

PRICE LIST

OF

CANADIAN COINS AND MEDALS

FOR SALE BY

P. N. BRETON

1664 ST. CATHERINE STREET
MONTREAL, CANADA

My previous sales having met with so good encouragement, I have done all my efforts so as to bring a new Price List containing a very large selection of Canadian Coins, Medals and Tokens, including some very rare and unique pieces. Collectors will remark an advance on the Bridge tokens, these tokens are getting more rare every day and they will advance again in a near future and reach a very high quotation as they are in a constant demand and almost impossible to procure. In fact, there is a very good prospect in general for Collectors as Canadian pieces have almost disappeared and what we use to call common a few years ago and which were easily found in circulation, are almost gone and impossible to meet again.

I am thankful to all my customers who have given me all the encouragement possible and I am glad to send them this new Price List and if I should miss any one, they will please give me their addresses. Also every Collector who cares for his collection should procure these sale lists which will keep them posted and I will enter their names for future sales.

Every coin guaranteed genuine, unless otherwise specified. No coins sent on approval. Send orders early to prevent disappointment. Remittances should be made by money order or registered letter. The coins are numbered as per Breton's Illustrated Canadian Coin Collector, and Medals as per Leroux's Cabinet.

Address to P. N. BRETON,
1664 St. Catherine St., Montreal, Can.

Price, \$100.00
