TERMS OF SALE

- 1) An 11.5% buyers charge, inclusive of G.S.T. will be added to the hammer price of each lot purchased and is payable by the buyer as part of the total purchase price. The exception to this will be **ARROWED** lots (→) purchased by Canadian residents, who would pay an additional 7% G.S.T. of price realized. Lots are not shipped until payment is received.
- 2) We reserve the right to withdraw any lot prior to sale.
- 3) In conformity with law, no coins or currency lots will be opened at less than the face value.
- 4) Bids by mail, telephone or fax will be accepted until the closing date and time specified. All telephone bids must be confirmed in writing on a bid sheet. Bids are treated as LIMITS.
- 5) No "Buy" or "Unlimited" bids will be accepted. Mail bids will be opened at the next interval over the second highest bid, except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.
- 6) In the case of a tie mail bid the first received is normally given preference. In a tie between a mail bidder and the floor, the mail bidder takes precedence.
- 7) All bids must be in whole dollar amounts; this includes percentage increases.
- 8) Postage, insurance and/or handling fees are added to ALL SHIPMENTS. Out of Canada bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made.
- 9) Jeffrey Hoare Auctions reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion. Generally bids below 50% of estimate will not be accepted.
- 10) A bidder in any Jeffrey Hoare Auction expressly waives any claim or right to an accounting, damages or compensation arising out of Jeffrey Hoare Auction's failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.
- 11) Check your bid sheets carefully. We cannot assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.
- 12) No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.
- 13) Successful bidders are required to pay the full invoice amount before lots are delivered. Previous established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after each sale.
- 14) Title to all lots remains with the Auction House until payment in full is received.
- 15) By placing a bid in this sale, you agree that this agreement is made in Ontario by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Ontario law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in courts of Ontario. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest at 1 1/2% per month (18% p.a.) accruing on the entire amount paid. The bidder also assumes both corporate and personal liability for unpaid auction bills.
- 16) Sales Tax will be collected under the law of the Province of Ontario unless a valid vendor's permit number is presented, or lots are shipped out of Province.
- 17) Jeffrey Hoare Auctions may reopen the bidding on a lot under the following circumstances; (i) The Auction house has failed to execute correctly a mail bid. (ii) A party purchasing the lot on the floor has done so in error. (iii) Where a protest is made after the hammer has fallen, but before the bidding has commenced on the next lot. (iv) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. (v) At the discretion of the auctioneer.
- 18) In the event of a dispute the auctioneer's decision is final.
- 19) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made to a bidder.
- 20) Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. The Auction House reserves the right to reject frivolous complaints and to take appropriate action against such bidders under paragraph 9 and 15 above.
- 21) All material offered is guaranteed genuine, unless otherwise stated, and as described. Careful examination has been made of every lot by experts. Cataloguing errors will be promptly and cheerfully corrected.
- 22) Floor bidders may not return any lots including those lots purchased while acting as agents, except for non-authenticity.
- 23) All claims for adjustments by other bidders, for reasons of non-authenticity or improper description, must be made within five days of receipt but in no case more than 28 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. Failure to execute this privilege within the 28 day period, either from a failure to pay promptly or from any other cause shall void the privilege. Any returned lot must be in original holder with seal intact.
- 24) If we are notified prior to our settlement date that an opinion of condition alteration or authenticity is being sought, the matter will remain open until such opinion is rendered.
- 25) 11/2% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogues.
- 26) In the event of unsuccessful litigation the plaintiff shall pay all the Auction House's legal costs, and all other costs incurred by it in defense against such suit.
- 27) The same protection applicable to Jeffrey Hoare Auctions apply to each and every one of their officers and employees, unless they shall be convicted of knowingly selling false or stolen goods.
- 28) Jeffrey Hoare auctions assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.
- 29) Terms of this sale are strictly cash and must be paid promptly in Canadian Funds. Payments should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in a Canadian Dollar Bank Draft.
- 30) As a convenience, invoices may be charged to Visa or Mastercard accounts. Please supply account number, signature and expiration date at the bottom of your bid sheet. **Please note there will be an additional service charge of 2% for using a charge card.**
- 31) Third party graded coins such as ICCS, PCGS and NCG, cannot be returned for grading disagreement. They are sold as is. Any discrepancies in the grade should be taken up with the appropriate company.
- 32) **BIDDING IN THIS AUCTION SALE CONSTITUTES FULL ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

Error Notes

1116 **Twenty Five Cents**, 1923, CH-DC-24c, 210703, Series L. Miscut, small part of next note to the left is present. VF. \$40

1117 **Twenty Five Cents**, 1923, 457748, Series L, CH-DC-24c, VF+. Wide top border with imprint and touch of above note showing; One Dollar, Dominion of Canada, 1898, 5697301C, Series R, CH-DC-13c, VG+, pressed. Miscut top 1/4" cut off, bottom has 1/4" of note below showing. 2pcs. \$100

1118 **Ten Dollars**, 1954, Beattie-Rasminsky, CH-BC-40b, AU. No serial numbers on the face, we can see no trace of the numbers or evidence of their removal. Face plate 64, back 70. A letter from Sheldon Carroll, Curator Bank of Canada, dated Sept. 24, 1968, attests to the above and states "it would appear that no serial numbers were printed on this note". The letter is included with the lot. \$150

1119 **Ten Dollars**, 1954, CH-BC-40b, EF, no serial numbers on the face. Same as previous lot with plate letters. See Charlton Cat. p.294. \$125

1120 **One Dollar**, 1954, Beattie-Rasminsky, H/A5721901 - 5721701. Fifth numeral of right serial is partial, probably bottom of an eight and top of a nine. F-VF. \$100

1121 **Twenty Dollars**, 1954, CH-BC-41b, Y/E2131420 - 2131720, AU. Fifth numeral on the right serial number shows parts of two numbers. Charlton p.293, quite scarce, also see next lot. \$125

1122 **Twenty Dollars**, 1954, CH-BC-41b, Y/E2131421-2131721, AU. Same as last lot, consecutive serial number. \$125

1123 **Five Dollars**, 1954, Beattie-Rasminsky. A folding error with result that the sheet was numbered at an angle and out of register - part of left serial in top border, right serial under Queen's portrait, ?/X2854858, AU. Very unusual and rare. \$200

1124 **Five Dollars**, 1954, Beattie-Rasminsky. A very rare duplicate serial number. The group consecutive is E/X2049000, 2049001, 2049001, 2049003, 2049004, 2049005. The number 002 is missing - with duplicate 001, AU-UNC. 6pcs. Similar error only seen once by us, a great display item. \$350

1125 **One Dollar**, 1954, Beattie-Rasminsky, H/O3272844 - 3372844, VF. See Charlton Cat. p.292 for similar. \$100

1126 **One Dollar**, 1954, Bouey-Rasminsky, L/F9264530 - 5264530, VF. First number different on each number. First number mismatched notes scarcer than others - also scarce in this signature type. \$125

1127 **One Dollar**, 1954, Beattie-Rasminsky, H/O3272258 - 3372258, mismatched serial numbers, VF. \$100

1128 **Five Dollars**, 1954, Beattie-Rasminsky, *N/X0014988, CH-BC-39bA. The asterisks are printed about 3/8" to the left of usual position or 1/2" to the left of the prefix letters. Uncertain as to how this could happen. First such seen by us. \$250

1129 **Five Dollars**, 1972, Lawson-Bouey, CW8203266, VF. Serial numbers are raised and moved to the right. Charlton plate note p.295. \$125

1130 **Ten Dollars**, 1971, Lawson-Bouey, *TC1179004, VF, pressed. Both serial numbers out of alignment, up about 1/8" and about 1/4" to the left. Very unusual for an asterisk note. \$125

Folding Errors

1131 **One Dollar**, 1973, Lawson-Bouey, FW6802646, VF. The paper had five tiny folds in it which were open when the tints were printed, closed when the black engraved parts and serial number printed - producing five thin streaks on the face. As well the sheet show ink and Bank of Canada vertically along the left end, poorly cut sheet. \$175

1132 **Five Dollars**, 1954, Beattie-Rasminsky, F/X4393758, white streak error where the paper had a fold while being printed afterward the fold opened leaving a white streak on the face and back. AU. \$100

1133 **Five Dollars**, 1972, Bouey-Rasminsky, CN3121398, VF. A large streak and a small on the face - the folds occurred after the tint was printed but before the blue engraved printing - thus leaving coloured streaks when the fold opens. \$100

1134 **Ten Dollars**, 1971, Beattie-Rasminsky, DC-0052969, VF. A fold in the paper which remained folded during all the printing steps, when unfolded leaves a dramatic white diagonal strip on both sides. One of the best of this type error seen by us. \$150

RARE DOUBLE ERROR

1135 Twenty Dollars, 1969, Beattie-Rasminsky, ED3760259, EF. A fold occurred in the note after the tint colours were printed, so that after the steel engraved parts were printed it opened to give a part white, part coloured strip through the Queen's portrait - no strip on the back. In addition the engraved face printing was done with a 1/8" shift to the left, so that the coloured tint design appears to the right including partly over the Queen's portraits. A very unusual double error. **\$200**

1136 Twenty Dollars, 1969, Lawson-Bouey, WL9212258, VF. A diagonal fold occurred after the tint printing which opened after the engraved printing, leaving a strip on the face with tint but no engraved image and the same on the back, except areas with engraved only design are white. **\$125**

1137 Twenty Dollars, 1969, Beattie-Rasminsky, EM2392194 and 2393194 (same sheet). A bottom of the sheet folding error that resulted in most of the two notes being cut after folding to give three pieces, the main piece is 80% of the top note and 40% of bottom note. A nice display item. **\$250**

1138 One Dollar, 1954, Beattie-Rasminsky, U/M6746000, AU, small 1/2" corner of above note attached at top left corner; U.03797153, UNC, larger 25% of above note attached at top left corner. 2pcs. **\$100**

1140 One Dollar, 1954, Beattie-Rasminsky, O/P2981212, UNC, a large piece 1/3 of the above note is attached at the top left and P/P1229012, UNC, a 2 3/4" x 1 1/4" piece of note above is attached and bottom right 20% of note is missing. 2pcs. **\$150**

VERY UNUSUAL ERROR

1141 Twenty Dollars, 1969, Beattie-Rasminsky, ES1835592, AU. There are two narrow strips on the face where a thin layer of paper has been peeled up. This leaves two while thinned areas. The damage done after the printing completed. Evidence below the areas suggest something dragged over the note. We cannot tell if this happened before or after the note was issued. **\$30**

1142 Two Dollars, 1954, Beattie-Rasminsky, I/U0410823, AU, folding errors resulting in 1" x 1" piece of note below being attached at bottom left corner.; Ten Dollars, 1954, Beattie-Rasminsky, R/V4240746, AU, fold before cutting resulting in 2 1/4" x 1/4" area attached at top left which has purple colour bar on it, a 1 1/4" x 1 1/2" piece missing at bottom left corner. 2pcs. **\$150**

1143 Five Dollars, 1954, Beattie-Rasminsky, Z/S8617498 and 499, AU. Two consecutive notes with same error, a piece 2 3/4" high, 3/4" wide of above note is attached to each note at the top left corner. A nice display pair. **\$150**

1144 Five Dollars, 1954, Beattie-Rasminsky, G/X2839600, AU, 1/4" is cut off right end of note, a 2 3/4" wide x 1/2" piece of bottom of sheet which has engraved border lathework etc., on it is attached; Twenty Dollars, 1954, Beattie-Rasminsky, B/W7599394, AU, similar to above, nothing cut off end - slightly larger piece of lathework attached at bottom. 2pcs. **\$250**

1145 Twenty Dollars, 1969, Beattie-Rasminsky, ET0913749, EF, left edge of sheet folded under before cutting resulting in large wide border with alignment marks at left end, see Charlton p.198. The right end of the note has some blue ink stains. **\$75**

1146 One Dollar, 1973, Lawson-Bouey, GL1690509, AU. Left edge of sheet folded up before cutting resulting in about 25% of note below being attached, border portion has plate alignment marks. Similar to top note of pair in Charlton p.298. A nice error piece. **\$100**
