TERMS OF SALE

1. Auction lots will be available for viewing in the Roxborough Room, Hotel Roxborough, from 11 a.m. on the day of sale (July 13th, 1985). Arrangements may be made to view at our Bank, by appointment, prior to the auction.
2. Bids may be made in person at the auction, by mail or by telephone. Lots will be sold to the highest bidder. Mail and telephone bids must reach us in Ottawa by Friday, July 12th, 1985. Answering service is available to take bids (24 hours) at 1-613-744-4077. If there are identical bids, the earliest received shall take priority.
3. There is no "buyer's premium" in our auctions.
4. For mail and telephone bidders, we will attempt to obtain lots as cheaply as possible by the following method: bids over estimate will be reduced to the estimate, or to 10% over the second highest bid, whichever amount is greater, and will then be increased against floor bids (if any) to the limit stated. Bids below estimate are quite in order, but will not be reduced. Mail bids below 50% of the estimate are respectfully declined, except that the large and bulky lots at the end of the auction, and certain designated other lots, may be offered without reserve to floor bidders at the discretion of the auctioneers.
5. Estimates represent our best professional opinion of what lots are likely to sell for on the open market. Most lots sell for between 70% and 120% of estimate. With a bid of 70% of estimate you have a fair chance of succeeding: with a bid of 120% you will be very likely to succeed.
6. Unlimited or "buy" bids are accepted, provided that the auctioneers have complete discretion.
7. Floor bidding, and calculation of the results of this auction, will be carried out in Canadian dollars. Bids expressed in other currencies will be converted to Canadian dollars at the applicable rate. Bids from customers with U.S. addresses, sent by mail or telephone, will be presumed to be in U.S. funds unless indication is made to the contrary.
8. Mail bidders may return incorrectly described or misattributed lots for full credit within 15 days of the sale. As consignors must be paid, late remittance may be cause to negate return privileges, and absolutely no returns can be accepted for any reason after the expiry of 35 days from the date of the sale. ALL FLOOR SALES ARE FINAL, and no returns will be accepted from floor bidders (including those acting as agents for others) for any reason whatsoever.
9. Title to all lots remains with the auctioneer until paid for in full, but they are held at the risk of the purchaser once the hammer has fallen.
10. Please check your bid sheet carefully. While we cheerfully correct our errors, we cannot be responsible for the mistakes of others.
11. Successful mail bidders may pay by money order, check, VISA or MASTERCHARGE. A 3% handling charge will be added to all credit card payments.
12. For floor bidders, terms are strictly CASH unless prior arrangements have been made to the contrary.
13. All floor bidder accounts must be paid at the auction unless prior arrangements have been made. Mail and telephone accounts are due immediately. Interest at the rate of 2% per month is charged on all overdue accounts, and collection charges may be added where the services of a collection agency are required to collect monies owing.
14. Lots delivered in Ontario are subject to retail sales tax at the current rate, unless an exemption certificate has been filed with us before the auction. Registration and actual postage will be charged on all lots shipped by us.
15. Bidding in this auction constitutes acceptance of the foregoing terms of sale.
16. **LOTS MAY BE PAID FOR AND PICKED UP IMMEDIATELY FOLLOWING THE CONCLUSION OF THE AUCTION SESSION, BUT NOT DURING THE AUCTION SESSION.**
17. Lots will be sold at a rate of approximately 200 lots per hour.

PRICES REALIZED WILL BE PUBLISHED IN A FUTURE AUCTION CATALOGUE OR FIXED PRICE LIST.

The Hotel Roxborough will be glad to welcome you, if you wish to stay there. Rates are very reasonable.

We will be glad to assist with travel arrangements if you advise us. If you are a dealer, we can help you get a table at the Nepean show the day after the auction.

**SEVENTY-SIX IMPORTANT NUMISMATIC BOOKS
FROM THE LIBRARY OF A GENTLEMAN**

We are indeed pleased to offer the following selection of better numismatic literature. Many of these works are rarely seen on the market and all are desirable additions to a good reference or working library. Please note the following unusual manner of its offering: these books will be offered for sale to mail and/or floor bidders. However, they will not be on view at the auction. Bidders in the Ottawa area who attend the sale may have their purchases shipped to them by book rate post, which is very inexpensive. No book will be sold for less than 50% of the estimated price. All other terms of sale as specified in the front of the catalog also apply to these lots. All books are in EF or better condition, with hard cover unless otherwise specified.
