LIST # 37

AUGUST 1984

SALE!

To all our valued clients and friends:

Our traditional summer sale will be as great an event this year as ever. We have drastically reduced prices on a large proportion of our stock, and the list is being mailed only to regular customers, to give you the best chance of reaping rewards from careful study of our offerings. Please read carefully!

Some words of advice! Beware dealers who constantly solicit you do business with them exclusively! It may be that they do not want their grading or prices compared with those of other, more honest or competitive dealers!

We cordially invite you to compare our grading and pricing with any other legitimate offering! Every now and again you should check on your regular dealer by comparing with merchandise offered elsewhere. We know we will pass the test!

Prices in this list are already daringly low! Compare us to catalog - you will be most surprised! As a special incentive, we offer an additional 10% discount on all filled orders over \$1,500! Please do not ask for any more - our intention is to make a small percentage on a large turnover, not to go broke!

Show Schedule We really hope to see many of our friends and clients at each of the following shows. We have a table at all these events:

Sept. 7-9	Hong Kong International, Kowloon, H.K.
Sept. 21-23	Quebec, Montreal, Quebec
Oct. 5-7	Pacific Rim Show, Vancouver, B.C.
Oct 10-13	COINEX, Europa Hotel, London England

TERMS OF SALE - PLEASE READ BEFORE ORDERING

This interesting group to a doctor is also accompanied by a small group of German, French, Belgian and Jugoslavian banknotes of the first world war period, presently of little value as notes but intensely interesting as they were obviously gathered as keepsakes by Dr. Neilson during his long tour of duty. 99.00

PRINCE EDWARD ISLAND

"Holey Dollar", early 1800s. On Mexico City 8 reales 1808, VF, with the counterstamp correctly positioned on the forehead of Charles IV. Though no-one is certain of which of the various dollars is the original and which are the various contemporary merchant copies, I believe this piece to be a contemporary merchant piece. I guarantee it not to be a modern counterfeit. It is most attractive and would be a highlight of any token or Canadian coin collection. 2499.00

Five Cents 1870, MS-60. A bold strike with underlying lustre to the obverse, a matte appearance to the obverse. There are minor hairlines on obverse. The first of a series of exquisitely rare coins in this offering. The current "Canadian Trends" value is \$2,650.00. Our price 1675.00

5¢ 1873H	VG, rare	950.00
5¢ 1917C	Nice AU	225.00
5¢ 1919C	MS-60, nice even toning	675.00

Ten Cents 1872H, MS-65. Unquestionably the most superb appearance of a 10¢ piece we have handled for some time! The coin is fully lustrous with original colour, well struck and free of visible impairment. The Trends value for MS-63 is \$4,300. Our GEM price 2950.00

Ten Cents 1880, MS-63/65. With nice even blue toning, this key date is reputed to be rarer than even the 1870 in uncirculated condition. Trends price for an MS-63 is currently \$9,000. Our price for this superior example 5950.00

Newfoundland continued

10c 1912 abt. EF, scarce 75.00

Twenty Cents 1882H, MS-60. Though an exquisitely beautiful piece, a few light contact marks to the obverse keep this piece from the choice category. The coin is a fully original UNC with lots of neat lustre and traces of light golden toning! With a trends price of \$2,600, this will probably need a phone call to reserve at just 1495.00

Twenty Cents 1896, MS63-65. Wow! This fully original 20c piece has even golden-brown toning, uniform across both surfaces, and a total lack of contact marks visible to the naked eye. For the connoisseur who appreciates the value of superb toping. 1495.00

20c 1912 EF 85.00

25c 1917C EF-AU 60.00

Fifty Cents 1876H, AU-55. The barest of contact marks and a result of one touch against another coin at the edge keep this lovely piece from the MS-60 category. It is superior to most "uncirculated" 50 cent pieces that are offered to us on our travels. We ascribe the common tendency to overgrade Victorian Newfoundland coins to the unbelievable rarity of true mint state pieces, which means that most people have simply not seen "the real thing". This, then, is AU and most rare. 995.00

Fifty Cents 1911, MS-60/63. With superb original lustre and peripheral gold toning, this easily ranks as a highly desirable type coin. With an approximate trends value of \$1,000, this is an excellent buy at just 750.00

50c 1917C BU 475.00

We are very pleased to present exclusively to our customers a chance to purchase a previously unlisted, and as yet unattributed, Gulf States counterstamp. Incuse rectangle containing a sceptre, on 19th century Iranian bronze. To our knowledge only about 60 pieces exist of this rare Arabic piece, all of which we recently purchased! Research is continuing on the piece for publication possibly next year: who knows to what extent the piece may be sought after and how high its value may be in the future? ABOUT NADIN-DAVIS NUMISMATIC SERVICES

Auctions

Our auctions are held regularly, at least twice each year, at the Toronto International Coin Fair. Usual dates are in March and November. Other auction dates may be set as needs arise.

Commission rates are negotiable for large or special consignments, but are generally as follow:

*Bulk lots, numismatic literature, lots up to \$100 - 25%
Lots over \$100 to \$500 - 15%. Lots over \$500 - 10%.
Prices referred to above are selling prices.
Settlement checks are issued within 45 days of the sale.
Cash advances can be provided up to 50% of the estimated value of lots consigned, on the strict understanding that lots are sold entirely without reserve. The commission rate in such cases is 2½% higher than for lots consigned without advance. Advances constitute no guarantee whatsoever that the lots consigned will realize sufficient to cover the advance.*

Monthly Price Lists and Auction Catalogs

We issue at least 10 fixed price lists per year, in addition to the catalogs for at least two major auctions. Annual subscription is \$10 Canadian in Canada, \$10 U.S. elsewhere in the world. Catalogs are always mailed first class. Orders receive prompt attention and are usually shipped within eight hours of receipt.

Selling Your Coins

We spend many thousands of dollars each week buying collections and nice individual items from collectors whose tastes have changed, from estates, and from other dealers. Our needs are worldwide, including Canada and Newfoundland, world gold, Crowns and minors, ancient coins, and tokens and medals. Please contact us when you think of selling: we will travel to view where your holdings warrant and otherwise we can usually do business most satisfactorily by mail.

Want List Service

We maintain an active file of want lists in all numismatic areas and read through them regularly. If you desire particular items, please feel welcome to let us know. We also suggest that you update your list regularly so that we do not take your time unnecessarily by offering items that you have already acquired.

Convention Attendance

We attend most major Conventions in Canada, Europe, the United States and the Far East. Please check elsewhere for our latest plans.
