TERMS OF SALE

1. Auction lots will be available for viewing at the designated table at the Ontario Numismatic Association Convention all day Saturday, April 28, until commencement of the auction.
2. Bids may be made in person at the auction, by mail or by telephone. Lots will be sold to the highest bidder. Mail and telephone bids must reach us in Ottawa by Thursday, April 26th, 1984. Answering service is available to take bids (24 hours) at 1-613-235-1916. If there are identical bids, the earliest received shall take priority.
3. There is no "buyer's premium" in our auctions.
4. For mail and telephone bidders, we shall attempt to obtain lots as cheaply as possible, by the following method: bids over estimate will be reduced to the estimate, or to 10% over the second highest bid, whichever amount is greater, and will then be increased against floor bids (if any) to the limit stated. Bids below estimate are quite in order, but will not be reduced. Bids below 50% of estimate are respectfully declined, except that certain lots may be offered, at the discretion of the auctioneers, to floor bidders attending at the sale.
5. Estimates represent our best professional opinion of what lots are likely to sell for on the open market. Most lots sell for between 70% and 120% of estimate; with a bid of 70% you have a fair chance of succeeding - with a bid of 120% you will be quite likely to succeed.
6. Unlimited or "buy" bids are accepted, with the provision that the auctioneers have complete discretion.
7. Floor bidding, and calculation of results of the auction, will be carried out in Canadian dollars. Bids expressed in other currencies will be converted to Canadian dollars at the applicable rate. Bids from customers with U.S. addresses, sent by mail or telephone, will be presumed to be in U.S. funds unless indication is made to the contrary.
8. Mail bidders may return incorrectly described or misattributed lots for full credit within 15 days of the sale. There is cause to negate return privileges where remittance is made late, as consignors must be paid. ALL FLOOR SALES ARE FINAL, and no returns will be accepted from floor bidders (including those acting as agents for others) for any reason whatsoever.
9. Title to all lots remains with the auctioneer until paid for in full, but they are held at the risk of the purchaser once the hammer has fallen.
10. Please check your bid sheet carefully. While we cheerfully correct our errors, we cannot be responsible for the mistakes of others.
11. Successful mail bidders may pay by money order, check, VISA or MASTERCHARGE. A 3.5% handling charge is added to all credit card payments.
12. For floor bidders, terms are strictly CASH unless prior arrangements have been made to the contrary.
13. All floor bidder accounts must be paid at the auction unless prior arrangements have been made. Mail and telephone accounts are due immediately. Interest at the rate of 2% per month is charged on all overdue accounts, and collection charges may be added to delinquent accounts.
14. Lots delivered in Ontario are subject to retail sales tax at the current rate, unless an exemption certificate has been filed with us before the auction. Registration and actual postage charged will be added on all lots shipped by us.
15. Bidding in this auction constitutes acceptance of the foregoing terms of sale.

LOTS MAY BE PAID FOR AND PICKED UP IMMEDIATELY FOLLOWING THE CONCLUSION OF THE AUCTION, BUT NOT DURING THE SESSION.

OUR COMMENTS

All of us at Nadin-Davis Numismatics wish to convey our thanks to the Ontario Numismatic Association for awarding to us the rights to conduct the official auction at their Sarnia 1984 Convention. We know you will join us in wishing them every success with the event.

We have been particularly lucky to secure several fine consignments for this sale. The Canadian section contains many items in superb mint state and a good selection of medium grade material. Our world gold section, while quite small, contains some excellent pieces, and the ancients are universally in the medium price bracket, but exceptionally nice. The coins of the world section contains nearly 50% Crowns in silver, and presents a wonderful opportunity to fill many gaps in the modern type collection, being particularly strong in "difficult" areas such as Mexico, South Africa, the Straits Settlements and so on. Finally, history vouches for the likely success of our "mail bid only" section, which no doubt will attract keen bidding from our many dealer clients and adventurous collectors.

With this auction we welcome two new members to our staff. Cathy H. will be with us on a part-time basis as secretary and auction co-ordinator, and well-known authority Frank Fesco will join us, also part-time, as a numismatist. I know you will enjoy dealing with them should I not be available when you call. Susan, of course, remains as much a part of the firm as ever and I am doing my best to persuade her to attend more shows, where so many of our clients ask after her.

May I wish you, cordially, every success in your bidding in this sale.

PART I: FINE CANADIAN DECIMAL COINS

"THE WHISTLER CONSIGNMENT"

We are particularly proud, as the introduction to our first O.N.A. Auction, to be able to present an exceptionally fine group of pristine Canadian coins. They are from one of the finer collections extant in Canada today, and we expect spirited bidding for these rarities. We urge our more advanced clients to give careful consideration to the coins offered in these first sections. A more general collection of Canadian coins is offered later in this portion of the auction. By the way - why the "Whistler"? The more sporting among our clients will recognize this name as belonging to one of the finest ski resorts in Canada. We picked up this consignment as a prelude to a marvellous week's skiing at the resort. Thank you, British Columbia, for your business and pleasure hospitality!

1. Canada, One cent 1916. Pristine Gem MS-63/65, with blazing full lustre and only a minimum of visible contact marks on the obverse. One of the nicest 1916 pieces we have seen (\$60-up)

The range of grades is wide, from VG to EF, the pieces from the Taiwan and Hunan mints being badly cast and difficult to find. This is, however, an excellent and complete set (\$75)

"ODD AND CURIOUS" MONEY

465. **Chinese Hollow-handled Spade.** Slanted-shoulder type, with character "Wu" (military). Dating from 770 B.C., this type is the "Cadillac" of the ancient Chinese and of the "odd and curious" collector. It is one of the two oldest forms of money available, being contemporary with the earliest coinage of Lydia. Ours is a nice, whole piece in VF condition. Prices on these have gone up greatly in the Orient lately, so this may be the last chance at under \$1,000! (\$750-up)
466. **Chinese Knife Money.** Blunt end type, Chou Dynasty, with character "Ming". Dating from 400-250 B.C. A dealer lot of five (\$100)
467. **Chinese Huo Pu.** From the revival, in 14 A.D., of spade coinage. These are nice VF pieces, complete and patinated. A dealer lot of five nice pieces (\$90)
468. **Swedish Plate Money.** 1/2 daler plate money 1743, Ahl-295. In nice VF condition. These are becoming increasingly rare as Swedish customs law prevents export of plates once they become part of Swedish collections. Minimum bid \$375 (\$500)

COLLECTIONS

469. **Great Britain Shillings.** An excellent set of British shillings and five pences, 1947 to 1977. In the pre-decimal series, both the English and Scottish varieties for each date are present. The two rare Scottish varieties are missing, all other pieces are present. This is an excellent set, all coins in circulated but nice condition, which will fill the gaps where the coins are difficult to find alone due to their individual low values. (\$30)
470. **Duits of the Dutch Overseas Territories.** A collection of 47 different Netherlands East Indies copper duits, in a custom album with room to add in new dates. Issues from Gelderland, Hollandia, Utrecht, West Frisia and Zeelandia are present. The average condition is FINE, though some pieces are better and a few have light verdigris. An excellent set, with cat. value over \$150 (\$120)
471. **Duits of the Dutch Overseas Territories.** A similar group to the last, but not in an album and not all different. 53 pieces in all, would make a nice dealer stock of these scarce types. (\$80)
- An exceptional collection of weights**
472. **Collection of 50 various coin and apothecary weights.** Includes items by Troemner, Rogers, Ohaus, O.S.Co., J.L. Co., HT, Newmark, a sovereign weight 1842 from the Royal Mint, and an early French weight. Mainly from 1/2 scruple to 2 drachms, an interesting group which will attract many bids. (\$200)

LARGE AND BULK LOTS

Canadian lots

473. Large Cents A lot of approximately 100 pieces, Victoria to George, with a total retail/trends value of \$250. Grades are from good to VF, with a few pieces with light damage. A great dealer or flea-market lot. (\$220)

475. Canadian Checks A nice lot of 100 used checks from the Banque d' Hochelaga, dating from the turn of the century. A good stock item as these retail at about \$1 each! (\$25)

Ancient and Medieval Lots

476. Greek and Roman Bronzes A nice lot of 27 bronzes, grading Fair to Fine, mostly attributable. These are all "small size" bronzes. Individual retail, when attributed, is probably from \$4 to \$20 each. (\$250)
477. Miscellaneous Ancient and Medieval Types A large lot, with a retail value in excess of \$500. This lot contains various large size Roman bronzes, ancient minors, and a selection of medieval coins in bronze and silver, including items from medieval France, Germany, England and India. A premium group which should command an excellent bid (\$400)

482. World Minor Coins A large lot of 500 pieces, the balance from a dealer's stock we have been clearing. The pieces are all attributed and in his envelopes, the grading somewhat inconsistent. Our guess is the retail value is anywhere between \$200 and \$800! We haven't time to check. Lot offered as is, no returns (\$150-up)

Selling Your Collection

We spend many thousands of dollars each week buying collections and nice individual items from collectors whose tastes have changed, from estates, and from other dealers. Our needs are worldwide, including Canada and Newfoundland, world gold, Crowns and minors, ancient coins, and tokens and medals. Please contact us when you think of selling: we will travel to view where your holdings warrant and otherwise we can usually do business most satisfactorily by mail.

Want List Service

We maintain an active file of want lists in all numismatic areas and read through them regularly. If you desire particular items to add to your collecting enjoyment, please feel welcome to let us know. We also suggest that you "update" your list regularly so that we do not take you time unnecessarily by offering items to you that you have since acquired.
