TERMS OF SALE

1. Auction lots will be available for viewing at the Victorian Inn, Stratford, Ontario, during the O.N.A. Convention on Friday, 19th April and Saturday, 20th April, 1985, until the commencement of the auction. Arrangements may be made to view at our Bank, by appointment, prior to the auction.
2. Bids may be made in person at the auction, by mail or by telephone. Lots will be sold to the highest bidder. Mail and telephone bids must reach us in Ottawa by **Wednesday, April 17th, 1985**. Answering service is available to take bids (24 hours) at 1-613-744-4077. If there are identical bids, the earliest received shall take priority.
3. **There is no "buyer's premium" in our auctions.**
4. For mail and telephone bidders, we will attempt to obtain lots as cheaply as possible by the following method: bids over estimate will be reduced to the estimate, or to 10% over the second highest bid, whichever amount is greater, and will then be increased against floor bids (if any) to the limit stated. Bids below estimate are quite in order, but will not be reduced. **Mail bids below 50% of the estimate are respectfully declined**, except that large and bulky lots may be offered without reserve, to floor bidders only, at the discretion of the auctioneers.
5. Estimates represent our best professional opinion of what lots are likely to sell for on the open market. Most lots sell for between 70% and 120% of estimate. With a bid of 70% of estimate you have a fair chance of succeeding; with a bid of 120% you will be very likely to succeed.
6. Unlimited or "buy" bids are accepted, provided that the auctioneers have complete discretion.
7. Floor bidding, and calculation of the results of this auction, will be carried out in Canadian dollars. Bids expressed in other currencies will be converted to Canadian dollars at the applicable rate. Bids from customers with U.S. addresses, sent by mail or telephone, will be presumed to be in U.S. funds unless indication is made to the contrary.
8. Mail bidders may return incorrectly described or misattributed lots for full credit within 15 days of the sale. There is no return privilege on books of large and bulky lots, except with our prior permission in writing. As consignors must be paid, late remittance may be cause to negate return privileges. **ALL FLOOR SALES ARE FINAL**, and no returns will be accepted from floor bidders (including those acting as agents for others) for any reason whatsoever.
9. Title to all lots remains with the auctioneer until paid for in full, but they are held at the risk of the purchaser once the hammer has fallen.
10. **Please check your bid sheet carefully.** While we cheerfully correct our errors, we cannot be responsible for the mistakes of others.
11. Successful mail bidders may pay by money order, check, VISA or MASTERCHARGE. A 3% handling charge will be added to all credit card payments.
12. For floor bidders, terms are strictly CASH unless prior arrangements have been made to the contrary.
13. All floor bidder accounts must be paid at the auction unless prior arrangements have been made. Mail and telephone accounts are due immediately. Interest at the rate of 2% per month is charged on all overdue accounts, and collection charges may be added where the services of a collection agency are required to collect monies owing.
14. Lots delivered in Ontario are subject to retail sales tax at the current rate, unless an exemption certificate has been filed with us before the auction. Registration and actual postage will be charged on all lots shipped by us.
15. Bidding in this auction constitutes acceptance of the foregoing terms of sale.
16. **LOTS MAY BE PAID FOR AND PICKED UP IMMEDIATELY FOLLOWING THE CONCLUSION OF THE AUCTION, BUT NOT DURING THE AUCTION SESSION.**

PRICES REALIZED WILL BE PUBLISHED IN A FUTURE AUCTION CATALOGUE OR FIXED PRICE LIST.

SCARCE VARIETY 10¢ PIECES

242.	Ten Cents 1939, fully doubled date. A remarkable variety with completely doubled date, easily visible! This coin is unpromoted and rarely mentioned, yet has all the potential of the 1955 doubled die U.S. cent which trades in the three-figure range and is keenly sought. Choice XF-AU	(\$150.00)
243.	Ten Cents 1939, fully doubled date as last. This coin is the second and last of a discovery from a hoard of some 60 rolls of 1939 dimes searched by our consignor. Should make an excellent price. Fine +	(\$90.00)

**A MAJOR CONSIGNMENT OF SCARCE CANADIAN AND PROVINCIAL COINS

Canada One Cent

244. 1858, VF, key date (\$65.00)
 245. 1859/8, Wide 9, VG+ bent (\$30.00)
246. 1859/8, narrow 9, #1. The scarcest of the 1859 variety pennies. Expect this to bring a very full price as a Montreal dealer is currently offering to pay full trends for this variety! VF, scarce thus (\$300.00)
247. 1908, AU (\$12.00)
 248. 1911, UNC, much lustre (\$40.00)
 249. 1922, Fine (\$15.00)

 251. 1925, Fine (\$21.00)

Canada Five Cents

252. 1885/83, VG. An example on which the re-cutting of the die is particularly clear. While we have seen prices of \$150 or more for clear examples, we feel this overstates the importance of the evidence (\$75.00)
253. 1889, VG/F (\$30.00)
 254. 1926 Far 6, VG. (\$120.00)

258. 1911, VG+ (\$12.00)
 259. 1911, abt. Fine (\$16.00)

Canada Twenty-Five Cents

260. 1880H, Wide "O". Very Fine, but with a recent scuff that appears to have been caused by a meter! An excellent opportunity to acquire this great rarity inexpensively (\$375.00)
261. 1881H, Fine (\$25.00)
 262. 1911, VG (\$15.00)

 273. 1936, VG (\$18.00)
 274. 1936, abt. VG (\$14.00)
275. 1937, deliciously toned BU. One of the loveliest coins in this sale, this uncirculated piece is moderately well struck and has superb iridescent toning of dark blue, gold and brown. A superb display or type coin (\$100.00)

Canada Silver Dollars

276. 1937, toned PROOF. Representing an unusual opportunity to acquire a lovely Proof dollar inexpensively, this matte piece has a few light impairments to the obverse underlying the toning. They are barely visible to the naked eye. (\$290.00)

277. 1939, Very Choice BU, borderline to GEM UNC. With full lustre, this well-struck piece has light to moderate field markings but is unusually attractive for the 1939 issue. Not a wondercoin by any means but a very attractive piece for type (\$80.00)

NEW BRUNSWICK

278. Half Cent 1861. This much sought-after type coin is full struck and Uncirculated (MS-60), with a good deal of lustre adhering to the reverse and a little to the obverse. Expect spirited bidding to secure this desirable piece, which turns up in UNC so infrequently! (\$500.00)

 287. 5¢ 1942C, AU (\$30.00)
288. 5¢ 1945, original Choice BU. A select example very appropriate for a superb type set (\$60.00)
289. 5¢ 1947, original Ch. BU. Again, a very select example but this time the rare 1947C dated piece. Trends at \$375 but we find this a bit high for this market (\$325.00)
290. Ten Cents 1912, F-VF (\$10.00)
 291. Twenty Cents 1865, VG+ (\$18.00)

 303. 50¢ 1918, VF (\$18.00)

CANADIAN GOLD COINAGE

304. Sovereign 1914C, AU/UNC (actually MS-60 but for a single obverse mark), very scarce and attractive thus (\$900.00)
305. \$5 1912, what is referred to in the U.S. as a "super-slider". For issue, so close to Uncirculated one could almost cry, but it isn't quite there! Choice AU (\$350.00)
306. \$10 1912, nice EF. A popular type coin. Please keep the bids at least at realistic wholesale level (\$500-up) (\$625.00)
307. \$10 1914, the key date to the \$10 series. Although this coin has not seen much circulation, lots of bag-marks and a weak strike put it firmly into the abt. EF category! (\$700.00)

Canada \$100 Gold Pieces

309. 1978, Year of the Child. Proof, in case of issue (\$325.00)
310. 1981, "O Canada". Proof, in case of issue. (\$400.00)
311. 1982, "The Constitution". Proof, in case of issue (\$390.00)

Canadian Rolls

312. One Cent 1924, roll of 50 pieces, all VG (no culls) (\$300.00)
313. Ten Cents 1948, original BU. One of the most incredible offerings in this sale! Going back over what records are available to us, we can find no comparable offering of this rare coin. We are pleased to present 50 BU 1948 10¢ in a roll, an excellent opportunity for the investor, dealer or roll collector! The roll is comprised entirely of original pieces, with the balance approximately half-and-half MS-60/better and MS-63/better. The 1948 10¢ is scarce even as a single, and virtually all examples exhibit the well-known "die-burn" caused by weakness of strike to the neck and cheek of George VI. Novice collectors frequently misattribute this characteristic as wear, and miss out on opportunities to pick up choice examples. 50 pieces in the roll, an unforgettable opportunity (\$9600.00)

Breton Tokens

314. Br-506, Colonies Françaises, 1722H. A scarce piece, abt. Fine for type with some pits to obverse (\$60.00)
315. Br-526A, City Bank on Ribbon. One of the noted rarities of the entire Breton series. This excellent example, recently found in England, is a good strong EF with less than the usual amount of rim damage associated with specimens of this "error". It has just a couple of tiny nicks. Overall very attractive and worthy of the best Breton collections (\$400.00)
316. Br-582, French & English, brass, thin flan, EF/type (\$25.00)
317. Br-582, as last, but copper, thin flan, lustrous Au (\$25.00)
318. Br-582, copper, thick flan, lustrous AU, edge clip (\$25.00)
319. Br-583, thin flan, copper, UNC, some lustre (\$28.00)

322. Br-586, copper, thin flan, UNC (\$20.00)
323. Br-713, bouquet sous, EF, unusually attractive (\$10.00)
324. Br-717, Lesslie 2d, abt. VG, scarce (\$100.00)

326. Charlottetown, PEI, 1981 Tilley, in bronze (\$6.00)
327. Charlottetown, PEI, 1981. McGee: trial process for the gold plated issue. This type did not look attractive and the issue was produced by another, brighter method. 4 examples known (\$45.00)
