TERMS AND CONDITIONS OF SALE

1. Bid by Lot Number, so much per Lot.
2. Unlimited or Buy Bids will not be accepted. We will purchase lots for your account below your maximum bids whenever possible.
3. No commission charged for handling your bids. Only additional charge will be for postage and insurance.
4. Bidders unknown to us should supply suitable references or a deposit equal to 25% of their bids.
5. Terms are cash and payment to be made immediately upon receipt of material or invoice in Canadian funds or U.S. plus 2%.
6. All material in this sale is guaranteed genuine, unless stated otherwise, and any errors in cataloguing will be satisfactorily adjusted.

7. Lots will be on exhibition at the New Sherbrooke Hotel the days of the sale.
8. Valuations placed after each lot are only for the guidance of bidders. Selling prices may be higher or lower.
9. The highest bidder to be the buyer. In cases of similar bids, preference will be given to the first received. Bidding advances will be at the discretion of the Auctioneer. If disputes should arise, the Auctioneer's decision will be final.
10. An official list of prices realized will be released approximately two weeks after the sale. The price will be 50¢.

The H mint mark has been omitted in this listing except for years in which coins with and without the H mint mark were issued.

An astrisk preceding a lot No. indicates that the item is illustrated.

ABBREVIATIONS

In addition to the conventional abbreviations the following have been used in this catalogue:

C.L. — Considerable Lustre.

S.L. — Some Lustre.

W.M. — White Metal.

Breton catalogue numbers have been used in listing Canadian tokens.

Floor bidding will commence at approximately 5% above the second highest mail bid. If there is no floor bid, the highest mail bidder will receive the lot at the opening bid, already mentioned. For example, if the highest mail bid on a certain lot is \$11 and the next highest mail bid is \$10, the bidding will start at \$10.50. In the event of a floor bid above \$11, the highest floor bidder is awarded the lot. Advances in bidding must be at least 5%, and the floor bid must exceed the top mail bid, to be successful.

Mail bids should be forwarded as soon as possible to our Toronto address and must reach us no later than Tuesday, August 16th. Late bids may be sent to us at the New Sherbrooke Hotel. Sherbrooke, Que.

PURCHASES

Any quantity of worthwhile Canadian material will be purchased. Spot cash paid on agreement. Correspondence invited.

RELIABILITY AND EXPERIENCE

One of the older established coin dealers in Canada, we own our own building in downtown Toronto, centrally located for prompt shipments to any part of the continent. Our Coin & Paper Money catalogues have been the standard references for many years and our weekly numismatic articles appear in Canada's largest newspaper.

PRICE LISTS AND BULLETINS

A fixed Price List is issued, specializing in Canadian coins, tokens and paper money, but also covering United States, Great Britain and other countries, regular coinage, proof sets, crowns, minor coins, odd and unusual money and numismatic books and supplies. We also send out monthly bulletins of special offerings including new issues. You can get these together with Auction Catalogue and Prices Realized by subscribing to the Yearly Plan for \$1.00. This does not cover the cost of printing and mailing but it does help, and tells us who the active collectors are.

Information Regarding Auction Sales.

The most important coin collections are usually sold by auction, and collectors are thereby provided with an excellent and often the only opportunity of acquiring many rare numismatic items. Such material is listed in this Sale and comes from the cabinets of the late Jack Sharpe, Norman B. Mason and others. Also included are many lots suitable for the less advanced collector or beginner, and investors and dealers will also find attractive offerings seldom available.

If at all possible attend the Convention and auction sessions at Sherbrooke and see the material in this Sale on display. If this is not convenient, the auctioneer will act as your agent and buy for you at the lowest possible prices. He will also guarantee that you will be satisfied with the grading of material which you purchase. These are two most important features, and we do appreciate the fact that many mail bidders express their confidence and complete satisfaction by regularly purchasing at our Sales.
