A.P.N.A. RALLY AND COIN SHOW

Congratulations and thanks to all the workers and the members who came and supported our Coin Show in any way. From all reports it seems to have been a tremendous success, both numimatically and financially. Delegates attended from all over Eastern Canada, and even Ontario and Maine. Attendance from the general public to view the bourse and displays was much larger than our last show in 1980. Most all the dealers were very satisfied with the results of the bourse. Sunday was a bit slow compared to the rush on Saturday. We would also like to thank His Worship, Mayor Ron Wallace of Halifax for officially opening the event for us with a ribbon cutting ceremony. Thanks also to the many public spirited business firms who kindly donated items to us for the show, especially to Nova Scotia Savings and Loan Company for displaying and donating the huge jug of shiny one cent pieces for the "penny guess" game. The Committee also wishes to thank the large number of persons, local and out-of-town, who entered one or more displays. The display area in the Guildhall was completely filled with no empty gaps left vacant as has happened at some other A.P.N.A. shows recently.
