298.	Br. 997. Lees 3. my Blacksmith combination Wood 9c. thick flan var. prob. v.f. for token.	7.50
299.	Similar. Lees 4. my Blacksmith combination Wood 9b. The reverse is that of Wood 10, Br. 998. v.g. for token. some rusting.	35.00
300.	Similar. Lees 5. Wood 9a. unique in Lees' time and his specimen was unavailable for illustration. The die was so worn on this speci- men that there is no trace of the typical large die break which starts at left border, through flag and up through pennant. This break usually obliterates most of ship, and in this case little is left to be seen of the ship. Still, condition is fine as can be testified by the beading in lower left rev. border which is visible. Only four other specimens are known.	175.00
301.	Br. 997. Lees 11. v.g.	15.00
