TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL or PHONE will be accepted until the closing date. All phone bids must be confirmed in writing on a bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits to within 10% of the second highest bid. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot by experts. Cataloging errors will be cheerfully and promptly corrected. FLOOR BIDDERS MAY NOT RETURN ANY LOTS including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 28 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 28 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. Lots are not shipped until paid for. Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. Successful bidders are required to pay the full invoice amount before lots are delivered. Previously established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale.
4. A 10% BUYER'S CHARGE WILL BE ADDED TO THE SUCCESSFUL BID PRICE OF EACH LOT. This 10% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 1 1/2% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former top bidder. Late payers should not expect to receive future catalogues.
5. TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN CANADIAN FUNDS. Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in Canadian Dollars by bank draft or by wire transfer to the account of London Coin Centre, c/o Bank of Nova Scotia. As a convenience, invoices may be charged to VISA or MasterCard accounts provided the purchaser agrees to pay an additional 2 1/2% handling charge. Please supply account number, signature and expiration date at the bottom of your Bid Sheet.

770 Signed Autograph letter; Quebec 25 July 1757 to M.de Lotbiniere.

Advising de Lotbiniere that, following up his letter, Bigot has sent everything that was requested, with the exception of the 'peintur' (most likely paint, not painting) which has not yet arrived at Chatier de Lotbiniere, Michel, marquis de lobiniere, 1723-1798, officer in the colonial regular troops, military engineer and seignior, protege of La Galissoniere, help with the reconstruction of the fortification of Quebec in 1755 built Fort Carillon (Ticonderoga). Promoted Captain 1757 (the year of this letter), he was refused the position of Chief Engineer of New France, which he had solicited after the death of Gaspard-Joseph Chaussegros de Lery, his father-in-law, who previously occupied the position.

The infamous Bigot was responsible for the Treasury notes of New France which contributed to the economic ruination of the colony. He also signed the last issue of Card Money and bills of exchange.
