### LIST #25 - MARCH 1983

Dear Friends and Customers:

Results from our January and February lists, and the mail bids already in hand for the March auction, clearly show that the hobby has become involved in a turn-around. We are greatly looking forward to the long run of shows we will be attending this year. This list, while available for mail order as usual, is also intended to let you know what we will have with us as we travel to the various conventions. Catch us at these shows in March:

MONEX, Montreal Sheraton Centre, 4th-6th (table 36); NORTH YORK, North York Community Centre, March 12, (table 13); NUPHILEX, Isle Charron Sheraton, March 20th, (tables 31 and 32); TORONTO INTERNATIONAL COIN FAIR, March 25-27, (tables 34 and 35).

In APRIL - ONA, Peterborough, April 8-10; QUEBEX, Montreal, Mount Royal Hotel, April 15-17, (table 9).

LATER - TOREX, May 13-15, I.N.S. (Washington) Jun 17-19, C.N.A. Convention, Jul. 20-23 (Moncton), A.N.A. (San Diego, Ca), HONG KONG INTERNATIONAL, N.I.C.E. (Dallas, Nov. 11-13), T.I.C.F. Nov. 18-20.

We look forward to seeing or hearing from you.

### IMPORTANT NOTICE

The recent savage postal increases, in particular the cancellation of third class mail, make it doubly important for us to streamline our mailing list. This makes it possible for us to continue to bring you the best possible coins at the most competitive prices, instead of having to make inordinate profits on the coins to cover our postal and printing costs!

PLEASE LOOK AT THE MAILING LABEL ON THIS ENVELOPE. If marked with an "83" in the lower right-hand corner, you have a 1983 subscription and need read no further in this notice. If you have three numbers, such as 9/83, this indicates the month in which your current subscription will expire. It may be renewed now until the end of the year at a rate of 50c per month. Effective at the end of this year, calendar year subscriptions only will be available.

IF THERE IS NO SYMBOL, you currently have no subscription. While we will not take active, regular customers out of our lists, we unfortunately have to delete many names for whom we simply can't provide anything of interest. Generally, we send out two or three lists before doing this. You may have specialised interests, or wish to receive our lists even though you're not sure you'll buy.

TO MAKE SURE YOU KEEP RECEIVING OUR LISTS, we recommend you purchase a subscription for the remainder of the 1983 year. The cost is \$5 U.S. to the U.S., \$5 Canadian in Canada. Due to mailing difficulties we are no longer able to service overseas accounts.

WHY SUBSCRIBE TO OUR LISTS? - If you've looked through one or two, you'll know. We consistently provide one of the widest selections of world coinage, constantly changing, with strict grading, same-day order service, and personal attention to our customers' wants. And our careful grooming of our mailing list and subscription system keeps our pricing so competitive that you will have literally hundreds of opportunities to recoup this modest expenditure.

PLEASE, send in your \$5 today!

**CROWNS, MINORS, TOKENS  
AND MEDALS OF THE WORLD**

Welcome to our uniquely-designed listing of world crowns, minors, tokens and medals, including of course those of our homeland, Canada. As stated earlier, the list is set up to be used as a convenient order form. In addition, catalog prices as well as our prices (virtually always lower, of course) are given wherever possible. The first price next to each coin (in brackets) is the current catalog or "trends" price. At the right of the column you'll see our price. Organization of the material in this listing is by country, alphabetically - for example, you'll find Czechoslovakian medals, if we have any, under Czechoslovakia; you'll find Canadian dollars under Canada, and you'll find U.S. trade dollars under U.S.A. Crowns are marked with an asterisk (\*) preceding the description. Enjoy!

- ( ) Set of 6 "workingcamp" notes, 1-100 dinara. After WWII work camps were set up for prisoners of war and quislings. In those camps paper notes were in circulation, issued by the Ministry of the Interior of the Yugoslav government. The camps were called "industrial and trade organizations" because the prisoners living in them had technical and expert knowledge. The money used in those camps was not legal tender, nor was it in circulation, outside them. The winding up of the camps, whose life was

short, put an end to the money circulating in them, and most of the notes were destroyed. We present a group of six, with the 50 and 100 denominations signed by the camp commander. 94.00
