TERMS OF SALE

- 1) An 11.5% buyers charge, inclusive of G.S.T. will be added to the hammer price of each lot purchased and is payable by the buyer as part of the total purchase price. The exception to this will be **ARROWED** lots (→) purchased by Canadian residents, who would pay an additional 7% G.S.T. of price realized. Lots are not shipped until payment is received.
- 2) We reserve the right to withdraw any lot prior to sale.
- 3) In conformity with law, no coins or currency lots will be opened at less than the face value.
- 4) Bids by mail, telephone or fax will be accepted until the closing date and time specified. All telephone bids must be confirmed in writing on a bid sheet. Bids are treated as **LIMITS**.
- 5) No "Buy" or "Unlimited" bids will be accepted. Mail bids will be opened at the next interval over the second highest bid, except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.
- 6) In the case of a tie mail bid the first received is normally given preference. In a tie between a mail bidder and the floor, the mail bidder takes precedence.
- 7) All bids must be in whole dollar amounts; this includes percentage increases.
- 8) Postage, insurance and/or handling fees are added to ALL SHIPMENTS. Out of Canada bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made.
- 9) Jeffrey Hoare Auctions reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion. Generally bids below 50% of estimate will not be accepted.
- 10) A bidder in any Jeffrey Hoare Auction expressly waives any claim or right to an accounting, damages or compensation arising out of Jeffrey Hoare Auction's failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 11) Check your bid sheets carefully. We cannot assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.
- 12) No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.
- 13) Successful bidders are required to pay the full invoice amount before lots are delivered. Previous established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after each sale.
- 14) Title to all lots remains with the Auction House until payment in full is received.
- 15) By placing a bid in this sale, you agree that this agreement is made in Ontario by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Ontario law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in courts of Ontario. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest at 1 1/2% per month (18% p.a.) accruing on the entire amount paid. The bidder also assumes both corporate and personal liability for unpaid auction bills.
- 16) Sales Tax will be collected under the law of the Province of Ontario unless a valid vendor's permit number is presented, or lots are shipped out of Province.

- 17) Jeffrey Hoare Auctions may reopen the bidding on a lot under the following circumstances; (i) The Auction house has failed to execute correctly a mail bid. (ii) A party purchasing the lot on the floor has done so in error. (iii) Where a protest is made after the hammer has fallen, but before the bidding has commenced on the next lot. (iv) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. (v) At the discretion of the auctioneer.
- 18) In the event of a dispute the auctioneer's decision is final.
- 19) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made to a bidder.
- 20) Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. The Auction House reserves the right to reject frivolous complaints and to take appropriate action against such bidders under paragraph 9 and 15 above.
- 21) All material offered is guaranteed genuine, unless otherwise stated, and as described. Careful examination has been made of every lot by experts. Cataloguing errors will be promptly and cheerfully corrected.
- 22) Floor bidders may not return any lots including those lots purchased while acting as agents, except for non-authenticity.
- 23) All claims for adjustments by other bidders, for reasons of non-authenticity or improper description, must be made within five days of receipt but in no case more than 28 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. Failure to execute this privilege within the 28 day period, either from a failure to pay promptly or from any other cause shall void the privilege. Any returned lot must be in original holder with seal intact.
- 24) If we are notified prior to our settlement date that an opinion of condition alteration or authenticity is being sought, the matter will remain open until such opinion is rendered.
- 25) 1 1/2% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogues.
- 26) In the event of unsuccessful litigation the plaintiff shall pay all the Auction House's legal costs, and all other costs incurred by it in defense against such suit.
- 27) The same protection applicable to Jeffrey Hoare Auctions apply to each and every one of their officers and employees, unless they shall be convicted of knowingly selling false or stolen goods.
- 28) Jeffrey Hoare auctions assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 29) Terms of this sale are strictly cash and must be paid promptly in Canadian Funds. Payments should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in a Canadian Dollar Bank Draft.
- 30) As a convenience, invoices may be charged to Visa or Mastercard accounts. Please supply account number, signature and expiration date at the bottom of your bid sheet. Please note there will be an additional service charge of 2% for using a charge card.
- 31) Third party graded coins such as ICCS, PCGS and NCG, cannot be returned for grading disagreement. They are sold as is. Any discrepancies in the grade should be taken up with the appropriate company.
- 32) **BIDDING IN THIS AUCTION SALE CONSTITUTES FULL ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

Manuscript

A PAIR OF RARE CANADIAN NUMISMATIC MANUSCRIPTS.

799 McLachlan, R.W. Manuscript (unsigned) titled "List of British nineteenth century tokens erroneously attributed to Canada." n.p.n.d. 30 4to. (un-numbered) pages. The manuscript is a listing discrediting 142 coppers traditionally attributed to Canada. The pieces discarded are the Bust & Commerce series (original copper issues), the Wellington pennies and halfpennies, the non-locals, the "fictitious" bridge tokens, Br. 546-557. Curiously, he also includes in this list of rejects, the homemade brass "Tiffins", Br. 960-61 though he admits that the lightweight copper pieces were struck for Joseph Tiffin of Montreal, and that the brass pieces were "imitations of inferior workmanship evidently struck in Canada". The manuscript, being controversial, was never published. A desirable item. \$1500
