PRICES

All previous lists are herewith cancelled. Prices in this list will not be changed during 1939, unless absolutely necessary. All prices are strictly net.

GUARANTEE

All stamps, coins, tokens, medals, and paper money sold by me are guaranteed genuine, unless otherwise stated. Anything that is not entirely satisfactory may be returned within five days of receipt and your money will be refunded.

PAYMENTS

Cash with each order. Remit by the means most convenient to you. Money orders and postal notes are best. Personal cheques will be accepted if you add 15c to cover bank charges. Full gum Canadian, U. S. A. and British Empire stamps accepted for amounts of \$1.00 or under; if over \$1.00 add 5% to your remittance (pictorial and commemorative stamps always preferred). Letters containing cash should be registered.

POSTAGE

I pay the postage on all orders of .50c or over. All orders of \$3.00 or over are registered free of charge. If you want an order under \$3.00 registered send 10c extra. Always register letters of value as I cannot hold myself responsible for those lost in transit.

MINT CANADIAN STAMPS

I specialize in mint stamps for two reasons: mint stamps are more valuable and much more beautiful than used ones.

Fine copies—well centred, original gum, may have been hinged once or twice. Good copies—off centre, original gum, may have been hinged once or twice.

Pairs and blocks: 25% extra for issues before 1912: pro rata for issues since 1912.

BOOKS

CATALOGUE OF CANADA AND B. N. A.

Edited by Dr. L. S. Holmes, noted Canadian philatelist. This book is well known among collectors of Canadian stamps, but the 1939 edition is a wonderful improvement over other editions. Not only does it contain all the features of previous years, but it lists all revenue stamps as well. The 1939 edition is strictly a catalogue and contains no advertising, making it the only book of its kind. Price50
I have still a small number of the 1937 edition at..... .15

THE COINS AND TOKENS OF CANADA

By Wayte Raymond. This book illustrates and prices the most interesting of Canadian coins and tokens issued from 1670 to 1936. It also contains the Mint Record of the Canadian Government showing how many coins have been issued each year. Size 6" x 9", 24 pages, 140 illustrations. Stiff Paper Cover50
Special Edition, bound in red cloth, gold stamped..... 2.00

CANADIAN COINS, TOKENS, MEDALS

My stock of Canadian Coins is changing all the time. Coins are going out and more are coming in every week. If you don't see what you want send me your want list and I will do my best to help you. You will find my description of condition very conservative.

NOTICE!

When ordering it is best to include a few items as second choice which will not be sent unless the items you want are out of stock. It is a very difficult task to keep all the stamps, coins, and paper money listed here in stock all the time.

Send me your want list and I will do my best to obtain the pieces you want for your collection.
