CANADIAN COINS AND MEDALS

AND RARE CANADIAN BOOKS

FOR SALE BY

P. N. BRETON

1664 St. Catherine Street

MONTREAL, CANADA.

JUNE 1892.

No. 10

Collectors now have another opportunity to improve their collections as this is really the best and most complete sale of Canadian Coins ever offered, as it contains many rare and unpublished varieties. Every collector should secure the commoner pieces which although not rare at present, will be difficult to procure in a near future, as the demand for Canadian Coins, from the statements made by dealers in United States and Canada shows an advance in prices. The "Un Sou" series is the most complete ever likely to come before the public. This series is now considered rare, as not even the commoner specimens are to be found in circulation at present. A few rare Canadian books are also included in this sale.

Every coin is guaranteed genuine unless otherwise specified. No coins sent on approval. Remittances should be made by money order or registered letter. The coins are numbered as per Breton's Illustrated Canadian Coin Collector and Supplement, and Medals as per Leroux's Cabinet.

Address to P. N. BRETON,

1664, St. Catherine St., Montreal, Can.

**A collection of Canadian Coins is a
paying Investment.**
