Greetings:

It is with pleasure that we present you with our first sale. Ottawa Coin Auctions is a new venture in Canada's Capital offering regular coin auctions which we welcome you to support.

Auctions have long been a popular means to secure new material and dispose of extra items. We invite you to read our offerings, bid by mail or attend the sale, and consider our services for sale of your own material.

Please note that this is a public auction, with mail bids welcome of course, conducted by a Licensed Auctioneer under the regulations of the City of Ottawa.

Note, as well, that there is a split commission method being introduced. 10 percent payable by buyer and charged to seller. Most auction firms now use this method, especially in philatelic and literature or art sales.

Ottawa Coin Auctions was developed to fill the gap in coin services in Ottawa and we wish to thank those who have given their support to this our first effort. We again invite you to join with us to establish and develop a Coin Auction House in Ottawa.
