.

On the other side, to the left is a figure of a Loyalist in uniform holding a sign which says " LOYALIST CITY SAINT JOHN N.B.", and to the right is a large 5¢ and " WOODEN " above the five, and below the five " NICKEL ".

Only 170 of these souvenir nickels were struck, there were not enough to hand out at the show and as a result they are very much in demand. Wooden money collectors are having a very hard time trying to locate anyone willing to part with their nickels.

Best of luck all you woodnicks.

1967 A.P.N.A. RALLY Everyone that attended will tell you that the Fall Rally was a tremendous success and feel that it shows that numismatics are again on the upward swing in the Maritime Provinces. The show at the Brunswick Hotel was sponsored by the Moncton Coin Club, and they are to be commended for the success that they made of it.

There were 14 bourse dealers from Prince Edward Island, New Brunswick and Nova Scotia, all reporting exceptional sales, and were very pleased with the show.

Over 435 registered for the one day show, coming from all the four Atlantic Provinces as well as other parts of Canada and the U.S.A.. A Russian 5 Rouble 1899 Gold coin was offered as a door prize to ticket holder number 020105, at this time the prize is still unclaimed, check your ticket number.

Four hundred printed brochures about the Moncton-A.P.N.A. Medal, a truly collectors item itself, were given out with the medals sold. There are still a few of these medals and brochures left and can be ordered from Ray Mabee, 75 Coronation Dr., Moncton, N.B.

The displays were all of an exceptional quality and covered many areas of stamps, coins, medals, tokens, and paper money.

The display judges were A.Mitchel MacDonald and Daniel Boone.

Best of Show was won by Georgia and David Carson for their display of Centennial Tokens and Medals and were presented with a 5 Peso Mexican gold coin.

Second prize, a 2^c Peso Mexican gold coin was won by Ray Mabee for his display of British Trade Tokens.

1967 A.P.N.A.-Moncton bronze medals were presented to the following

Dr.C.A.Herbin	for 1st Day Coin Covers
Fernald C. Allen	for Maritime Communion Tokens
Albert Galbraith	for Canadian Paper Money
Lloyd Carson	for Expo Stamps
Stephen Oatway	for Junior Collections

HALIFAX COIN CLUB The October meeting of the Halifax Coin Club was held on Wednesday evening, October 4th at eight pm in the Fundy Room at the Nova Scotian Hotel.

Mr.Jack Wallace, of Kingston Ontario, Second Vice President of the Canadian Numismatic Variety Collectors Association was a visitor and was able to contact many variety collectors in the club.

The attendance door prize was won by Bernard Kline, current silver dollars are used each meeting as door prizes.

The President Clark Mullock announced that Albert Parsons, Charles Longley and Nelson Boltz had been appointed as Nominating Committee and would bring in their report at the January meeting.

The President gave a very pleasant talk covering his recent trip to England, Scotland and Ireland.

After a short intermission Fernald Allen conducted another lively coin auction.

JOURNAL ARTICLE The feature article in the November C.N.A. Journal "Mints and Canadian Mint Marks", written by Dr.C.A.Herbin is a fine example of the role that members from the Atlantic Provinces are playing in Canadian Numismatics. Dr.Herbin of Arichat, N.S., a member of the A.P.N.A. has recently retired from the medical profession and we can look forward to many more fine examples of his numismatic pen coming into print.

MONCTON COIN CLUB

At the November 2nd meeting of the Moncton Coin Club, Dale Garland President of the A.P.N.A. extended a vote of thanks on behalf of the A.P.N.A. for the fine show that the Moncton club put on for the A.P.N.A. on October 14th. The Moncton club has announced that they will host the 1968 A.P.N.A. Fall Rally and that the committee will all be finalized at the Dec. meeting. The club has decided to issue an A.P.N.A. - Moncton medal to commemorate the event and has already decided on the design but do not wish to divulge it until plans are more finalized. Ray Mabee will be handling the 1968 A.P.N.A. medals. The club has placed a number of the 1967 Moncton medals in safekeeping to be used as display prizes and for presentation purposes.

SAINT JOHN COIN CLUB

The Saint John Coin Club combined with stamp collectors of the area to put on a special collectors display and show on September 30th at the Admiral Beatty Hotel in Saint John New Brunswick. The all day event was attended by over 200 persons to look at the fine displays and buy and sell coins with the nine bourse dealer present.

Each person attending was given a souvenir wooden nickel and a Centennial pin. The wooden nickels were designed and made by Peter Claessen, and only 170 were struck.

There were coin auctions at 3pm and again at 8pm and prizes were given for the best displays.

Donald Kelly of Saint John won first prize for his display of silver dollar varieties, and Robert Setzke won second for his mint sets dating from 1935. Parker Regan of Halifax was Display Judge. Door prizes were awarded to Mrs. D. Goldate of Kitchener Ont., and to Mrs. H. Curry of Rothesay, N.B.

MERRY CHRISTMAS The President, Editor and your Executive Committee wish you all a Verry Merry Christmas.

We hope you all receive some numismatic goodies from Santa or some of your collector friends.

A.P.N.A. SPRING RALLY The Halifax Coin Club has appointed Fernald Allen as General Chairman of the A.P.N.A. Spring Rally to be held at the Lord Nelson Hotel in Halifax on Saturday May 11 th.

The hotel is very central, at the corners of Spring Garden Rd. and South Park St. This is a very busy section of the city and should contribute greatly to a much larger attendance than was experienced last spring. The ballroom being used is also a very good location in the hotel, just a few steps up, right off the main lobby. The Halifax Coin Club is already making plans to make the 1968 Spring Rally the best ever to be held in the Maritimes, This will be an all day event, with bourse tables and exhibit tables to spare, lots of room. Collectors interested in exhibiting, and dealers wishing to set up bourse tables are asked to contact Fernald Allen at 1333 South Park St. Suite 807, Halifax, Nova Scotia.

RALLY LOCATIONS Some members have wondered how it is decided where the rallies are to be held and if any city in the Atlantic Provinces can pick up the show and how to go about it. First of all a coin club wishing to host a rally must be a member of the Atlantic Provinces Numismatic Association. Secondly the A.P.N.A. does not know which club is able to or wants to host a show unless the interested club makes their desires known. cont.-

RALLY LOCATIONS A coin club wishing to host a rally should submit a request in writing to the Secretary of the A.P.N.A. and then send representation to attend the next meeting of the A.P.N.A. . The rallies are held twice a year, once in the spring (May) , and once in the fall (October). It is at the business sessions of the A.P.N.A. meetings held at the rally that any decisions are made regarding future rallies. Up to the present time there has only been one request to host a rally on any date and as a result there has not been any need of voting at a meeting to decide where the rallies are to be held. The 1968 Spring

Rally is to be hosted by the Halifax Coin Club and the 1968 Fall Rally is to be hosted by the Moncton Coin Club. Both of these clubs submitted requests to host these rallies and it was voted at the 1967 Fall Rally in Moncton during the business sessions to accept both of these requests for rallies. Both of these clubs had representatives at the meeting to follow up their written requests and there were no other requests.

If you or your club would like to host a future rally, which would have to be in 1969, 1970 or even later, get after your club now to make plans, submit your request to the A.P.N.A. and make sure you have some one from your club attend the next meeting to follow through with the request in case there are other requests and should it have to be decided between these by a vote.

It is not too soon to begin your plans, the C.N.A. and the A.N.A. shows are planned four and five years ahead.

The New England Numismatic Association shows are also booked four to five years ahead, and it is possible that the A.P.N.A. shows will also be the same if the interest in numismatics keeps growing here in the future as it has in the past. There are rumors that some of the other Atlantic clubs want to host a rally, so all clubs had better be on their toes if they do not want to be left out in the numismatic cold.

MIRAMICHI COIN CLUB The Miramichi Coin Club met on September 17th at the United Church Centre on King George Highway, Newcastle. Dick Masuda, the President conducted the meeting welcoming both new members and guests. Dick spoke about the general aspects of coin collecting, a very important subject discussed was the grading of coins and how to keep upgrading one's collection. Dick donated a Canada Centennial \$1. note without the serial number as a door prize which was won by Don Hillier.

HALIFAX COIN CLUB The November meeting of the Halifax Coin Club was held in the Nova Scotian Hotel on Wednesday evening, November 1st. Don Simpson did the honors for the first part of the program, showing the film " The Life of Immanuel E. Hahn". Mr. Hahn not only designed coins but was a sculpturor , designer, painter , inventer and teacher as well as a very fine gentleman as was evident in this very fine film. After the showing of the film, A. Mitchel MacDonald presented some further facts about Mr. Hahn not covered in the film. Only one gold exhibit was shown and as a result Mr. Elliott Fineberg declined to accept the Monthly Display Prize for his fine collection of Canadian Gold.

MIRAMICHI COIN CLUB The October meeting of the Miramichi Coin Club was held at St. Mary's Church Hall instead of the usual place in the United Church Centre, the United Church Centre was booked up. President Dick Masuda conducted the meeting and also gave a report on his attendance at the A.P.N.A. Fall Rally in Moncton on October 14. Vince Mitchell was the guest speaker and gave a talk on the Silver DOLLARS of Canada. A Canadian 1947 dot 5¢ attendance prize was won by Mrs. U. LaPlante.

HALIFAX COIN CLUB The 108th meeting of the Halifax Coin Club was held on Wednesday evening December 6th at 8pm in the Nova Scotian Hotel. Nelson Boltz was the guest speaker and he had examples of coinage materials that he passed around as he conducted his talk. As he explained coin minting procedures he passed around powdered metal, coinage strip, webbing strip, and blank planchets. After the talk on minting in Canada and some foreign countries he conducted a short quiz on coins and then in turn answered many coinage questions himself from the floor. Doug Ferguson took over as auctioneer for the evening and conducted a very lively Donation Auction. Members donated numismatic items which were auctioned off and the total proceeds, which amounted to \$34., was donated to the Red Feather United Appeal. Only one exhibit for the monthly exhibit prize, in the category of Military Medals and Orders, was shown, and as a result Mrs. Derengoski declined to accept the exhibit prize. Also on exhibit, but not for competition, was a fine display of Coins of Haiti put on by Elliott Fineberg. The attendance prize was won by Edward Paquette.

THE SUPPLY COMPANY, LIMITED TOKENS

By D.M. Stewart and Bruce Spicer

Two previously unlisted tokens have proven to be a link with one of Nova Scotia's interesting commercial ventures. These tokens may be described as follows:

The Supply Company, Limited (around a design of dots and stars)
 Good For/ 10 / In Merchandise Al. Rd. 24 (Chateau de Ramezay coll.)
 Good For/ 25 / In Merchandise Al. Rd. 29

Incorporated on May 29, 1903 to carry on business at Canning, Kings County, Nova Scotia, the Company and its affiliate, the Cornwallis Trading Co., engaged in a variety of business activities. A general store sold feed, flour, hardware, lumber, dry goods and groceries. The Company owned many farms in the vicinity, among them the Borden Woodside farm, the Borden Habitant farm and the Lady Borden farm at Woodside. They constructed a large apple warehouse and two apple evaporators for drying sliced apples which were in good demand at that time. The company also owned a farm and saw mill at Cape Blomidon with many acres of the best woodland on the Cape. They built a steamer, the "Beaver" in Canning which made weekly trips to St. John, leaving Canning every Monday morning and returning on Saturday. Stops were made at Wolfville, Kingsport, Bass River, Maitland, Parrsboro and Spencers Island en route for passengers and freight. Later the Company built a much larger steamer, the "Brunswick" and sold the "Beaver" to a Newfoundland company. A small tugboat was built for towing the stately three-masted sailing vessels of that period in and out of the Canning River, as well towing rafts from the Cape properties.

These businesses were begun through the efforts of Sir Frederick W. Borden, a cousin of Sir R. L. Borden, former Prime Minister of Canada. Sir Frederick represented Kings County in the House of Commons from 1874 to 1911, with the exception of one term. He was the Minister of Militia and Defence for Canada from 1896 to 1911. At the time of his death at Canning on January 6, 1917, Sir Frederick was recognized as one of our Great Canadians. Other men active in the operation of the Company included Captains William, Henry and Alfred Potter, Mr. E. M. Beckwith, Mr. Arthur Burgess and Mr. Richard Kinsman.

The tokens were introduced soon after incorporation in 1903, and were issued in denominations ranging from 5¢ to \$1.00. Their present rarity may be explained by a terrible fire which swept Canning on June 23 1912, destroying twelve large stores and fifteen businesses, including the premises of the Company.

Information regarding other surviving tokens of this series would be of interest to the authors.

The considerable assistance of Mr. Fred E. Jodrie is gratefully acknowledged.

Address Change

Harry Purdy, formerly of Oromocto, N.B. has moved to 122 Wilson St. Kingston, Ontario and writes to say that he was sorry that he missed the A.P.N.A. Rally in Moncton as he had to move, only two weeks before. He has renewed membership for 1968 and still takes an interest in Maritimes numismatics and looks for his newsletters. He is also looking around for a club in the Kingston area to join.

U.S.A. MEMBER

Richard Becker, one of our American members who lives in West Concord Mass. writes to say that up to now he has not been able to be more than a silent participant in the A.P.N.A.. Now he feels he would like to take a more active part and says he would like to exhibit his fine collection of Maritimes Provinces Coinage at the next A.P.N.A. Rally. He feels the A.P.N.A. has a great growth potential especially in the promotion of Maritimes Provinces coinage interest. He says he is extremely interested in the series and considers himself to be a serious student in this phase of numismatics. He has acquired a complete set of Nova Scotia, New Brunswick and Prince Edward Island coins in what he considers choice condition.

We certainly hope he can make it to the Spring Rally in Halifax in May and look forwrd to meeting him and seeing his fine display.

See you at the A.P.N.A. Spring Rally, May 11th

BEST WISHES

Mr. A.C. MacDonald has recently returned to his home in Armdale, N.S. and is again on the road to recovery from a serious illness. We wish him all the best and that he is soon out amongst us.

THANKS

The Seety-Treas. would like to thank Maurice Gould of Sepulveda California for the novel enclosures he sent along with his membership renewal. The "Caesars Nummus Sacculus" (Caesar's Money Sack) from Caesar's Palace in Las Vegas, Nevada is a real novelty. This an attractively printed plastic bag used to hold your money while at the gaming table. Another novelty is an invitation to attend a meeting of the Israel Coin Club at Santa Monica California. Their slogan is "We are all friendly numismatists". This is printed on the back of an attractive little full color picture of a vase of red roses standing on a table in front of a gold color circular tray. The invitations were printed by a local printer whose name appears in small type on the card and are presented with his compliments. This could be a useful gimmick for some of our local clubs to adopt.

COIN VARIETY

Member Mr.M.J. Correy of 91 Main St. Apt.2B, Nashwaaksis New Brunswick has a bit of a problem and would appreciate any help that anyone may be able to give him.

He has a 1964 Canadian nickelin a strong extra fine condition that has a small line running around on the inside of the beading from the initials KG on the left side at nine o'clock to the T in the word CENTS at the top, about one o'clock. The left-hand maple leaf is touching this inside line. When he compares this maple leaf with another ordinary 1964 nickel, it is plain to see it is much closer. (Similar to the 1926 near and far 6 nickels).

The outside border which is usual on nickels, narrows to nil border or almost nil. The same appears on the Queens head side around the word "Regina". The beads are much closer on the initial KG side and are smaller. He would like someone to give him any information available about the coin itself, its value if any, as a variety, and what may have caused it.

DONATION

We would like to thank Maurice Gould of California for his donation to the A.P.N.A. Library of four little booklets.

These are the Quarterley, the official Publication of the Numismatic Association of Southern California. The four issues are the Summer 1962; Fall 1962; 1963 No.4; 1963 No.3.

SPRING RALLY

The Halifax Coin Club assures us that now that the holiday season is over we can expect more information about the rally to be published. The rally is sponsored by the Halifax Coin Club and will be held on Saturday May 11th, all day, 10am to 10pm, at the Lord Nelson Hotel in Halifax on the corners of Spring Garden Road and South Park St., right across the street from the Public Gardens. There will be lots of room in the large ballroom just off the lobby and persons interested in having exhibits or bourse tables are asked to contact the General Chairman

Fernald Allen, 1333 South Park St., Suite 807, Halifax, Nova Scotia

MIRAMICHI COIN CLUB

The regular monthly meeting of the Miramichi Coin Club was held at the United Church Centre in Newcastle, New Brunswick at 8-30 on December 27th.

"What a Junior Member Sees in a Coin Club" was the subject of a talk given by Maurice Warren and he also pointed out the many advantages of belonging to a coin club, the main one that of becoming more acquainted with numismatics.

President, Dick Masuda then followed up with some hints on the care of ones coins.

The attendance prize, a 1926 near nickel, went to Colin McCarthy.

The attendance prizes for each month are donated by one of the club's members, this month's being donated by Don Hillier.

A vote of thanks was extended Maurice Warren, Editor of the clubs newsletter for the fine newsletters he is producing for the club.

Membership dues are \$2. per year for regular members and \$1. per year for junior members. Dues may be sent to

Secty.-Treas., Miramichi Coin Club, Box 430, Newcastle, New Brunswick.

XMAS SEALS

Dr. C.A. Herbin writes requesting information about Christmas T B Seals of Canada, U.S.A., Denmark, Sweden, Norway, and Great Britain. He would like to obtain information and seals dated before 1927 primarily. They need not be in mint condition nor on cover, but first day covers would be most welcome. He is attempting to illustrate the history of the TB Christmas Seals in the above countries and would appreciate any help given. He has already located a copy of the first Canadian issue in 1908 which was issued for the benefit of the Muskoka hospital for consumptives. He located this in Florida, and also a copy of the 1909 issue was located in Roxdale Ontario. His address is- Box 194, Arichat, Nova Scotia.

FRIENDS

John McKeigan of Oromocto, New Brunswick writes as follows - "Having a membership in the A.P.N.A. this summer while in Ontario and Manitoba was like having an open invitation to any coin club in Canada. The A.P.N.A. and their Spring and Fall Rallys are well known in these two provinces and as a member I was treated as an old friend, by complete strangers, in well organized coin clubs in both provinces.

Keep up the good work."

DUES

The Secretary reminds that there are some dues still to come in.

Send your \$1. dues to

HALIFAX COIN CLUB

The Halifax Coin Club met at the Nova Scotian Hotel on Wednesday January 10th at 8pm.

Due to the illness of Clark Mullock the President, Nelson Boltz was asked to chair the meeting.

Don Simpson, the Treasurer for the last part of the year, presented a fine report on the financial status of the club, the current assets being \$1790.86 .

The Nominating Chairman Charles Longley presented his report, and as there were no further nominations from the floor, the suggested slate of officers was declared elected for the year 1968. Mr Boltz then presented the gavel to Mr Don Simpson, the new President for 1968.

Mr Simpson expressed his gratification to the members for their trust in him and electing him as President. He stated that the president has many responsibilities but that there would be no club without the members, and called upon all the members for their help and co-operation in an effort to increase membership and the science of numismatics within the club.

After a short intermission, to enable members to look over the auction material, Fernald Allen conducted another of his fine auctions.

The attendance prize, a Canadian silver dollar was won by Mrs. Walter Derengoski.

WATERLOO COIN SOCIETY

In the January News Bulletin of the Waterloo (Ontario) Coin Society mention is made under Coning Events about the Atlantic Provinces Numismatic Association Spring Rally to be held on May 11th. We would like to thank them for the mention and also would like to mention that they also have a show coming up.

The Waterloo Coin Society Annual Banquet and Coin Show will be held at the Walper Hotel, King St., Kitchener, Ontario on March 30 and 31.

VISITING

Mrs. Ethel Richards, a member from Shearwater, Nova Scotia writes to say that she enjoys the monthly newsletter very much and wishes the Association all good wishes in the new year. She says she is spending the winter months visiting with her daughter and son-in-law who is in the Air Force, in Moncton, New Brunswick. She will be back in time to attend the Spring Rally in Halifax and is looking forward to visiting with collectors at this fine event.

NEW MEMBERS

CANADIAN COIN COMMENTS

By Bernard G. Kline

During the past year, many collectors have expressed great interest in gold coins. This has undoubtedly been spurred on by the issuance of the Canadian Centennial twenty dollar gold piece.

Early Newfoundland gold coins are among the most beautiful in the world. A good quality of gold was used and they are excellently minted with a pleasing design.

The first of the coins made their appearance in 1865 when the currency of the country was changed from "shillings and pence" to "dollars and cents". They were issued in the two dollar denomination only and represented ten shillings or a half sovereign.

The coin was sometimes exchanged at par with the half sovereign even though the half sovereign was often worth much more at times. However, because most of the inhabitants of the country were so poor, they could not afford to buy much gold and there was a limited issue of all the coins.

Breton lists an 1890 gold pattern coin, which, although it may have been prepared, does not seem to have been issued. If one were to be found, it would probably be worth from \$1500. to \$2000.

Only 2500 of the 1880 coins were issued, making it the rarest of the issued coins. The demand for them far exceeds the limited supply with the result that they are steadily increasing in price. A coin in top notch condition could fetch as high as \$700.

All of the coins were struck at the Royal Mint in London except the 1882 which bears the "H" signifying it was minted at the Heaton Mint in Birmingham, England.

TEANN GHLAC

The Gaelic slogan of the Clan MacLeod is Teann Ghlac, meaning to Hold Fast, and was adopted by Jack Stephens, Vice President of the A.P.N.A., to encourage the local populace of Cape Breton Island to help save the Sydney Steel Works from extinction. Black Friday, October 13, 1967 was the day when the Hawker Siddeley Corp. disclosed their intentions of closing their steel plant in Sydney, N.S. and throwing thousands out of work and effecting 150,000 people in Cape Breton.

Jack designed and issued a Black Friday token with the Gaelic slogan on it and some of the proceeds are going to a March of Concern Committee that are concerned with the preservation of the mills.

The tokens are sold in two sizes, both of aluminum. Anyone wishing more information or wishing to purchase same can write Iron City Coins Box Sydney Nova Scotia.

Ask for their list of tokens and medals, they have many Nova Scotian and particularly Cape Breton medals and token that were issued for the Centennial year.

MARCH 1968 NEWSLETTER

NEW CLUB There has been considerable interest regarding the formation of a coin club in Truro Nova Scotia.

Anyone interested in joining or in helping the formation are asked to contact Mr. Raymond Peppard, 60 Lawnwood Dr., Truro, Nova Scotia.

RETIRED Member, Dr. C.A. Herbin has recently retired from practice in Arichat Nova Scotia and has moved to 258 Main St., Kentville, N.S. Dr. Herbin is a member of the Halifax Coin Club, the A.P.N.A., and is a director of the A.P.N.A.. He holds membership #1 in the CNVCA and continues to collect variety and error coins and will gladly correspond with collectors about them.

CENTENNIAL MEDALS The Canada Centennial Medals are awarded to persons that have distinguished themselves by service to the nation of Canada. We are glad to see that Ottawa has finally realized that Maritimers are really very special and have served their contry more than once. Seems that some of our Nova Scotians have have been deserving of more than one award.

Mrs. Isabel MacAulay of Halifax has received two Canada Centennial Medals, and Dr. Bruce Ferguson of Halifax has received three of the Medals. Collectors need not try to purchase the extras from them, the extras have been returned to Ottawa.

CAPE BRETON Bernard MacPhee of Glace Bay Nova Scotia was elected as President of the Cape Breton Coin Club when the club met recently at the home of E.A. Curtis, Sydney, N.S. Also elected were, John MacIntrye as First Vice President; Mrs. Leslie MacSween as Second Vice President; Major Roy Ward as Treasurer; and Mrs. Ameta Stephens was named as Acting Secretary. Directors elected were, Donald MacLeod, Dr. Skinner, Mrs. Curry and Jack Stephens.

Members discussed participation in the Spring Rally of the A.P.N.A. to be held in Halifax on May 11th.

The Cape Breton Club meets each third Wednesday of the month at 44 Harbourview Drive in Sydney Nova Scotia at 7-30pm.

Members of the A.P.N.A. are welcome when visiting in the area.

JUNIORS Jack Stephens of Sydney N.S. is interested in helping junior coin collectors. Coin Collecting was the topic of a talk by Jack recently at a meeting held in the McConnell Memorial Library in Sydney. Theme of the week was Young Canada Book Week, and Stephens showed books on coins and collecting. He also explained to the children how to care for their coins and a general discussion about coin collecting followed.

SPRING RALLY

One can see from the interest and advance publicity that the Atlantic Provinces Numismatic Association Spring Rally is going to have a very large attendance.

Mention has already been made in most of the numismatic publications, the Waterloo Coin Society Newsletter, the Ontario Numismatic Society Newsletter, Coin World, Canada Coin and Stamp News, The Canadian Numismatic Association Journal, and the Canadian Paper Money Society Journal are all plugging the Rally.

Local publicity has already started and will be very extensive, particularly the last week preceeding the show. Maritime Coin Week will be held the week of the show and the local press, radio, TV, and displays in stores will all point to the show.

A Canadian Centennial Gold Presentation Set is to be raffled off at the rally and tickets are now being sold at 25¢ each or five for \$1., this project will help advertize the show.

Persons interested in purchasing these tickets can write to the Secretary Bernard Kline, 1635 Edward St., Halifax, Nova Scotia please include self addressed envelope.

Another project to help advertize the show will be a big Treasure Hunt. A Treasure Box is being built and will be filled with all kinds of goodies; then there will be clues presented each day over Radio Station CJCH. Progressive clues are to be given each day for the week of the Rally, the last day being the day of the show. The clues will enable the public to gradually figure out where the Treasure Box is to be found, and the clue on the last day will be needed to know the exact location where the treasure is hid. The public will be anxiously watching for the treasure, and all this publicity of the treasure will point to the Rally at the end of the week. The Halifax Coin Club kitty is donating material to go in this Treasure Box and interested members of the Halifax Coin Club and of the Atlantic Provinces Numismatic Association are asked also to donate something for this project. Needless to say, no members of these organizations are eligible to win this treasure, this is reserved for the public. Donors names will be acknowledged in the newsletters. If interested in donating send to the Secretary

Bernard Kline, 1635 Edward St. Halifax, N.S.

Louis Stern, manager of The Trading Post on Granville St. Halifax has announced that he will provide a large perpetual trophy to be awarded for a 1st Prize Coins display. The large trophy is to be awarded at each rally and held by the winner until the next show. A miniature trophy will also be presented to the winner at each show and will be retained by the winner.

Thistle Coins Ltd. of Halifax has previously announced that they would also provide a perpetual trophy for Best of Show. The large trophy to be awarded at each show and retained until the following show and also a miniature trophy to be awarded and kept by each winner for each show.

There are to be other prizes as well.

There are to be two door prizes presented, and the winners will not have to be present as previously announced. Names and addresses of all attending will be placed in the draw and the prizes will be awarded regardless of being present or not.

Bourse dealers are very enthusiastic over the progress being made, the projects planned, and the publicity already received and being planned. Bourse tables will cost \$12. each or \$20. for two adjacent tables.

If interested in having a bourse table contact

HALIFAX COIN CLUB The Halifax Coin Club met on Wednesday evening, February 7th at 8pm in the Nova Scotian Hotel.

The President, Donald Simpson welcomed members and visitors, and then spoke of his recent trip to Ottawa. He also had a pleasant task to perform, in presenting to the Immediate Past President, J. Clark Mull-ock, a A.N.A. Silver Past Presidents Medal which was suitably engraved with the year of office and his name. Clark then thanked the club for the honor and the medal, and then he thanked the membership, and especially the 1967 Executive for their support during his term of office. There were a good number of fine displays of "Victorian British Commonwealth" which was the display theme for the evening.

First prize, a \$5. Thistle Coins Ltd. Certificate was won by Elliott Fineberg for his fine Victorian Canadian and Provincial Coins.

The speaker for the evening was Fernald Allen, and he took us back through time, to the beginnings of the Presbyterian Communion Tokens and related the history of church tokens down to the present time. Another first for Nova Scotia, Fernald said as he continued about the first communion token in Canada used by a Truro N.S. church in 1772. Other denominations have used the tokens including Baptists and Catholics but by far Fernald said they belong mainly to the Presbyterians. They have been made of pewter, lead, glass, leather, tin, copper, and even paper as well as in all shapes such as round, octagonal, square, and rectangular. Fernald also showed his prize winning display of Nova Scotian Communion Tokens mounted on a large map of Nova Scotia and including photographs of many of the churches that issued the tokens. A Canadian Silver Dollar attendance prize was won by H.B. Townsend. After a short intermission, a table auction was held.

BOOK Canada's Treasure Hunt, is the title of a book now being sold on the news stands and book stores that certainly is of interest to Maritimers. The true story of a successful quest for treasure is the sub title and is the story of how a fortune in gold and silver coins lost off the coast of Nova Scotia in 1725, was hunted and found by three young Canadians in 1965, the story by Alex Storm as told to Brian Shaw. You will find this on the pocket book shelf at your favorite store, priced at a modest .95¢ .

MIRAMICHI COIN CLUB The regular January meeting was held on Tuesday evening January 16th at the United Church Centre, in Newcastle, N.B. President Richard Masuda conducted the meeting. During the meeting the election of officers for 1968 was held. The following officers and directors were elected by acclamation -

President	-----	Richard Masuda
Vice President	--	Roy Asoyuf
Secty-Treas.	---	Vincent Mitchell
Directors	-----	Maurice Warren
		Leslie Froment

The bulletin editor, Maurice Warren, was again appointed for the 1868 term. After the business of the meeting, a general swap session got under way. The attendance prize went to Colin McCarthy. Mrs. U. LaPlante, Newcastle, donated the attendance prize for the month. Dues for 1968 are now being accepted, regular membership at \$2. per year and \$1. per year for juniors. send to Secty-Treas., Miramichi Coin Club P.O. Box 430, Newcastle, New Brunswick.

MONCTON COIN CLUB

A well attended meeting of coin collectors was recently held at the Y.M.C.A. in Moncton N.B. The meeting of the Moncton Coin Club was held in the Association Room, and collectors from Moncton, Pedicodiac, Saint John and Miramichi were in attendance. Richard Masuda was guest speaker for the evening. His talk on the vecturist, a collector of transportation tokens was well received by the members and visitors, and it appeared that some of the listeners will join the ranks of the vecturists.

After the business session, an auction of Canadian coins and paper money was held.

Mr. A. Galbraith spoke to the meeting about encouraging the junior collector, and in the name of the club, he thanked the juniors members for their attendance.

NEW CLUB

A new coin club is in the process of formation in New Brunswick.

Cpl. G. D. Ingram of Canadian Forces Base Gagetown, New Brunswick has announced plans to start a coin club at or near the Base which is also close to Oromocto.

Any person wishing to join the club or assist in the formation are asked to contact the Corporal.

MINT ORDERS

There has of late been a considerable information in the numismatic press about some of the material available from the Mint. It has been stated that a book entitled "Heads and Tails" costing \$1.50 as well as a special presentation case with a dollar coin costing \$2.50 was available from the Canadian Mint.

Your editor placed a separate order for each with the mint, and this week has received both orders and postal notes back. The mint informs me that the ordering procedures and prices will not be released until after the middle of April and that they are not accepting orders until after that time. They are accepting orders for the uncirculated coin sets, and the dollar coins only.

GOOD NEWS

Good news has been received from Prince Edward Island.

The P.E.I. Numismatic Association re-organized again in 1967 after a lapse of a year resulting from the death of former President Ted Black. Ted Black was also the Vice President of the A.P.N.A. at the time of his passing and he was the main stay of the P.E.I. club.

In November of 1967 a new slate of officers was elected as follows-

President	-----	Thomas N. Rogers
Vice President	-----	Fred Corcoran
Secty-Treas.	-----	Richard Montigny
Directors	-----	L. F. MacDonald
		Wendall Rogers

The club meets every third Monday of the month at the Canadian Legion Hall in Charlottetown, P.E.I.

The club has renewed its membership in the A.P.N.A.

EDITOR NELSON C. BOLTZ FCNRS, 25 HONEYDALE CR., SPRYFIELD, NOVA SCOTIA

HALIFAX COIN CLUB The 111th meeting of the Halifax Coin Club was held on Wednesday evening, March 6th at 8pm in the Nova Scotian Hotel. The President, Donald Simpson presented attendance prizes for the past few months to the lucky winners, as the prizes had not been available during that period. Canadian silver dollars are used for the awards. He also reported that plans for the spring rally at the Lord Nelson Hotel were progressing favorably. Elliott Fineberg, in charge of the tickets on the 1967 Gold Presentation Set, reported that they were selling very well and he expects that all tickets will be sold. The President said that Major Carroll, Curator of the Money Museum of the Bank of Canada would be coming down to the A.P.N.A. Rally and would be bringing some of the Bank's Numismatic Collection for display. The Major will also conduct an Educational Forum or talks on Maritimes Currency. The speaker for the evening was Donald Simpson, the President, and he gave a very interesting talk on the Coins of the Channel Islands-- Jersey and Gurnsey. Members learned a little geography and history of the islands as well as the information about their currency. Mr L. Sarty thanked Don for his fine talk and said he found the topic most interesting as he had much previous association with the islands himself. The attendance prize for the evening went to Donald Simpson. Elliott Fineberg was once again the winner of the \$5. Thistle Coins Ltd Gift Certificate awarded for his fine display of Maritimes Tokens. The treasurer, Ron Balcon, made his first attempt as Auctioneer and he ably disposed of many lots of choice coins, tokens and paper money.

WOODEN MONEY J. Clark Mullock, 2073 Kline St., Halifax, Nova Scotia has issued a new issue of wooden token and he will send one to each collector that asks for one and includes a self stamped envelope. What is it good for? Last year it was for one handshake. There are other Maritimes issues to come out shortly, including one to be issued by the Halifax Coin Club to be given out at the Spring Rally.

RALLY SPEAKER

COPY OF LETTER RECEIVED

Mr. Bernard G. Kline,
Secretary-Treasurer A.P.N.A.
1635 Edward St. Halifax, N.S.

Dear Mr. Kline.

We have your two letters of March 16th in which you extend an invitation on behalf of the Atlantic Provinces Numismatic Association and the Halifax Coin Club for us to provide an exhibit from our Numismatic Collection for the A.P.N.A. Spring Rally to be held in the Lord Nelson Hotel, Halifax on Saturday May 11th.

We are pleased to accept this invitation and I am looking forward with a good deal of pleasure to attending what will be my first A.P.N.A. Rally. I will bring an exhibit of paper money of the Atlantic Provinces and will require five display cases.

You have requested me to speak on the material which we will be exhibiting and I will be prepared to do this. I would think that giving the talk twice would be sufficient, perhaps once in the morning and once in the afternoon or once in the afternoon and once in the evening, whichever fits in best with your program.

Yours sincerely

S.S. Carrol

Curator
Numismatic Collection
Bank of Canada.

TREASURE CHEST Some members have already sent in material to be included in the Treasure Chest which will be hidden somewhere in Halifax on the day of the rally. The public will be alerted all week by clues given over the radio where to find this and the interest generated will focus their attention on the rally. All those that donate material to this chest will have their names published after the rally in both the A.P.N.A. and Halifax Coin Club newsletters.

Send to Bernard Kline 1635 Edward St. Halifax, N.S.

DUES There are still a few members who have forgotten to send in their 1966 membership dues. Remember it only costs you \$1. per year. Where else can you get such a bargain?

ELKS TOKEN

For the past three years, the Wildwood Elks Lodge of Wildwood Alberta has issued a souvenir token for their Klondike Days Celebrations. The 1968 issue is a 1½" diameter goldine token with an Elks head on one side and a mountain scene and gold miner on the other side. These 1968 tokens as well as the previous two issues, the 1966 and 1967, are available to collectors at \$1. each.

You may order from - Wildwood Elks Lodge
C/O Nick Myschuk
Wildwood, Alberta, Canada

Mr. Myschak also writes as follows -

"My involvement with the 1967 Wildwood Tokens inspired me to make up a Centennial Year collection of my own. Up till now my efforts have been concentrated upon the assembling of a complete set of Alberta tokens issued in 1967. After dozens of frustrating letters I have managed to acquire 42 different Alberta tokens and know of about half a dozen more which I am hoping to acquire shortly.

If any collector would find a list of the Alberta Centennial Tokens helpful, I would be happy to mail them a copy. In fact through my own frustrating experiences and contacts that I have established in the distribution of the Wildwood Tokens, I can either obtain most of the Alberta ones or advise where they may be purchased. If anyone can provide me with a similar service for other provinces I would be most grateful."

NEW MEDAL

This year is the 60th Anniversary of the Royal Canadian Mint. To Commemorate this historic event, a new Nova Scotian company has designed a lasting memento and souvenir that will be sought after by collectors, historians and just plain Canadians that love their country.

A medal to celebrate our countries Mint Birthday is being issued in silver, antique bronze and nickel silver. On one side is a view of the Canadian Mint, and on the other side is a hand, full of Canadian coins with suitable legends on each side.

Maritime Medalic Enterprises, a new Nova Scotian company has been formed by Mrs Marion Boltz and as a first she has designed this 1908-1968 Birthday Medal which promises to be a best seller and a much valuable collectors item of the future.

These medals are now in the process of manufacture by one of Canada's most famous medal manufacturers and are expected shortly.

The 60th Anniversary Medal of the Royal Canadian Mint is priced at -
Silver \$10.50 ; Antique Bronze \$3.25 ; Nickel Silver \$3.25 ; postpaid.

Order from

Maritime Medalic Enterprises
25 Honeydale Cr. , Spryfield, Nova Scotia, Canada.

MEDAL TROPHY

Maritime Medalic Enterprises has announced that they will donate a Medal Trophy to be awarded at the A.P.N.A. Spring Rally. This trophy is to be awarded for the Best Medal Display at the May 11th Coin Show sponsored by the Halifax Coin Club in the Lord Nelson Hotel in Halifax.

A.P.N.A. BREAKFAST

Do not forget to send in your reservation for the A.P.N.A. Breakfast and Annual Meeting. Send in to Fernald Allen.

The price is \$1.75 each person

The time 8am at the Lord Nelson Hotel on May 11th 1968.

CON ARTIST

Coin collectors and dealers are warned to be on the outlook for a con artist passing bad cheques in payment for coins. A man with a French accent recently took some local collectors and dealers in the Halifax N.S. area of their coins with his phoney cheques. This man posed as a Shell Oil Co. of Canada executive that had been sent down to the Halifax area to open a new string of service depots. He had Shell Oil Co. papers and identification papers complete with his pictures on them to prove his position, which he would casually show to dealers and collectors in his conversations to build up his reputation. He would appear at a store on a week day and build up his reputation and get familiar, show his papers and documents in the course of conversation. He would produce bank books and receipts and papers showing his dealing with other merchants in the area including pictures and papers showing the new house he had just purchased. He was such a large collector of coins that he had to pacify his wife once in a while (so he said) and had a false receipt from a local jeweller showing he had bought his wife a diamond. He not only wanted coins for his own collection but was intending to purchase coins and proof like sets to give away to business friends and dealers that he was to set up in the area. He picked out many coins and said in many cases that he would be back later in the week to pick up the material and to hold it for him. He used the week to build up his reputation, gain friends, contacts and prepare all the dealers and collectors for the kill on the weekend. It was on Saturday, after the banks were closed that he would appear to buy his coins picked out earlier in the week but in all cases he had just made previous purchases and was short of cash and was sorry to have to give them a cheque in payment. It was Monday morning before many learned that the cheques bounced and that the man had also fled the Nova Scotian Hotel without paying his bills there either.

TRADES

James J. Russell Box 42, Kelligrews P.O. Conception Bay, Newfoundland has written and asked for other members that are interested in just trading coins to write to him. He is only interested in trading with other collectors and not in making profits on coins.

James Young 16 Mountain Rd. Saint John, New Brunswick
and

John McAvity Kingshurst Rd. East Riverside, New Brunswick

both of the above members have also mentioned that they would like to trade with other members.

1968 QUARTERS

Alton Eisner of Saint John N.B. writes that it is very hard to find 1968 Canadian quarters in his area and that some dealers are selling them at \$12.50 per roll, and they feel that there will be a low mintage of these .500 fine silver 25¢ pieces. He also compliments the A.P.N.A. on the quality of the newsletters and finds them very interesting and informative.

DONATION

One of our newest members, Alex Storm of Louisbourg N.S. has donated an autographed copy of his new book "Canada's Treasure Hunt" to the A.P.N.A. Library. Bernard Kline is the A.P.N.A. Librarian. We do not have a very large library and appreciate very much donations that are made. Books in the library are available to all members of the A.P.N.A.

P.E.I. NUM. ASSOC.

The regular meeting of the Prince Edward Island Numismatic Association was held on Monday January 22, at the Royal Canadian Legion on Pownal St. with 24 people present.

The meeting opened at 7-40pm with the reading of the minutes of the last meeting by the club secretary Richard Montigny.

Mr. T.N. Rogers, club President, then asked every one present to stand and identify themselves so that the others might know who they are.

Mr. Rogers also mentioned in his opening remarks that the club had been formed for the betterment of our knowledge of Numismatics and all its aspects. He also explained the many advantages to the members of belonging to the Canadian Numismatic Association and the Atlantic Provinces Numismatic Association to which the club is affiliated.

Following this, Mr. Rogers displayed the following numismatic journals and magazines, Coins of the World, Numismatic Scrapbook, Coins, Coins and Medals, Coinage, Collectors Guidebook of Coins, Grading, Current Coins of the World, Modern European Coins, Guidebook to U.S. Coins, Coin World, C.N.A. Journal, and A.P.N.A. Newsletters. The members were shown the many benefits to be received by the acquiring of numismatic journals, papers and having a numismatic library, which is more important than having the coins themselves.

A show and tell session brought out many old and interesting coins of the world.

An auction of coins was also held.

Mr. Rogers then conducted a challenging quiz of identifying 10 medallions of the world. It proved very hard for some but was enjoyed by all. The prize was won by Col. L.F. MacDonald.

After the meeting an informal swapping and selling session was carried on.

MIRAMICHI COIN CLUB

The regular monthly meeting of the Miramichi Coin Club was held on Tuesday evening, February 20 at the United Church Centre in Newcastle N.B.

The meeting was conducted by the President, Richard Masuda. After the Secty-Treasurer gave a financial report to date, National Coin Week and the clubs participation was discussed.

The Secretary, Vince Mitchell gave an account of a meeting of the Moncton Coin Club that had been attended by members R. Asoyuf, R. Masuda and V. Mitchell. At that meeting Dick Masuda had been the guest speaker, giving a talk on the Vecturist, A Collector of Transportation Tokens.

A review of the following Auction Rules was given -

1. The club will collect 5% commission on each lot sold. This commission will be calculated to the nearest 5¢ to a maximum of \$2. per lot.
2. The same unsold lots cannot be presented at more than two consecutive auctions.
3. Terms are cash.
4. Lots are to be presented to the Auctioneer prior to the start of the meeting.
5. Grading will be based on Charlton's Grading Guide when the lots are submitted.
6. The Auctioneer's decision on grading is final.
7. All transactions are final.

TRURO COIN CLUB

On Monday Evening, February 19th the Truro Coin Club was formed with 10 Charter Members.

President, Raymond A. Peppard writes that, Darrel Burke, a former member of the Halifax Coin Club will undoubtedly be a fine asset to our club. Of course, as a fledgling coin club we would be indebted for any help and information received.

Atlantic Provinces Numismatic Association

C.N.A. No. 7182

MAY 1968 NEWSLETTER

PRESIDENT DALE GARLAND, MONCTON
SECRETARY BERNARD KLINE, HALIFAX

EDITOR NELSON C. BOLTZ FCNRS, 25 HONEYDALE CR, SPRYFIELD, NOVA SCOTIA

P.E.I. NUM. ASSOC. Thirteen members and five guests attended the regular meeting of the Prince Edward Island Numismatic Association which was held on Monday evening, March 18th at 7-30pm in the Canadian Legion Hall on Pownal St., Charlottetown.

The meeting opened with the showing of 30 slides on the coinage of Newfoundland on loan from the Canadian Numismatic Association. These show that Newfoundland had coinage of bronze 1¢, the silver 5¢ 10¢ 20¢ 25¢ 50¢ and the \$2. gold. The last mintage of Newfoundland coins was in 1947. The picture equipment was on loan from the Sight and Sound Co. Ltd. and was operated by Mrs. L. Vatcher.

Following the slides the business portion of the meeting opened with the reading of the minutes of the last meeting by Richard Montigny the Secretary. Business arising from the minutes was the distribution of tokens from the A&W Drive-In to members unable to make it to the last meeting.

Mr. Cantelo brought up the idea of giving each member of the club one point for each year that they have been a member and if the club were to ever fold up then add up the points accumulated by each member and divide this total into the amount of money belonging to the club. Then each member would get this amount for each point accumulated. It was suggested that this topic be left for further discussion when more information from other organizations was available.

It was moved by Mr. Moase and seconded by Mr. Kennedy that the club purchase 10 Canadian 1968 Dollars from the mint to be used as door prizes or possibly sold later on.

A letter was received from a Mr. Fred Symonds advertising an Island Cent embedded in plastic pens selling for \$3. . The idea did not go over very well with club members.

A letter was read from Bernard Kline, Secty-Treas. of the A.P.N.A. thanking for the club's membership and giving information on the A.P.N.A. Spring Rally to be held at the Lord Nelson Hotel Halifax on May 11th. Membership forms for the A.P.N.A. were distributed. It was noted that a draw for a 1967 Gold Presentation Set will be held at the Rally. These were passed around for members to purchase.

Mr. Moase mentioned that the idea of having the A.P.N.A. Rally in Charlottetown at some future date should be thoroughly investigated. The President, Mr. T. Rogers called upon Mr. Frew to distribute a Churchill Crown to each club member. These were courtesy of Royal Trust Co.. After the business finished Mr. Rogers conducted a very successful auction and Mr. Doane acted as cashier.

The meeting adjourned at 10. pm but an informal trading, buying and social session carried on for quite some time after the meeting.

SPRING RALLY

The May Spring Rally promises to be the best show ever held in the Maritimes Provinces since the 1964 C.N.A. Convention. Some of the many special features will be free wooden tokens, free numismatic literature and door prizes.

There will be two educational sessions conducted by Major Sheldon S. Carroll, Curator of the Numismatic Collection of the Bank of Canada, in Ottawa. The Major is also bringing a large display of Maritimes Currency, some of which will be the first time to be viewed by many attending the show.

Cale B. Jarvis, Toronto publisher of Canada Coin Stamp and Antique News will also attend the rally and is looking forward to visiting his many friends and of course making new ones as well.

Another special feature will be the personal appearance of Alex Storm from Louisbourg N.S.. Alex Storm, the famous diver who located the French treasure ship Chameaux off Louisbourg will bring some of the items recovered from the ship and will have copies of his new book available and will autograph them also.

Members thinking of exhibiting should get busy and get their displays ready, there will be many prizes awarded for displays.

Thistle Coins Ltd of Halifax is giving a Best of Show Award, The Trading Post of Halifax is giving a First Coins Award, Iron City Coins of Sydney N.S. is giving a First Tokens Award, and Maritime Medalic Enterprises of Spryfield N.S. is giving a First Medals Award, and the Halifax Coin Club is giving prizes in other categories as entries warrant.

There will be a drawing for a Canadian Centennial Gold Presentation Set.

There will be lots of room, the main ballroom is being used for the bourse and displays, and a separate room is reserved for the luncheon, the educational sessions and the combined Mail and Floor Auction conducted by Fernald Allen of Thistle Coins Ltd. The educational and auction sessions will in no wise interfere with the bourse room and the bourse room will in no wise interfere with the auction room.

Both coin dealers and stamp dealers will be in attendance.

The show will be in the main ballroom just off of the main lobby of the Lord Nelson Hotel .

The public will be admitted for 50¢ each from 10am to 10pm.

Previous to the show, at 8am there is to be an A.P.N.A. Combined Breakfast and Business Meeting. Besides the breakfast and general meeting there will also be an election of A.P.N.A. officers to serve for the next 18 months. The cost of this meeting breakfast is \$1.75 each.

Please notify Fernald Allen of your intentions to attend this meeting as we would like to know how many reservations to make for the meal.

C.N.A. JOURNAL

In the April issue of the C.N.A. Journal there are two articles by member Dr. C.A. Herbin of Kentville N.S.

Both on page 144, one is "Coinage of New Brunswick", and the other is "Coinage of Prince Edward Island". Both articles should be of interest to Maritimes collectors, and were reprinted from the A.P.N.A. newsletters.

It would benefit you to join the C.N.A. if you are not already a member. Application for membership in the Canadian Numismatic Association may be made by any reputable person upon payment of \$6. to the

General Secretary, Mrs Louise Graham, P.O. Box 313

Willowdale, Ontario.

HALIFAX COIN CLUB

The last meeting of the Halifax Coin Club was held on Wednesday evening, April 3rd at the Maritime Tel & Tel Telerama on Barrington St. Halifax.

A. Mitchel MacDonald is the Supervisor of the Telerama, a Centennial Display or Museum that was set up to show the history and succeeding forms of communications from early history with visual and audible types of signaling such as smoke, flags and drums, down past and through the telegraph and telephone to the present forms of TV Phones and satellite communication as well as micro wave systems and the types of pocket phones that we see on TV science fiction movies.

Most of the displays were actual working models and Mitchel demonstrated how all these forms of communication worked.

The attendance at this meeting surpassed the attendance of the previous meetings for quite some time past, and the informal trading, selling and social session after the tour of displays was most thoroughly enjoyed by all.

The luncheon served was most delicious and there were lots of goodies left over.

C.P.M. Journal

An interesting Maritimes article is in the January Journal of the Canadian Paper Money Society.

"The Farmers Bank of Rustico; An Early Peoples Bank" part 1 is published in the Canadian Paper Money Journal of January and future issues will continue to complete the story.

The complete story was published in the Summer issue of the "Dalhousie Review" put out by Dalhousie University Halifax N.S..

The article was written by John T. Croteau an Economics Professor in both American and Canadian Universities. He taught Economics at Prince of Wales College and at St. Dunstons College, Charlottetown P.E.I. from 1933 to 1945.

The Farmers Bank was hitherto almost unknown in numismatic circles and was Canada's smallest bank.

There are often articles of interest to Maritimers in the Canadian Paper Money Journal and certainly if you are a paper money collector you should belong to the Canadian Paper Money Society.

Application for membership in the C.P.M.S. may be made by any reputable person upon payment of \$10. to the

General Secty., Jack Veffer 199 Haddington Ave. Toronto 12, Ont.

TOKEN AWARD

Jack Stephens has informed us that Iron City Coins Ltd. of Sydney N.S. will award a trophy for the A.P.N.A. Spring Rally to be held in Halifax on May 11th.

The award will be for the Best Token Display at the rally.

ELECTION

The election of officers for the A.P.N.A. will take place at the Combined Breakfast and General Meeting at 8am May 11th at the Lord Nelson Hotel. Please notify your intentions of attending. Cost of the Breakfast is \$1.75 per person.

Future rally dates and places are also decided at these meetings.

Atlantic Provinces Numismatic Association

C.N.A. No. 7182

PRESIDENT JOHN W. STEPHENS

SECRETARY BERNARD G. KLINE

EDITOR NELSON C. BOLTZ FCNRS 25 HONEYDALE CR., SPRYFIELD, N.S.

P.E.I. NUM. ASSOC. The regular meeting of the Prince Edward Island Numismatic Association was held on Monday evening, April 15 at the Royal Canadian Legion Hall in Charlottetown, P.E.I. The meeting opened at 7-30 with the reading of the minutes of the last meeting by the Secretary, Richard Montigny.

Publicity about the A.P.N.A. Spring Rally in Halifax was read and it was decided by many present that they would attend.

It was noted in articles read by Mr. Rogers that gold coins being offered for sale newspaper through newspaper adds were turning out to be English Sovereigns and not Canadian Centennial 20 dollar gold coins as many people seem to think because of the wording in the adds. Members were warned to beware of misleading advertizing and about the true values of coins.

The first speaker of the evening was Don Martin of Don Martin Inc. who spoke on insuring coin collections. He noted that coins could be insured individually or by blanket coverage. The talk proved very interesting and enlightening to all present. The President, Mr. Rogers extended thanks to the speaker on behalf of the club.

Next Mr. Earle Kennedy spoke on the Prince Edward Tree Cent. Mr. Kennedy noted that the act to establish the decimal system of coinage on the island was passed on April 17, 1871. Although this coin is not rare it is said to be one of Canada's most beautiful coins. The reverse shows one large tree with three saplings beneath surrounded by a beaded circle. There is no consistency in the many descriptions of the types of trees that appear on the coin. The bust of Queen Victoria on the obverse is different from the portrait used on the coins of Canada. Two other differences noted about this coin is that there is no H for Heaton Mint where the coins were struck and that the legend on the obverse is in English. There is also a difference between the quantity listed as minted in a popular coin reference and the number shown in original mint records, 400 thousand and 2 million respectively. The coins were received by the Bank of Prince Edward Island and the invoice shows the coins consist of 95% copper, 4% tin, and 1% zinc. This talk was enjoyed immensely by everyone, and Col. MacDonald expressed the Club's appreciation to Mr. Kennedy. The meeting adjourned at 9-30 but a great deal of private trading and visitation carried on after the meeting.

SUMMERSIDE COIN CLUB We are sorry to hear that it has been found necessary to disband the coin club in Summerside P.E.I. . It is most fortunate that there is another coin club handy, and so the collectors from Summerside now travel to attend meetings of the P.E.I. Numismatic Association in Charlottetown. Many of the Summerside Coin Club members were military personnel that have been gradually relocated to other parts of Canada.

TRURO COIN CLUB

The regular monthly meeting of the Truro Coin Club was held at Taylor's Motel on the North River Road on Monday evening, May 13th, with the President, Ray Peppard as Chairman.

This fledgling coin club formed in February of this year with ten charter members, welcomed three new members into the club; Layton Tattrie, Kim MacCallum and Harry Forbes. Guest at the meeting was Crawford Purdy.

Following the business portion of the meeting a coin auction was held and conducted by the club secretary-treasurer, Darrel Burke, assisted by the president and Kim MacCallum.

The club holds meetings the second Monday of each month but no meetings are planned for the months of July and August.

Persons desirous of making application for membership into the Truro Coin Club may contact the club Secty-Treas. Darrel Burke at 42 Roosevelt Ave., Truro, Nova Scotia.

Officers recently elected were

Miramichi Coin Club

The March meeting of the Miramichi Coin Club was held on Tuesday evening, March 19 at 8-30 in the United Church Centre in Newcastle New Brunswick.

Mr. George Cunningham donated the monthly door prize, and Don Hillier was the guest speaker for the evening.

After the business part of the meeting and the talk there was an auction of coins and paper money.

BLACK FRIDAY

It was a Black Friday late last year when the owners of the Sydney Steel Works announced their decision to close down the plant.

Jack Stephens of Sydney instigated the issue of a Black Friday Canadian Centennial Token. The theme of this protest token which also paid tribute Canada's Centennial Year was the Gaelic slogan 'Teann Ghlac' - Hold Fast - , referring to the fact that the area's largest employer had announced that it would close its plant on April 30, 1968.

That date has since past and the plant is still in operation, thanks to the fact that it was purchased by the Nova Scotian Government.

To celebrate this continuation of business, a number of the Black Friday Tokens have been counterstamped- ' May 1st, 1968, Teann Ghlacadh '- Holding Fast - indicating that the people have won a major battle.

This 38.5mm diameter aluminum counter-stamped token is available for sixty cents from

Iron City Coins Box 131, Sydney, Nova Scotia.

COIN THEFT

At a preliminary hearing on May 21st, Donald Murphy, Kenneth Murphy and Ernest Bowser were charged with having possession of a suitcase containing a quantity of coins valued at over \$50. Constable James Young, the beat constable who overheard a radio call warning of a break at Kline's Ltd., Gottingen St. identified the three men that he caught less than a block away from the store with the suitcase full of coins.

Samuel Jacobson, president of Kline's, testified the coins were his and had been taken from his office and he valued the coins at over \$1,500. face value.

Mrs. Florence Pyre testified she had been awakened about 1:30 am by a noise and when she looked out of her window she saw a ladder against her window leading up to the third floor. Her first thought was that some one was trying to get into her daughter's window and so she called the police.

Judge E.D. Murray adjourned the case for further argument and decision.

TRAVELLERS

Three members of arrived back in holidays in good Dr.A.N.Lamplugh of England for two weeks and then went down to spend the Easter Week in Israel.

the A.P.N.A. have recently Nova Scotia after enjoying old Europe and Africa.

Fernald Allen of Halifax, N.S. and A. Mitchel MacDonald of Armdale, N.S. both went together to tour Britain.

All three have been telling us some of the highlights of their trips and naturally making us sort of jealous showing us some of the numismatic goodies that they picked up on their many jaunts into coin shops and bazzars.

MIRAMICHI COIN CLUB

The regular monthly meeting of the Miramichi Coin Club was held on Tuesday evening, April 23rd at the United Church Centre in Newcastle, New Brunswick.

President, Richard Masuda presided over the meeting and called upon members to join the Canadian Numismatic Association and the A.P.N.A. It was announced that the Miramichi club would hold a joint meeting with the Moncton Coin Club.

Also during the program an interesting coin auction was held with Richard Masuda as auctioneer. A Newfoundland re-engraved 1940 cent was hammered down at \$8.40.

The attendance prize was won by Andrew Duthie.

CANADA'S COINS?

There is much speculation about the reported coin shortage in Canada and about the types of coins she will issue in order to overcome it.

Presently the 5¢, 10¢, and 25¢ coins are being issued in 50% silver and that the mint is striking these coins in pure nickel to be issued sometime in June.

Now comes a report that the rejection devices for the vending machines that was supposed to accept both the pure nickel coins and the silver coins is not working out as well as expected.

The U.S.A. Mint is reportedly being sought to provide the sandwich (clad) strip and that Canada's coins will be the same as the States. Will we have clad coins and nickel coins and silver coins for 1968? If we have three type coins, watch the bag boys.

A.P.N.A. SPRING RALLYA WHALE OF A TIME ENJOYED BY ALL

Yes everyone that attended the A.P.N.A. Spring Rally in Halifax at the Lord Nelson Hotel on May 11th will admit that they had a Whale of a Time and that this was the most successful Rally ever held and that it will be extremely hard , if not impossible, to try and ever have a better one.

A.P.N.A. members started to throng in at 7-30 to attend the 8am breakfast and by 10am the crowds were lining up to see the exhibits. During the day more than 1,000 persons including approximately 150 scouts and cubs, filed through the ballroom to look, buy or sell coin supplies, coins, medals, tokens, paper money and deep sea treasure. There were collectors and dealers from all over the Maritimes as well as distinguished visitors who added to the excitement and certainly provided the publicity to make the show a success. Cale Jarvis, of Toronto Ontario, publisher of Coin Stamp and Antique News personally was there handing out free copies of his paper. Alex Storm, 'Le Chameau' Treasure Hunter from Louisbourg, Nova Scotia was there autographing copies of his recent book 'Canada's Treasure Hunt'. He had many artifacts from the treasure ship on display and his table was a popular crowded spot all during the show.

Major S. Sheldon Carroll, Curator of the Numismatic Collection of the Bank of Canada, brought with him a display of Maritimes Provinces Currency, most of these items were very rare and will not possibly be seen by collectors in this area again. Major Carroll also gave two very important talks, one in the afternoon and one in the evening about the currency of the Maritimes.

Alex Storm donated one of the 24 pound cannon-balls from the Treasure Ship Chameau for a door prize and it was won by Miss Tanya Cochkanoff of Rockingham, Nova Scotia.

Raffle tickets had been sold on a Canadian 1967 Gold Presentation Set and this was won by Ron Burns of Halifax , Nova Scotia.

Among the free gifts handed out to visitors were City of Halifax Kingfisher pins, notepads, maps of Halifax, copies of Coin World, Numismatic News and Coin Stamp Antique News, and souvenir wooden A.P.N.A. 10¢ pieces.

Bourse dealers from New Brunswick, Prince Edward Island and Nova Scotia were in attendance and all reported exceptional sales, the best run show they have seen, so they say, and certainly the most advertised. Dealers that neglected to come have heard the news and are reportedly kicking themselves for not coming.

The two Canadian 1967 Proof Like Sets offered as door prizes were won by Mrs. V. MacDonald and Ron Wilson, both of Halifax, N.S.

Fernald Allen of Thistle Coins Ltd of Halifax, N.S. conducted a very successful combined Mail Bid and Floor Auction, Fern says it was the best ever, and Thistle Coins handed over more than \$100. to the A.P.N.A. in Auction Fees. All bids were honored as well.

There were two Non Competitive Displays, one was a Centennial Display shown by the Royal Trust, Halifax, N.S.; and the other was a Paper Money of Atlantic Provinces display shown by the Bank of

Canada, set up by Major Carroll.

Competitive Displays are getting better all the time and it is getting increasingly much harder to win at these rallies. The displays were very well done and there was material of all categories shown.

A.P.N.A. RALLY

The judges for displays, David Boone of Halifax, and Cale Jarvis of Toronto, mentioned that the displays were very close in calibre and that the displays that failed to gain awards were almost as good as those that did win and that special mention should be made to all exhibitors that they also had fine displays and should not be disappointed and to try harder next time. K. Ray Mabee of Moncton, New Brunswick won the Token Trophy for one of his fine displays of Maritimes Tokens, Ray also had some other very fine displays and certainly puts a lot into his displays. Charles Longley took the Paper Money Trophy for his excellent display of Canadian Paper Money.

Elliott Fineberg of Halifax was the big winner, he won the Medals Trophy with his display of Isreal Medals and also took Best of Show for a display of Canadian Dollars (Silver).

Ed Hall of Radio Station CJCH presented the Treasure Chest which had been advertised on the radio all week. Clues were given each day which eventually told where to find the treasure note. There were many hundreds of coins, tokens, medals and paper money, as well as 50 Canadian Silver dollars in this valuable chest.

The morning after the final clue, Robert Safire, of Halifax was down before eight oclock in the morning, waiting at the gates to get into the Halifax Public Gardens to look in the Band Stand where the Treasure note had been hid. Workmen painting and garenning around the Bandstand were certainly disappointed when they learned that they had been working around the Note for two days and had not seen it, it certainly pays to keep ones eyes open.

Ed Hall presented the Treasure Chest to Mr Safire, and Mr Safire commented that he was not a collector and would have to think over what he intended to do with his windfall.

Thanks are extended to the following for their donations which made up the Treasure Chest - Halifax Coin Club, Robert Crowell, Mrs.W.A. Derengoski, Elliott Fineberg, James Russell, Bernard Kline, George Hadley, Mrs. Dorothy Rickard, Ron Balcom, Thistle Coins Ltd., Carl Allenbaugh, Louis Stern, Scotia Stamp Studio, Clark Mullock, George Flie, and Nelson Boltz.

Thanks are also extended to the following who have donated trophies for the displays - Best of Show Trophy donated by Thistle Coins Ltd of Halifax ; Paper Money Trophy by The Trading Post of Halifax ; Tokens Trophy donated by Iron City Coins Ltd of Sydney N.S.; and the Medals Trophy donated by Maritimes Medalic Enterprises of Spryfield, N.S.

The A.P.N.A. Breakfast Meeting was the best attended Business Meet- that has been held to date. It seems members are more inclined to discuss business in the morning than at afternoon or evening meets. A motion was passed to allow member clubs to use the A.P.N.A. Crest Die for striking medals without charging them any fees and to allow the member club to retain all medals profits that they might make. A motion was passed to give the A.P.N.A. Fall Rally 1968 to the Moncton Coin Club and to give the 1969 Spring Rally to the Halifax Coin Club. Another motion passed would allow members to place adds in the monthly newsletter.

The Moncton Coin Club announced the Fall Rally date as October 5th. The Halifax Coin Club will announce the Spring Rally date later. The Prince Edward Island Numismatic Assoc. has expressed a desire to host some future Rally, perhaps the Fall 1969 or Spring 1970.

It certainly is the wishes of all Maritimes collectors to be able to attend a Rally on P.E.I. and the A.P.N.A. will certainly be glad to help fullfill this eventuality.

NEW A.P.N.A. OFFICERS

An Election of Officers to hold office for the next eighteen months took place at the A.P.N.A. Breakfast Meeting at the start of the Rally on Saturday May 11th, 8am.

The following officers were unanimously elected -
 Immediate Past President - Dale Garland, Moncton, N.B.
 President - Jack Stephens, Sydney, N.S.
 Secretary-Treas. - Bernard Kline, Halifax, N.S.
 Editor - Nelson C. Boltz FCNRS

Directors - Dr. C. Herbin, Kentville, N.S.
 Elliott Fineberg, Halifax, N.S.
 Jeffery Bell, Moncton, N.B.
 Donald Kelly, Saint John, N.B.
 Richard Montigny, Charlottetown, P.E.I.
 Wendell Rogers, Summerside, P.E.I.
 James Russell, Kelligrews, Newfoundland.

HALIFAX COIN CLUB The Annual Banquet and Meeting of the Halifax Coin Club was held at King's College on May 8th. Favors given out were note pads, pens and wooden 5¢ tokens. The President, Don Simpson was unable to attend because of previous business commitments in Ottawa and so the Vice President, Elliott Fineberg chaired the meeting. Pleasant surroundings and a fine chicken dinner were thoroughly enjoyed and then the highlight of the program was the guest speaker Major Sheldo S. Carroll, Curator of the Bank of Canada Money Museum in Ottawa Ont. Thistle Coins Ltd donated a 1967 BU Unc Canadian Silver Dollar for a door prize which was won by Charles Longley. The floral centre piece on the head table was drawn for after the dinner and was won by Miss Marion Simm. An auction was conducted by Fernald Allen, after the speaker was finished. A. Mitchel MacDonald introduced the speaker, who really didn't need any introducing, who doesn't know Major Sheldon Carroll? He was the President of the Halifax Coin Club in 1961 and he said coming to Halifax was just like coming home. The talk combined a review of coin collecting and of course the thing most dear to his heart, the Bank of Canada Money Museum and its collections and his work there. Clark Mullock, Immediate Past President, presented the Major with a set of the silver and bronze Halifax Coin Club Centennial Medals and thanked him on behalf of the club and its members.

THE SECRETARY-TREASURER'S REPORT

FINANCIAL From the financial point of view, the past 18 months have been very successful as far as the A.P.N.A. is concerned. As you can see from the report, our cash assets have increased from \$187.47 as at October 1, 1966 to \$470.17 as at May 11, 1968, an increase of \$282.70. However, it is evident that the Association cannot operate on the revenue derived from payment of membership dues alone, but must have some other form of income however small, to augment this source of revenue. It is not the intention to raise the dues at this time and this will not be done except as a last resort.

PROPERTY Items of property belonging to the Association as at May 11, 1968 are as follows:

- 1 set of A.P.N.A. Medals - 1st Issue, May 7, 1966 (1 silver #5 & 1 bronze)
- 1 set of A.P.N.A. Medals - 2nd Issue, Oct. 14, 1967 (1 silver #122 & 1 bronze)
- 1 metal Engraving of Association Crest (for use on letterheads & membership cards)
- 1 metal Die of Association Crest (for use in striking commemorative medals)
- 1 Spirit Duplicator (for use in producing Newsletters and other forms)

MEMBERSHIP To date 169 individuals and clubs have joined the A.P.N.A. since its inception on May 8, 1965. As of May 11, 1968, 48 of these have not renewed their memberships due to deaths, moving away and other reasons. Present paid up membership in the Association is 121 members. The breakdown by territory of the members is as follows:

N. S.	68	QUE.	1
N. B.	33	ONT.	5
P.E.I.	8	B.C.	1
NFLD.	2	U.S.A.	5

The number of members from Nova Scotia has increased slightly over the previous year, but our New Brunswick membership has dropped considerably and there has also been a slight drop in the P.E.I. membership. We wish members and clubs in these areas would get out and sell A.P.N.A. to their fellow members and friends. In the fall, it is our intention to put on a membership drive and all members and clubs will be asked to obtain new members from their areas.

With regard to the above, we would like here to reprint a short article which appears in the A.N.A. Club Bulletin:

"Never scorn drop-outs or just FEEL SORRY FOR THEM. They are a challenge to our collective ability, one that must be heeded because they drag down our economy. Welfare payments and unemployment insurance are only part of their cost to

society. We are also poorer because of their lost potential, i.e., what they would have contributed, had they only stuck things out. It's everybody's business to help them get reoriented and productively employed

Coin Clubs are like society in that respect. OUR drop-outs are the former members who are still eligible to belong. They joined for awhile, then failed to renew. WHEN THEY DROPPED OUT, WE LOST MUCH MORE THAN THEIR DUES. Had they stayed in, how much more effective our group would have been!

GETTING THEM BACK INTO HARNESS ISN'T SIMPLE. As any membership committee can confirm, it's EASIER TO RECRUIT A BEGINNER OR A NEWCOMER IN THE FIELD, THAN TO GET A FORMER MEMBER BACK ABOARD. Why? Because he quit FOR A REASON, and that lingering objection has to be overcome before he will consider reaffiliating.

Getting his real reason out on the table can be 90 percent of the job. "Too busy for conventions . . . No time to read bulletins . . . Better use for the money." These are stock answers that serve to cover up (1) Failure to make friends among the members; (2) resentment over a snub, actual or imagined; (3) rejection of a prized idea or suggestion; (4) disapproval of some isolated tactic or position; or (5) a personality conflict with some officer, chairman or key member.

If we lacked good answers to such complaints, we wouldn't have any coin clubs today. Half the reinstatement battle is won when the truth comes out. Reaching that point may take time and patience, but persistence normally pays off in the end.

As a rule, winning back a drop-out is a one-man assignment. KEEPING HIM IS A JOB FOR US ALL!"

Fortunately for the A.P.N.A., not all of our members are expecting to become "drop-outs". One member has shown his strong support for the Association by paying his dues in advance for the next SEVEN years, this despite the fact that the idea of life memberships in the Association was rejected at a previous meeting. Another member, who does not even reside in one of the Atlantic Provinces, has paid up for FIVE years and three others have paid for the next TWO years. Potential "drop-outs" please take note!

NEWSLETTER Many favourable comments have been received from members concerning the Association Newsletters issued during the past season. Some have just stated that they enjoy reading it, others have offered a number of constructive criticisms, and still others have said absolutely nothing. THIS IS YOUR ASSOCIATION AND YOUR NEWSLETTER - THEY WILL ONLY BECOME WHAT YOU, AS AN INDIVIDUAL MEMBER, HELP TO MAKE THEM! We would appreciate receiving more news about other coin clubs and individuals as well as articles on numismatic subjects for publication. Please note that members may now place small classified advertisements in the Newsletter, stating that they have coins, etc., to sell, exchange, or that they wish to buy. There will be a small fee charged for this special service. Please contact the Editor or the Secretary-Treasurer for rates and details.

RALLIES Our May 11th Rally in Halifax was the most successful one yet held for the A.P.N.A. from the standpoint of attendance, planning, exhibits, special guests and finances. Those who came to the show thoroughly enjoyed themselves and those who didn't come are sorry that they didn't. The next Rally will be sponsored by the Moncton Coin Club at the Brunswick Hotel in Moncton on October 5th. We are sure this fine club will do well as they have always done in the past.

The Spring 1969 Rally is to be held in Halifax and will be jointly sponsored by the Halifax Coin Club and the Nova Scotia Stamp Club. At their meeting in March, the Stamp Club gave their wholehearted support to the idea and have agreed to support the A.P.N.A. in every way. The Halifax Coin Club have also agreed to the idea of a joint showing at one of their recent meetings. At the May 11th meeting of the A.P.N.A., the joint bids from the two clubs was unanimously accepted by the executive and members. We also heard a proposal from the P.E.I. Numismatic Association that they may undertake to host the Fall 1969 Rally in Charlottetown - a "first" for them.

MEDALS We have received news that there will be another medal struck in the current A.P.N.A. series. The Moncton Club has announced that this one will probably be produced by the Canadian Artistic Dies Inc. Details as to design on the obverse have not yet been released by the club. The reverse will have the A.P.N.A. crest as in previous issues.

CONSTITUTION The Association is still without a legally adopted set or rules for use in conducting the affairs of the organization. Thus far, we seem to have made out fairly well, without any major problems cropping up. However, it is time that further action was taken to adopt a formal constitution in the Association and it is hoped that further action will take place under the new administration. Several draft proposals have been made up and studied in some detail by several of the special constitution committee set up some year or more ago at one of our regular meetings, but nothing further has come of this to date. It is felt by some, that out-of-town members should have a vote by mail in the election of officers, as it is impossible for them to get to the meetings in person. Provision in the constitution would provide for this situation.

Respectfully submitted,

Bernard G. Kline,
Secretary-Treasurer A.P.N.A.

EDITOR NELSON C. BOLTZ FCNRS 25 HONEYDALE CR., SPRYFIELD, N.S.

CONGRATULATIONS

A.P.N.A. Past President, Dale Garland of Moncton New Brunswick extends his congratulations to the Halifax Coin Club for a job well done. He is sure that all in attendance at the Spring Rally must have realized the tremendous amount of work that the club members put into the show.

MONCTON COIN CLUB

The Fall Rally of the A.P.N.A. was the main topic under discussion at the June 6th meeting of the Moncton Coin Club. The members are working hard to have an A.P.N.A. Medal available for the Fall Show in Moncton. All preliminary arrangements have been made with Canadian Artistic Dies for the striking of 100 silver and 400 bronze medals.

At the Fall Shows of the A.P.N.A. for the next few years a new plaque will be awarded. The Plaque will be known as the Moncton Coin Club Achievement Award. Dale Garland has announced that he will donate these plaques to the Moncton Coin Club as a token of appreciation of the excellent co-operation he has received from all members of the A.P.N.A. during his term of office as President of the A.P.N.A.. The Executive of the Moncton Coin Club will be responsible for the selection and awarding of the plaques. Only A.P.N.A. members may receive this award, and members that have made outstanding contributions to numismatics will be selected.

Special guests at the meeting were three car loads of members of the Miramichi Coin Club from Newcastle, N.B.

APPEAL

Member Alex Storm of Louisbourg, N.S. is appealing a Supreme Court ruling which gave five men rights to a 25% share of the treasure. Storm claims a contract with the five men, headed by Robert MacDonald of Glace Bay, N.S. became invalid after 1962 because of lack of co-operation and active help of the five man group. An appeal involving the ownership of the treasure that was recovered from the sunken ship Chameau, scheduled to come before the appeals division of the Supreme Court on June 19th has been postponed until the fall term. The case was rescheduled because of a shortage of judges for this term.

SPEAKER

Member Maurice M. Gould of Sepulveda, California recently presented a slide program on the Baker Tour of Zambia and Israel to a meeting of the Israel Coin Club of Los Angeles. Gould also spoke on the history of the coinage of Israel and about the Israel Numismatic Society, of which Maurice is the Secretary.

TRURO COIN CLUB The last meeting of the Truro Coin Club was held at the home of Harry Forbes on June 10th. Meetings were suspended for the months of July and August with the next meeting to be held in September. Any one desiring information on the Truro Coin Club can contact the Secretary, Darrell Burke, 42 Roosevelt Ave., Truro, Nova Scotia.

CAPE BRETON COIN CLUB The monthly meeting of the Cape Breton Coin Club on May 15th was held at the home of Mr. and Mrs. E.A. Curtis in Sydney, Nova Scotia. During the meeting Mr. Bernard MacPhee spoke about his trip to Halifax to attend the Spring Rally of the A.P.N.A. After the meeting a delicious lunch was served by Mrs. Curtis and Mrs. MacSween. It was announced that the June meeting was also to be held at the home of Mr. and Mrs. E. Curtis on the 19th at 8pm. Members were reminded that this would be a special meeting and that there was to be a Lobster Supper at only \$2.00 per person.

They are not available from the Queen's Printer as in former years.

SLOW NEWS The A.P.N.A. Newsletters are a bit slow and short this summer but hope you will bear with me. Your editor suffered an industrial accident on July 5th and has been without the use of one hand since. I was in hospital during the week of the C.N.A. Convention and was unable to attend, and have had a cast on my arm since. I have sort of lost contact with clubs and collectors these past two months because of this but expect to be back in full harness by next month.

HALIFAX COIN CLUB The Halifax Coin Club held their June 5th meeting at Keith Hall on Hollis St. The President Donald Simpson chaired the meeting and welcomed members and guests. Don announced at this meeting that the club was issuing an invitation to the C.N.A. to host the 1970 Convention. A Thistle Coins Ltd. \$5. Credit Note display prize was won by Elliott Fineberg for his display of Gold. This was the third time that Elliott won a display prize and so he qualified to win also the book "Canadian Coin Cabinet" which was donated by Regency Coins for the first member that would win three display prizes. The Canadian Silver Dollar door prize was won by Mrs. W. Derengoski. A. Mitchel MacDonald and Fernald Allen had just returned from a trip to England and Scotland, and the members enjoyed the talk given by each as they related their many experiences and sights. They visited the coin dealers and antique stores all over England and Scotland and both bought many numismatic items. They also enjoyed visiting many museums including the British Museum and also the Royal Mint and saw the new decimal coins and the Bahama's Gold Coins being struck. It was noted that the collectors over there are now also collecting by date and are using the Whitman folders. After the meeting the members retired to the cellars for refreshments, compliments of "Olands".

PROOF LIKE SETS Local collectors report they are now receiving their Canadian 1968 Proof Like Sets and the Proof Like Dollars. Most are reportedly disappointed that the silver dollar has been discontinued and they say that they would gladly pay an extra premium if they could continue to receive silver dollars. The nick-dollars could be used for circulation and in the Proof Like Sets and the silver dollars issued only as Proof Like for collectors.

HALIFAX COIN CLUB

The Halifax Coin Club held their July 3rd meeting at the Lord Nelson Hotel on Spring Garden Road Halifax. Charles Longley was the guest speaker and his topic was "Paper Money". Charles is the Maritimes Director of the Canadian Paper Money Society, and of course Charles put in a plug for them, and passed around sample copies of the Canadian Paper Money Society Journal which is issued each quarter and contains much valuable information and interesting articles on paper money. Charles also passed around many fine samples of paper money from his collection to help illustrate his talk. Many collectors refrain from cleaning coins but Charles said that most paper money collectors clean their paper notes if required and can raise the grade and quality by doing so.

A most enjoyable event was the "White Elephant Auction" with Auctioneer Fernald Allen disposing of many an odd item besides the numismatic goodies. The coins, medals, tokens etc were interspersed with old magazines, salt and pepper shakers, records and other wierd items.

A Thistle Coins Ltd. \$5. Credit Note display prize was won by Ed Paquette for his fine display of British Medals.

WOODEN MONEY

On May 8th the Halifax Coin Club gave out wooden nickels to all attending the Annual Banquet held at King's College. These nickels are round, 1" in diameter and $\frac{1}{4}$ " thick. On one side is the Halifax City Emblem, a Kingfisher and surrounding is the wording "HALIFAX COIN CLUB". On the other side is printed "GOOD FOR 5 CENTS IN TRADE".

On Saturday May 11th the Halifax Coin Club gave out wooden dimes to all attending the A.P.N.A. Spring Rally. These dimes are round 1" in diameter and $\frac{1}{4}$ " thick. One side has the Kingfisher (as has the nickel above). The other side is printed "A.P.N.A. COIN RALLY 10 CENTS 1968".

Both of these pieces were printed in purple and were made for the club by Nelson C. Boltz.

SAINT JOHN COIN CLUB

The regular meeting place of the Saint John Coin Club has been changed from the Royal Hotel to the Admiral Beatty Hotel, Saint John, New Brunswick. Meetings are held on the last Thursday of each month at 8pm and visitors are welcome.

P.E.I. NUMISMATIC ASSOC. The May meeting of the Prince Edward Island Numismatic Association was held at the Royal Canadian Legion with 12 members and 2 guests present. The speaker for the evening was Col. L. F. MacDonald who delivered a very interesting talk on "Island Currency". It was noted that Louis XIV in 1670 issued the first coins for use in Canada. In P.E.I. early currency used by the Indians and later the settlers was the wampum - they were shells used for gifts and inter tribal trading. After the Island became settled many private tokens were issued. John Melliner in 1840 issued the "Sheaf of Wheat" token with the "Speed the Plough" following later. William Fitzpatrick a local shoemaker, deposited money in the Treasury at Charlottetown and issued leather notes. They were accepted as currency by all the local merchants. Mr. T.N. Rogers, club President thanked Col. MacDonald for his fine illuminating talk and also extended to the Col. the Club's congratulations on the occasion of his having received an Honorary Doctor of Laws Degree from St. Dunstan's University, his Alma Mater. The club also decided to purchase a copy of the Index of the C.N.A. Journals compiled by Fred Bowman.

HALIFAX COIN CLUB The August 7th meeting of the Halifax Coin Club was held at the Lord Nelson Hotel on Spring Garden Road. Reports from the C.N.A. Convention in Calgary were given by Fernald Allen and A. Mitchel MacDonald. They reported that the Calgary Show was one of the best organized shows that they had attended. They both brought back many souvenirs which were passed around for members to see. The western brand of hospitality left nothing to be desired and it was felt that the Halifax club will have to work hard to equal it at the coming 1970 C.N.A. Convention in Halifax. Elliott Fineberg, Vice President of the Halifax Coin Club was appointed as General Chairman for the 1970 C.N.A. Convention to be hosted by the Halifax Coin Club. Mrs. W. Derengoski won the Thistle Coins Ltd. \$5. Credit Note display prize for her fine display of "Play Money".

TRURO COIN CLUB The first fall meeting of the Truro Coin Club was held at the home of the President, Ray Peppard. During the business portion of the meeting it was reported that the club was now without the services of a Secty-Treas. Darrell Burke who had capably filled the office since the club's formation in March of this year, has been transferred by his company to Halifax. A replacement for this office will be selected at the next regular meeting. Some discussion was held regarding holding an "Open House" for some future date. The general public would be invited to come and see coin displays and to bring in their coins for identification and evaluation as well as to buy and sell coins. The president asked the members to help increase club membership by bringing visitors, coin collectors and prospective members to each of the club meetings. After the business session, a coin auction was held and many semi key and fine condition coins passed hands. The next meeting will be held October 7th, 8pm, at Taylor's Motel R.R.#6 Truro (North River Road)

MINT'S BIRTHDAY

There are a few items that collectors can buy this year to commemorate the Canadian Mint's 60th Birthday, 1968. The Mint has for sale a book about the mint called "Heads and Tails", size approximately 9" x 10" x 1/2", in any quantity at \$2. per copy. They also have a Presentation Case to hold the 1968 Dollar coin, with a casting of the Royal Canadian Mint on the cover and the Canadian Coat of Arms on the inside. The cases are available at \$1.25 each.

There is also a medal issued to commemorate the Birthday of the Mint. The above medals are issued by Maritime Medalic Enterprises, 25 Honeydale Cr., Spryfield, Nova Scotia. The above medals are available from

Marles and Co., Box 5010 Station A, Calgary, Alberta

Iron City Coins Reg'd. 5 Centre St., Sydney, Nova Scotia

Alfred W. Nowlan 505 Nelson St., New Glasgow, Nova Scotia

Thistle Coins Ltd. 5487 Spring Garden Rd., Halifax, Nova Scotia

The Robert Simpson Eastern Ltd. Store Halifax, Nova Scotia

Birks Henry & Sons Ltd. 1731 Barrington St., Halifax, Nova Scotia

Canada Coin Exchange Box 578, Adelaide St.P.O., Toronto 1, Ont.

Mrs. Marion Boltz of Maritime Medalic Enterprises reports that the sale of the 1968 Royal Canadian Mint 60th Anniversary Medals is progressing very well. She reports that the sale of the silver medals are much more to the American collectors to the south than to Canadian collectors and that if the Canadian collectors wish to get a silver medal before they are all sold that they had better get going soon. There are still plenty of the bronze and the nickel medals available.

The serialy numbered antique silver medals sell for \$10.50 the antique bronze sell at \$3.25 as does the nickel silver.

MIRAMICH COIN CLUB

The June 18th meeting of the Miramichi Coin Club was held at 8-30 pm in the United Church Centre , Newcastle. A short business session was held and then a coin auction saw some choice items change hands. The months attendance prize was donated by John Bethell.

AWARD

At the fall shows of the A.P.N.A. for the next few years a new plaque will be awarded. The plaque will be known as the Moncton Coin Club Achievement Award. Dale Garland of Moncton has announced that he will donate these plaques to the Moncton Coin Club as a token of appreciation for the excellent co-operation he has received from all members of the A.P.N.A. during his term of office as President of the A.P.N.A.. Only members of the A.P.N.A. are eligible to receive the awards and the selection will be made by the Moncton Coin Club Executive.

A.P.N.A. members that have made outstanding contributions to numismatics will be selected.

MIRAMICHI COIN CLUB

The August 21 st meeting of the Miramichi Coin Club was held at 8-30 pm in the Lindon Memorial Centre, next to the Sinclair Rink in Newcasrle, New Brunswick. The new meeting place was arranged through the courtesy of the Newcastle Recreation Council. The club also thanks the United Church Centre for the use of the Centre for club meeting for the past year. One of the new features to be introduced at club meetings is a coin quiz, with the presentation of prizes. Attendance prizes and talks are also regular features of meetings.

GLAD

Yes we're glad that the postal strike is over.
Yes we agree that the Mint should be a Crown Corporation.
Yes we're glad to see the silver coin exporters get caught.

PRESIDENT JOHN W. STEPHENS

SECRETARY BERNARD G. KLINE

EDITOR NELSON C. BOLTZ FCNRS 25 HONEYDALE CR., SPRYFIELD, N.S.

FALL RALLY

The A.P.N.A. Fall Rally sponsored by the Moncton Coin Club and held at the Brunswick Hotel in Moncton, N.B. on Saturday October 5th was a big success. The bourse dealers were pleased with the public turn-out, due no doubt to the advertizing done by the Moncton club. Boy Scouts and youth organizations in uniform were admitted free and one could see the enthusiasm displayed by these youth, all future collectors and club members.

A business session was held by the A.P.N.A. Executive and some reports will be issued in future newsletters.

The Plaque of Merit, donated by APNA Past President, Dale Garland to the Moncton Coin Club for award to an APNA member who contributed to Maritimes Numismatics was awarded to APNA Secty-Treas Bernard Kline of Halifax, N.S.

There were some very fine displays, including medals, tokens, decimals and paper money, by both veterans and juniors. All displays received a Moncton bronze medal for participation.

Best of Show Trophy donated by Thistle Coins Ltd. of Halifax was won by K. Ray Mabee of Moncton, N.B.. Ray really goes to a lot of effort to make up his displays and one learns a lot of numismatic knowledge from them. Mr. Mabee also won the Medals Trophy donated by Maritime Medalic Enterprises of Spryfield, N.S.

Mr. Richard Becker of Acton Centre Mass., USA took home three bronze Moncton medals for his part in the displays, and he is to be commended for his very fine Type Display of Canadian Coins, all coins in BU condition, really superb.

The Moncton club issued a Railway Historical Medallion which was sold at the show.

Door prizes, 1968 Canadian \$1. coins, were drawn for every hour of the show which lasted from 10am to 10pm.

WOODEN MONEY

The Maritime Provincial Command of the Army Navy and Airforce Veteran's Association has issued a wooden 10¢ token. All commands under the Maritime charter were issued these tokens but they were issued primarily for issue at the Association Convention held in Calgary in late August.

On one side is the crest of the Army Navy Airforce Vetrans Assoc.

The other side has the ledgend, " Maritime Provincial Command

10 Cents 1968 "

These tokens were issued in two colors, 1200 issued in blue and 1200 issued in red. They are 26 mm (1") in diameter and 6mm ($\frac{1}{4}$ ") thick and were made by Nelson C. Boltz of Spryfield, N.S.

THANK YOU

Our sincere thanks for your generous response to our offerings at the Moncton Rally of the A.P.N.A.. It was a great pleasure to meet you all, my wife and I regret that due to the rush we were unable to spend more time with each of you. We shall be pleased to receive your written enquiries concerning Canadian stamps, Collecting Supplies, and Canadian Commemorative Medals.

TRURO COIN CLUB

A lively coin club meeting was held at Taylor's Motel, North River, N.S., on Monday evening, October 7th, as members of the Truro Coin Club met for their monthly meeting. Harry Forbes was elected to the position of Secretary-Treasurer, filling the vacancy left through the transfer of Darrel Burke to Halifax. Besides his duties as Secty-Treas. Mr. Forbes will also be Supplies Chairman.

Club President Ray Peppard is pleased at the interest shown in the Truro Coin Club and mentions that the club was formed early this year with the idea that club members, as a group, could help one another in completing their collections in the different series of coins as well as help each other increase their numismatic knowledge. Many of the club members are novices in the coin field and although the greater number of the members collect Canadian coins exclusively, a number of the members collect both Canadian and United States coins and show interest in foreign coins as well.

The result to date has been most encouraging, which is very evident at the coin auctions which follow the business portions of the meetings. At these auctions the members have an opportunity to procure coins for their collections at prices far below that which they would expect to pay to a coin dealer. These auctions engender a good deal of enthusiasm and friendly rivalry which was in evidence at this meeting.

The club is still seeking more members, and persons interested should contact the Secty-Treas. Mr. Harry Forbes
137 King St., Truro, Nova Scotia.

THANKS

The A.P.N.A. would like to thank Thistle Coins Ltd. for their donating the Best of Show Trophy that was won by Ray Mabee of Moncton at the Fall Rally in Moncton.

Maritime Medalic Enterprises for their donating the Medal Trophy that was won by Ray Mabee at the Fall Rally in Moncton.

This makes two shows in a row that both of these firms have donated these trophies.

A.P.N.A. SPRING RALLY

The Halifax Coin Club are presently meeting with the Scotia Stamp Club to have a joint coin and stamp show.

HALIFAX COIN CLUB

The 117th meeting of the Halifax Coin Club was held at 8pm on Wednesday evening, September 4th at the Nova Scotia Archives on Dalhousie University Campus. The club was the guest of Dr. Bruce Ferguson, Provincial Archivist, who welcomed the members to the Archives and showed them around the many exhibits which include many in the numismatic field.

The President, Don Simpson, presented a copy of "The Canadian Coin Cabinet" by Joseph LeRue to Elliott Fineberg, Club Vice-President for his winning of three consecutive display awards at club meetings. The book was donated by Somer James of Winnipeg to the Halifax Coin Club to be used as a prize.

Two sets of slides from the Canadian Numismatic Assoc. Library were projected by Don Simpson and the commentary was read by Bernard Kline, Club Secty. The first series of slides was entitled "Numismatic Terms" and dealt with the various grades of coins and other terms commonly used in the hobby. The second set was a showing of C.N.A. Medals issued by the various host clubs through the years to commemorate the conventions held in their cities. Charles Longley also presented a short series of slides on the gold and paper currency of Newfoundland.

The remainder of the evening was spent in viewing the displays in the archives. Several outstanding numismatic items on display include the Gold Medal presented to the then Premier of Nova Scotia, R.L. Stanfield at the closing of Expo '67 in Montreal last year. Also on display is the second Canadian silver dollar to be struck in Canada. The first was presented to His Majesty, King George V. These first two dollars were struck by the then Minister of Finance, Edgar N. Rhodes on April 4th, 1935.

The first coins produced in the Royal Canadian Mint when it came under Canadian direction on December 1st, 1931 are also on display. These coins, a 1¢, 5¢, 10¢, 25¢, and 50¢ were struck by Mrs. E.N. Rhodes on this date.

One of the best collections of Communion Tokens is on display in the Archives as well as very many of the Silver Communion Service pieces that belonged to the early Nova Scotian churches that used the tokens.

HALIFAX COIN CLUB

The October 2nd meeting of the Halifax Coin Club was held in the Lord Nelson Hotel at 8pm. Don Simpson, Club President gave a very interesting talk on Ancient Coins. Don mentioned that while in school he was not interested in history but that with his introduction to ancient coins came an awakening to the very interesting study of ancient history as it relates to numismatics. He urged members to read the fine books available on ancient coins in the Halifax Memorial Library and also to join the American Numismatic Association which regularly publishes scholarly books on the subject.

Mr Simpson gave a very brief history of coinage starting with the barter systems, cattle currency, metal lumps and coins of Egypt, Imperial and Republican Rome.

The door prize, a Maritime Medalic Enterprises 60th Anniversary Canadian Mint Medal was won by Mr. D. Rogers.

Don Simpson won the \$5. Thistle Coins Ltd Certificate Display Prize for his fine display of Ancient Coins.

Ron Balcom did a fine job as auctioneer. Ron has been doing a good job pinch-hitting during Fern Allen's absence.

TRURO COIN CLUB

A display of a complete set of Canadian silver dollars and a talk on the decimal coinage of Canada highlighted the monthly meeting of the Truro Coin Club held at the home of club member George Ferguson, 119 MacDonald St. on Monday evening November 4th.

Much discussion by the membership concerned the having of an "Open House" early in 1969. The membership feels that such a venture as this would be beneficial, not only to the Truro Coin Club and its members but to the community as well. People in the Truro area would be able to see the many educational numismatic displays as well as having their own coins identified and evaluated. The public could also sell their coins if they so desired.

Chairman of the meeting was the Club President, Ray Peppard, who also conducted a successful coin auction at the closing of the business portion of the meeting.

Secty-Treas. Harry Forbes, also Supplies Chairman, had a large supply of coin accessories and supplies for sale to members.

The December meeting will take place at 60 Lawnwood Drive, Truro, on Monday evening, December 2nd at 8pm.

TOKENS AVAILABLE

A bi-lingual bridge token is now being used on the bridge at Saint John, New Brunswick.

There is only one type of token being used and is valued at 15¢, and are sold only in paper envelopes of five tokens for 75¢.

These tokens are struck in brass and 20mm in diameter.

Around the outer edge on one side is the English legend " Saint John Harbour Bridge Authority".

Around the outer edge on the other side is the French legend " Autorite du Pont du Port de Saint Jean".

Tokens are available at five for 75¢ plus 10¢ postage from the General Manager, A.L. Callaghan.

Saint John Harbour Bridge Authority, 29 King St., West, Saint John New Brunswick.

REGRETS

We regret to announce the death of Harry F. Williams of Yarmouth, Nova Scotia, passing away on Sunday November 10th. Harry was a very well known Maritime coin collector, and a coin and stamp dealer, and a dealer in old books for many years. Many collectors will miss his adds in the C.N.A. Journal and other numismatic publications.

Harry was an active member of many numismatic organizations including the Halifax Coin Club, the Atlantic Provinces Numismatic Association and the Canadian Numismatic Association. Harry was very active in the Halifax Coin Club and had many a bourse table at their meetings before he moved to Yarmouth.

MIRAMICHI COIN CLUB

The September 17th meeting of the Miramichi Coin Club was held at the Lindon Recreation Centre in Newcastle, New Brunswick at 8-30pm.

A period of time was set aside for a swap and gab session, a chance to trade, talk, and admire others coins.

The speaker for the evening was George Cunningham.

A donation auction to help swell the club's funds was held.

A new shipment of coin supplies arrived and were purchased by the members.

P.E.I. NUM.ASSOC.

The September 16th meeting of the Prince Edward Island Numismatic Assoc. was held at the Royal Canadian Legion Hall in Charlottetown.

Sympathy was expressed by Mr. Rogers on the passing away of Horace Jardine. A donation on behalf of the Club was sent to the Retarded Childrens Assoc.. The Club was represented at the funeral by the President and the Secretary-Treasurer, MR.T.Rogers and Mr. R. Montigny respectively.

Mr. Rogers passed out copies of Dr. Croteau's article " The Farmers Bank of Rustico: An Early Peoples Bank ", and commented on it. The article first appeared in the Dalhousie Review and was reprinted in the Journal of the Canadian Paper Money Society.

Some members felt that more young poeple should be invited to the meetings and the Secty. was authorized to send notices to the High Schools in the area for posting on their bulletin boards.

Also a news release will be sent to the newspaper in advance of the meetings.

Members brought some of the 1968 Canadian Mint Sets to show around and it was generally felt that they are a great disappointment when compared to the sets of previous years.

Much discussion took place about having a Hobby Show at Confederation Centre to include coins, stamps, photography and antiques.

Discussion also took place in planning for a future A.P.N.A. Rally.

Another interesting subject planned is the issuing of a yearly medallion in conjunction with the Board of Trade.

FAIR BOOTH

Thistle Coins Ltd. of Halifax set up a booth at the Atlantic Winter Fair held in Halifax from November 2nd to 9th inclusive. Fernald Allen announced that the response of the public was tremendous. Questions about coins, medals, tokens, paper money, coin clubs and collecting were being asked continuously all day and evening for the eight days of the show. Of course they sold some numismatic material as well.

A.P.N.A. THANKS

The A.P.N.A. would like to express its thanks for the fine Fall Rally held in Moncton on October 5th. We wish to extend our congratulations to the Moncton Coin Club and its members for the wonderful and successful show that they hosted for the A.P.N.A. and its members. The A.P.N.A. looks forward to future events in Moncton and sees these rallies as promoting numismatic growth in the Maritimes.

MIRAMICHI COIN CLUB

The regular monthly meeting of the Miramichi Coin Club was held on Tuesday evening, October 22nd at the Lindon Recreation Centre in Newcastle at 8-30pm.

A small donation auction to help the clubs finances was held as well as the regular coin auction.

Coin supplies were also again on hand for the members benefit.

EUROPE

We have recently received a letter from our only European A.P.N.A. member, Arnold Miller of St. Cloud France. Arnold is Industry Manager for Banking and Insurance for I.B.M.-Europe., and he has the opportunity to travel from as far south as South Africa to the northern areas of Scandinavia. He mentions that from time to time he finds some very interesting coins and antiques. His special interest are world commemorative crowns and U.S.A. type sets. Recently he visited the "Monnaie de Paris" museum in Paris and had an opportunity to see the new "Pieforts" and hopes to be able to obtain some when they are released. He sent along samples of the new Decimal Coinage of England which we will use as a door prize at one of our coin rallies. Thanks Arnold.

MERRY

MERRY

CHRISTMAS

At this time of year many collectors are thinking of sugar plums, stockings and family reunions with all the turkey trimmings.

When you tell Santa what to bring you for Xmas or if you are asked to help Santa give something to another collector friend, do'nt forget to include books in the list, numismatic books that is.

Coin collectors should have books in their library equal to their collections. There are books available to suit all the specialists in the collecting field, whether it be coins, decimals, foreign, ancient, varieties, tokens, medals, decorations, paper money, banking, grading, cleaning, you name it, it is available and most of them are very reasonable in price. Even if some books seem expensive they are not really so when compared to other books with only reading material in them. The photography and printing of pictures for numismatic publications is very expensive and certainly increases the costs of some of these books. When one thinks about it you wonder how some of these fine numismatic books are as cheap to buy as they are.

You need books if you are to knowingly buy or sell your numismatic items, and it helps if you want to exhibit, or give a talk.

MERRY CHRISTMAS

A.P.N.A. SPRING RALLY The Executive of the Nova Scotia Stamp Club and the Halifax Coin Club held a joint meeting to lay plans for a joint hosting of the A.P.N.A. at a Joint or Combined Stamp and Coin Show.

The A.P.N.A. Spring Rally will be held this coming spring, hosted by both the Nova Scotia Stamp Club and the Halifax Coin Club. There will be both coin and stamp bourse tables, both coin and stamp exhibits, and possibly both coin and stamp auctions. There will also be both coin and stamp door prizes. Bourse tables are priced at \$15. each or two for \$25. . Dealers are asked to reserve tables early to make sure of accomodation.

A 1967 Canadian Gold Proof Presentation Set will be raffled off, the drawing to take place at the rally. General admittance will be 50¢ for adults and 25¢ for childres but Youth groups under leadership guidance will be admitted free. The show will be held on a Saturday from 10am to 10pm , the date will be announced later after hotel confirmations have been made.

A. Mitchel MacDonald, Nelson C. Boltz and Collin Baugild were appointed as a Medal Committee to design and have issued an A.P.N.A. Medal to commemorate the Joint Show. One side of the medal will have on it the A.P.N.A. Crest and the other will contain some joint coin and stamp theme.

RUSSIAN RUBLES There is quite a lot of contention in Canada versus bi-lingualism and uni-lingualism, and our paper money is printed in both English and French.

A report from Russia mentions that their ruble notes are printed in all 14 languages used in the U.S.S.R. and each note states that the bill is covered by all the wealth of the USSR and should be accepted throughout the Soviet Union.

If uni stands for one, and bi stands for two before-lingual, what would fourteen be before -lingual?

DUES A.P.N.A. membership dues are only \$1. per year, very reasonable, this does not even cover the cost of your newsletter, and the postage has now gone up from 3¢ to 5¢ per newsletter. Your 1969 dues should be paid by January 1st.

HALIFAX COIN CLUB

The November meeting of the Halifax Coin Club was held on Wednesday evening the 6th in the Lord Nelson Hotel at 8pm. Club President Don Simpson chaired the meeting and welcomed the members and guests. Mr. Simpson appointed J. Clark Mullock as Nominating Chairman and A. Mitchel MacDonald and Fernald Allen as Nominating Committee, all are Past Presidents of the Halifax Coin Club.

Elliott Fineberg, 1970 C.N.A. Convention General Chairman gave a rundown on Convention plans to date and asked for more members to help in the many tasks required to make the show a success. Bernard Kline gave a report on activities at the recent APNA Fall Rally in Moncton.

Mrs Fernald Allen won the attendance prize, a Maritime Medalic Enterprises 60th Anniversary Can. Mint Medal.

The main event of the evening was a Donation Auction conducted by Ron Balcom. Members donated numismatic items and then bid and bought them, raising \$65. to be given to the Red Feather United Appeal.

NEW MEDAL

Last year Iron City Coins announced a series of Cape Breton Historical Medals to be issued and the first was released at the CNA Convention at Ottawa.

The second in the series, John Cabot's Discovery of North America, after sighting Cape Breton Island, has just been released.

These 38mm medals are available in goldine at \$3. each and in sterling silver at \$13.50 each.

orders for this medal and the previous one, plus information on the rest of the series to come should be sent to

Iron City Coins Box 131 Sydney Nova Scotia.

OROMOCTO

John McKeigan informs us that coin collecting in the Oromocto, New Brunswick district is catching on and that he and other collectors in the area are trying to organize a coin club in Oromocto. John feels that prospective members of clubs and club drop-outs should be personally visited to encourage them to attend meetings and join, he has done just that himself recently.

Persons interested in joining or helping in the formation of the Oromocto Coin Club are asked to write to

John McKeigan 77 St. John Ave. Oromocto New Brunswick.

OLD MEDALS

Requests for the Halifax Coin Club 1967 Centennial Medals are still coming in, from all over the world, Canada, U.S.A. and Australia. The issue was all sold out long ago.

Requests for the 1961 Decimal Centennary Medal issued by the Halifax Coin Club, (are also still very much in demand) are still being received.

If you have any of these medals to sell you can contact the secretary, Bernard Kline and he can supply a list of persons requesting these medals.

OLD MEDALS

Those interested in medals, should write to their favorite coin dealer, many of the above requested medals can sometimes be had from them. I have noticed on page 5 of Alfred Nowlan's Medals List, that he still has some of the Halifax Coin Club 1967 Centennial Medals for sale.

P.E.I. NUM. ASSOC.

The Prince Edward Island Numismatic Association held their regular monthly meeting on October 2nd.

Mr. T.N. Rogers, Club President, welcomed members and guests to the meeting, and then announced with regret, the sudden passing of the Club's Immediate Past President, Col. Leo MacDonald. A minutes silence was observed in his memory.

The Secretary, Richard Montigny, read the minutes of the September meeting. As was mentioned in the minutes, that more junior collectors should be invited to attend the meetings. It was decided that the November meeting will be a Junior Collectors night.

Mr. Brian Julien gave a report on the A.P.N.A. Rally at Moncton. Mr. Julien also read two very interesting articles Titled "Have You Made a Will " and " So You Want To Clean Your Coins " from C.N.A. Journals.

The first told how important it was to make a will. Collectors should stipulate in their wills who is to inherit their collections. The article on coin cleaning sparked the usual debate on this subject, and it is planned to spend another meeting on the subject. This article touched on the chemistry of the problem, mentioning the benefits of working with benzine and listed inert plastics suitable for storing and protecting coins. Mr Julien made mention of a new burnishing machine for improving the appearance of the new Canadian nickel coins.

Mr Rogers circulated a copy of the A.N.A. Dictionary of Numismatic terms, and also announced that the index of past C.N.A. Journals was available for the use of the members.

The main speaker of the evening was Mr Wendall Rogers from St. Eleanors. He showed his complete set of shinplasters, consisting of 49 different notes all in EF or better.

Mr Rogers mentioned that the name shinplasters is attributed to many sources but the most common is that the soldiers of the Civil War in the States used them for patches.

On the first issues of 1870, Britannica was facing right and to the centre with "Harrington" signature. There was one design but three series. The next issue was in 1900 with Britannica facing left. There were two series and three signatures.

The final issue was in 1923 with the bust of Britannica helmeted and facing right, 1932 being the last year of issue of these notes.

Ralph Dickieson showed a very rare item in an uncirculated one dollar bill of the Summerside Bank which ran from 1866 to 1901.

The spectacular displays of paper money at this meeting were greatly appreciated by all. There followed a lengthy discussion on paper, its grading, cleaning and care.

MONCTON MEDAL

The Moncton Coin Club has issued a Railway Historical Medallion and was offered for sale at the A.P.N.A. Fall Rally in Moncton. The Medallion was designed by Lloyd Carson, a retired C.N.R. employee and a member of the Moncton Coin Club.

The Medal commemorates the Official Opening of the First Branch Line of the Intercolonial Railway between Moncton and Dorchester on December 1868.

FAIR MEDALS A souvenir medallion was issued to commemorate the Atlantic Winter Fair held in Halifax, Nova Scotia. Some 30,000 aluminum medals were struck as a memento of visits to "The Show Window of Atlantic Agriculture. Included in its design are cattle, horses, vegetables, and agriculture displays, all handsomely portrayed in miniature. On one side is the Atlantic Winter Fair symbol with its inaugural year, 1963. These medals are available from

Thistle Coins Ltd. 5487 Spring Garden Rd. Halifax, Nova Scotia
priced at 60¢ each.

P.E.I. DOLLARS In 1813, one thousand of the Spanish silver dollars, (pieces of eight) had their centre's punched out and became Prince Edward Island Holey Dollars. Because of the many forgeries that flooded the island, the Charlottetown Treasury recalled most of them in 1814. The originals and the forgeries were accepted though untill 1823.

LEATHER MONEY William Fitzpatrick, a Prince Edward Island shoemaker deposited money in the Treasury at Charlottetown and issued leather notes. These were accepted as currency by the public and all merchants on the island.
