NOTE - Less than 40,000 each of the 1932, 34, 36, 47 ML & 4 Half Dollars were issued. With Whitman coin folders now available for Canadian halves, we expect an increased demand, and advise placing orders, early while these and other dates are available.

SILVER DOLLARS

Due to increasing popularity and demand, and the fact that only small quantities of scarce dates are available, prices are steadily rising. Regardless of where obtained, we recommend immediate purchase. No Silver Dollars were minted for the years 1940 to 1944 inclusive. Whitman folder now available for set of these dollars.

WE OFFER: Canadian Banks and Bank-Notes: A record by C.S. Howard, This brochure is a careful compilation, copiously illustrated, listing the names of all banks, both private and chartered that ever issued notes in Canada or any of its provinces. It is a valuable guide to collectors of old notes as it shows which are redeemable by a present-day chartered bank or Bank of Canada and which are no longer redeemable. The edition is limited and we recommend purchasing while still available.

NOTE: Less than 40,000 each of the 1932, 34, 36, 47 ML & 48 Half Dollars were issued. With Whitman coin folders now available for Canadian halves we expect an increased demand and advise placing orders early while these and other dates are available.

SILVER DOLLARS.

Due to increasing popularity and demand, and the fact that only small quantities of scarce dates are available, prices are steadily rising. Regardless of where obtained, we recommend immediate purchase. No Silver Dollars were minted for the years 1940 to 1944 inclusive. Whitman folder now available for set of these dollars, 50¢. Plastic Holder \$12.00 in Canada. \$10.50 in U.S. Hub Black Cardboard holder with acetate slides on both sides, holds 8 coins \$1.40 (\$1.15 in U.S.). OF

CANADA COIN EXCHANGE
Box 35, Terminal A, Toronto, Canada.

This year promises to be one of the most important thus far for Numismatists. The C.N.A., A.N.A. and local Coin Clubs are reporting increasing membership and new clubs are being formed. Prices are continuing to rise for scarce & choice material. A set of Lincoln cents from circulation now costs \$60. or more although only a few years ago the price was \$15. However, much of the Canadian material is still available at very reasonable prices. For example, a complete set of 40 Canadian Small Cents 1920 to 1958 (except 1936 dot) VG & better \$5.00 PP. Complete Set of 40 Large Nickels 1920 to 1958 VG & better \$6.50. Without far 6 \$4.70.

A number of important Numismatic Conventions will be held this year and we will be attending the following - Central States at Cincinnati, Ohio, May 9 - 11 We will have bourse table, Canadian Numismatic Association, Ottawa, Canada, Sept. 4 - 6th. We will conduct the Auction and have bourse table, Penn-Ohio, Pittsburgh, Pa. Nov. 14 - 16. Will have bourse table and be the guest speaker at the banquet, Mr. S.J. Kabeolo will be the auctioneer. We recommend these conventions.
