LIST 54FEBRUARY 1984

Dear Friends &amp; Clients:

Welcome to another fresh new fixed price list of world coins and numismatic treats. January has been a busy month despite the additional time for coins generated by my departure from the legal profession!

This list is being mailed out just after our catalog for Auction 10. Don't fail to let me know if you didn't receive your copy!

Included in this list you will find a good number of remarkable offers, generated by our desire to do some "Spring Cleaning". We have a busy show schedule ahead, and a lot of work to do on our auction - and, as always, we need the space!

If you have a quantity of "duplicates" or are thinking of disposing of all or part of your collection, please contact us. We are, as always, anxious and keen to buy. A partial "want list" appears later in this catalog.

As always, we remain at your service and look forward to hearing from you.

With best wishes

*Paul* *Susan*  
 Paul & Susan Nadin-Davis

### THREE OUTSTANDING OFFERS IN CHINESE NUMISMATICS

*Thanks to our trip to Hong Kong last summer, we can now offer some outstanding bargains in the Oriental field. Listed below are three excellent collections we are proud to offer for sale.*

#### Collection No. 1: 24 Kings of Northern Sung Dynasty set.

This excellent collection of 24 early cash coins covers the 24 Kings of the Northern Sung Dynasty, dating from 960 to 1117 A.D. All coins are attributed and are mounted in a plastic page. One of our best buys at 50.00

#### Collection No. 2: Northern Sung album set. 120 coins or more

This excellent collection also covers the 24 Kings of Northern Sung, but this time there are most of the varieties of script, etc. To quote from our supplier, "... all in different calligraphies you can imagine: in grassy handwriting, orthodox, running and seal writing and most of these varieties that are presently not listed by Schjoth or Lockhart". We originally were able to buy only one such set but it was so popular with our customers that we had to ask our supplier to make up some more! In a custom album, this incredible set just 160.00

#### Collection No. 3: Kang-Hsi Provincial set. (20 Mints)

This excellent set of 20 coins contains one from each of the Provincial mints under Kang Hsi. The range of grades is wide, from VG to EF, because one of the mints, S.1438 (Taiwan) is extremely rare and to find such a piece in VG alone is quite a task! This specimen, and that from the Hunan mint, were both badly cast. According to Chinese numismatists, there is a talismanic virtue attached to these coins, with their 20 different mint marks - these genuine coins have the power to prevent fires and expel evil spirits or influence. How much truth there is to this claim I do not know, but as one of my Malaysian friends has told me, "it has been an indisputable fact that the collecting of Chinese coins is a hobby that demands real dedication apart from the hours of fun learning to recognise the Chinese calligraphies, which is a challenge itself!" What better place to start than with this fine set at just 75.00

### TWO NICE GROUPS OF NETHERLANDS PROVINCIAL DUILTS

#### Collection No. 4: Duits of the Dutch Overseas Territories

This collection contains a total of 47 different Netherlands East Indies copper duits, in a custom album with room to add in new dates. Those represented are as follows: Gelderland issues 1786, 87, 90, 91 (C-A2); Hollandia issues 1733, 34, 35, 36, 42, 44, 45, 46, 50, 51, 52, 80 (C-2); Utrecht issues 1744, 53, 55, 80, 81, 83, 86, 87 (C-F2); West Frisian issues 1733, 34, 35, 37, 43, 45, 50, 54, 56, 80 (C-G2); Zeelandie issues 1731, 34, 36, 38, 44, 49, 52, 53, 54, 66, 85, 86, 90. The average condition is Fine, though many pieces have some verdigris and a few need attention in this respect. An excellent and scarce starter set or good representation. Cat. value probably well over \$150 Our price \$80.00

#### Group No. 5: A stock of duits of the Dutch Overseas Territories

A similar group to the last, but not in an album and not all different - Gelderland 1786 (2), 87, 91 (2); Hollandia 1734 (3), 35 (2), 36 (2), 41 (3), 46 (4), 50, 80 (2), illegible (1), and so on - 53 pieces in all. Our price just \$65.00
